Sandy Hill:

Sandy Hill Ed Putnam,2004-04 Dan Perkins 62 receives an email invitation to his 45th high school reunion in his hometown of Sandy Hill New York Once a flourishing industrial community with safe neighborhoods and nice homes it has become a rust belt village with deteriorating buildings empty storefronts and abandoned factories Dan s memories of his childhood are filled with sadness disappointment and anger and he isn t sure he wants to revisit those scars But something draws him to attend As he walks the streets of Sandy Hill the familiar buildings and homes stimulate flashbacks which are at the same time disturbing and healing At the reunion itself Dan renews friendships which had grown distant Old buddies the first girl with whom he had discovered what it felt like to be a man and classmates with recently forgotten names and faces re enter his life Dan discovers something which brings a huge change in his life and the way he perceives it This is a novel about two different people coming of age Danny Perkins the adolescent boy of the 1950 s and Dan Perkins the successful retired professional The experiences of these two periods in the life of one man are filled with sadness conflict humor and promise It is a book which will appeal to every man who remembers what it felt like to be a kid and to every adult who struggles with memories of a difficult youth This is Ed Putnam s first piece of fiction Like many first novels it is somewhat auto biographical and will be familiar to those who knew him as a teenager However it is also the story of most readers who grew up in small towns in the 1950 s especially in Upstate New York or places like it The characters are blendings of people known and unknown to the author No one is a pure memory
