Second Bull Run Campaign July August 186:

Second Bull Run Campaign David G. Martin, 1996-11-21 Second Bull Run or Second Manassas as it was known in the South is considered by many to be the greatest example of Robert E Lee's tactical genius. It was also the final humiliation for John Pope, the Union general who had been personally selected by Abraham Lincoln to come East and lead the Union army to victory in northern Virginia. In the summer of 1862, George McClellan's Union army was bogged down east of Richmond. In order to break this stalemate, Union officials decided to create a new army in northern Virginia and send it against Richmond from the north. Confederate commander Robert E Lee, fresh from his costly victory against McClellan in the Seven Days Battle, made a bold decision to risk leaving McClellan in place in order to strike a decisive blow against Pope's new army. Second Bull Run was the culmination of a series of maneuvers by which Lee, Longstreet, Jackson, and Stuart outmarched the larger Union command and outgeneraled its confused commanders. The book's campaign approach also shows the relationship of the culminating battle to the related battles at Cedar Mountain, Groveton, and Chantilly. The Second Bull Run Campaign includes fourteen specially commissioned maps by Paul Dangel, the most up-to-date order of battle available, and special sidebars on leaders, units, incidents, and controversies of the campaign. Connections between the First and Second Bull Run battles are examined, the battlefields as they are today are described, and suggestions for further study are made in a descriptive bibliography and reader's guide.

Four Years With General Lee [Illustrated Edition] Colonel Walter Taylor, 2014-08-15 Includes Civil War Map and Illustrations Pack 224 battle plans, campaign maps, and detailed analyses of actions spanning the entire period of hostilities; it offers a sure, quick eyewitness assessment of all Lee's campaigns. Southern Partisan: Colonel Taylor was the Adjutant General of the Army of Northern Virginia and Lee's right hand man at Headquarters. Most of the orders and dispatches went out in Taylor's handwriting, and he was uniquely positioned to observe Lee's thinking and generalship close up. In addition, Taylor was responsible for the returns, manpower statistics, and so is able to correlate the accounts of campaigns and battles with the actual strength of Confederate forces. The conclusion is inescapable: few military commanders have done more with less than Lee, and fewer still can have emerged with his reputation as a human being. The book concludes with the Address on the Character of General R. E. Lee by Captain John Hampden Chamberlayne, delivered in 1876, which is a fine analysis on the career and character of the great General.

Three Months In The Southern States: The 1863 War Diary Of An English Soldier: April-June 1863 [Illustrated Edition] Colonel Arthur James Lyon Fremantle, 2014-08-15 Includes Civil War Map and Illustrations Pack 224 battle plans, campaign maps, and detailed analyses of actions spanning the entire period of hostilities. A British soldier's view of the great conflict of blue and grey. The author of this book has perhaps achieved more renown in recent years than at any time since the publication of his literary efforts. Those familiar with the film Gettysburg will recall the unusual figure of a British Guards officer attired inaccurately in his full dress Guardsman's scarlet uniform among the ranks of the Virginians at the famous and pivotal battle. The cinema may have

taken its usual liberties but the character was firmly based in fact and was none other than the author of this book The British Empire felt no need to come down strongly on either side of the conflict between the States but its support for the Confederacy was both implicit and occasionally obvious Fremantle wanted to see the war at first hand and so he travelled to America and accompanied the Confederate forces actually unglamorously in mufti in the field His experiences brought him to the collision of Gettysburg and history is indebted to Fremantle for the observations of a comparatively impartial military man on these monumental times and events Essential Civil war material Print Edition Military Operations of the Civil War United States. National Archives and Records Service,1968 Co. Aytch Maury Grays, First Tennessee Regiment Or, A Side Show Of The Big Show [Illustrated Edition] Sam R. Watkins,2015-11-06 Includes Civil War Map and Illustrations Pack 224 battle plans campaign maps and detailed analyses of actions spanning the entire period of hostilities A classic account of Civil War combat This is a justifiably famous account of the Civil War told by an ordinary soldier from within the ranks of a Tennessee regiment within the Confederate Army Often quoted it tells in a direct way the story of an infantry company at war In this it has much in common with similar accounts of men living and fighting together in combat irrespective of nationality age or conflict This is an intimate portrait of war with all its comradeship hardship fear horror and humour We accompany Watkins and his comrades of Company Aytch on campaign as he recollects in his easy and personable style encounters at Shiloh Corinth Murfreesboro Chattanooga Chickamauga Missionary Ridge and other bloody battlefields where they fought and died for the Confederate cause until the eventual surrender of the Southern forces Highly recommended Print ed

Military Operations of the Civil War: Conspectus United States. National Archives and Records Service,1968 *Four Years In The Saddle [Illustrated Edition]* Colonel Harry Gilmor,2015-11-06 Includes Civil War Map and Illustrations Pack 224 battle plans campaign maps and detailed analyses of actions spanning the entire period of hostilities The brutal occupation of Baltimore in 1861 by the Federal troops under Benjamin Beast Butler would be the final straw for many Confederate leaning Marylanders One such was Harry Gilmor imprisoned for his political beliefs and his service in the Baltimore County Horse Guards he was determined to join the Southern forces As soon as he was released from prison he travelled as fast as possible to join the troops under Colonel Turner Ashby by March 1862 he was commissioned as a captain of the Twelfth Virginia Cavalry He set to his task with a passion earning much glory fighting under Jackson in the Valley campaign even being entrusted with special missions by the great general himself His military star was on the rise and he began to gain a sterling reputation as a cavalry commander often employed in scouting raids and ambushes He was in action at the Battle of Brandy Station in the Shenandoah Valley and led the famous Raid Round Baltimore in 1864 Despite all his cunning and daring the tide of war turned against him and his Confederate comrades and he was captured in February 1865 in Hardy County As a successful Confederate raider the Federal press had heaped calumnies upon him and his men so after the war he wrote these memoirs to set the record straight A dashing read of a famous Confederate cavalry officer *Biographical Register of the*

Officers George Washington Cullum, 2009-10-27 *The Sword of Lincoln* Jeffry D. Wert, 2005 With a swiftly moving narrative style and perceptive analysis *The Sword of Lincoln* is destined to become the modern account of the army that was so central to the history of the Civil War **American Campaigns** Matthew Forney Steele, 1922 **no.1 to 1000** George Washington Cullum, 1891 **The American Civil War** James Kendall Hosmer, 1913 **Lincoln and McClellan at War** Chester G. Hearn, 2012-11-05 At the beginning of the Civil War President Abraham Lincoln and his highest ranking general George B. McClellan agreed that the United States must preserve the Union Their differing strategies for accomplishing that goal however created constant conflict In *Lincoln and McClellan at War* Chester G. Hearn explores this troubled relationship revealing its complexity and showing clearly why the two men both inexperienced with war eventually parted ways A staunch Democrat who never lost his acrimony toward Republicans including the president McClellan first observed Lincoln as an attorney representing the Illinois Central Railroad and immediately disliked him This underlying bias followed thirty five year old McClellan into his role as general in chief of the Union army Lincoln a man without military training promoted McClellan on the advice of cabinet members and counted on Little Mac to whip the army into shape and end the war quickly McClellan comported himself with great confidence and won Lincoln's faith by brilliantly organizing the Army of the Potomac Later however he lost Lincoln's trust by refusing to send what he called the best army on the planet into battle The more frustrated Lincoln grew with McClellan's inaction the more Lincoln studied authoritative works on military strategy and offered strategic combat advice to the general McClellan resented the president's suggestions and habitually deflected them Ultimately Lincoln removed McClellan for what the president termed the slows According to Hearn McClellan's intransigence stemmed largely from his reluctance to fight offensively Thoroughly schooled in European defensive tactics McClellan preferred that approach to fighting the war His commander in chief on the other hand had a preference for using offensive tactics This compelling study of two important and diverse figures reveals how personality and politics prolonged the Civil War *The Civil War* DK, 2015-02-02 Following Abraham Lincoln's presidential victory in 1861 eleven Southern states withdrew from the Union to form the Confederate States of America sparking a war between the North and South in which a series of bitterly contested battles and sieges and countless minor skirmishes were fought DK's *The Civil War* is divided into seven chronological chapters each introduced by a general overview of the military and political situation Each of the war's major engagements is treated individually while still connecting the complicated relationships between the war's far flung theaters or the overall strategies of the two sides *The Civil War* also includes the reactions of ordinary soldiers and civilians to the momentous events they witnessed as well as features on major personalities military and civilian and on aspects of the war away from the battlefield such as the effects of the Northern blockade or the fate of prisoners The casualty toll of the Civil War still exceeds that of every other American war before and since put together Race and states rights remain potent issues to this day making the story of the Civil War as gripping today as it was when it divided the nation more than 150

years ago **Radical Sacrifice** William Marvel, 2021-02-10 Born into a distinguished military family Fitz John Porter 1822 1901 was educated at West Point and breveted for bravery in the war with Mexico Already a well respected officer at the outset of the Civil War as a general in the Union army he became a favorite of George B McClellan who chose him to command the Fifth Corps of the Army of the Potomac Porter and his troops fought heroically and well at Gaines s Mill and Malvern Hill His devotion to the Union cause seemed unquestionable until fellow Union generals John Pope and Irvin McDowell blamed him for their own battlefield failures at Second Bull Run As a confidant of the Democrat and limited war proponent McClellan Porter found himself targeted by Radical Republicans intent on turning the conflict to the cause of emancipation He made the perfect scapegoat and a court martial packed with compliant officers dismissed him for disobedience of orders and misconduct before the enemy Porter tenaciously pursued vindication after the war and in 1879 an army commission finally reviewed his case completely exonerating him Obstinate partisan resistance from old Republican enemies still denied him even nominal reinstatement for six more years This revealing new biography by William Marvel cuts through received wisdom to show Fitz John Porter as he was a respected commander whose distinguished career was ruined by political machinations within Lincoln s administration Marvel lifts the cloud that shadowed Porter over the last four decades of his life exposing the spiteful Radical Republicans who refused to restore his rank long after his exoneration and never restored his benefits Reexamining the relevant primary evidence from the full arc of Porter s life and career Marvel offers significant insights into the intersections of politics war and memory First for the Union Darin

Wipperman, 2020-12-01 The Army of the Potomac s First Corps was one of the best corps in the entire Union army In September 1862 it was chosen to spearhead the Union attack at Antietam fighting Stonewall Jackson s men in the Cornfield and at the Dunker Church In July 1863 at Gettysburg its men were the first Union infantry to reach the battle where they relieved the cavalry and fought off the Confederate onslaught all day before retreating to Cemetery Hill Their valiant stand west of Gettysburg saved the Union from disaster that day but came at great cost 60 percent casualties The corps was disbanded the following spring having bled itself out of existence The First Corps leadership included two generals who would rise to command the Army of the Potomac Joseph Hooker and George Meade and a third who refused that command John Reynolds often considered the best commander in the East until his death at Gettysburg The corps was made up heavily of men from New York and Pennsylvania including the famous Bucktails with a handful of New England regiments and the Midwesterners of the Iron Brigade perhaps the Civil War s most famous Union brigade Corps histories remain one of the last gaps in Civil War military history Hundreds of regimental histories have been written since war s end many brigades have been covered the armies have been explored but corps remain relatively overlooked not because they are an unimportant or unappealing subject but because mastering the subject is so difficult requiring knowledge of many commanders careers dozens of constituent units and many battles Few are willing to tackle the subject Lucky for us Darin Wipperman has taken

on the task and produced a monumental history of the Army of the Potomac's First Corps well written and deftly told an exciting story in itself and like all great unit histories one that is representative of the many other corps in the Union army

Lincoln's Darkest Year William Marvel, 2008-07-16 A portrait of a pivotal chapter in the Civil War featuring scheming politicians bumbling generals and an increasingly disheartened Northern public Brooks Simpson author of *Ulysses S Grant Triumph Over Adversity 1822-1865* In *Mr Lincoln Goes to War* award winning historian William Marvel focused on President Abraham Lincoln's first year in office In *Lincoln's Darkest Year* he paints a picture of 1862 again relying on recently unearthed primary sources and little known accounts to offer newfound detail of this tumultuous period Marvel highlights not just the actions but also the deeper motivations of major figures including Gen Ulysses S Grant Jefferson Davis George B McClellan Stonewall Jackson and most notably Lincoln himself As the action darts from the White House to the battlefields and back the author sheds new light on the hardships endured by everyday citizens and the substantial and sustained public opposition to the war Combining fluid prose and scholarship with the skills of an investigative historical detective Marvel unearths the true story of our nation's greatest crisis

An American Iliad Charles Pierce Roland, 2004-01-01 An updated edition of this concise yet comprehensive history of the Civil War written by a distinguished historian of the conflict Charles Roland skillfully interweaves the story of battles and campaigns with accounts of the major political diplomatic social and cultural events of the epoch and insightful sketches of the leading actors Of prime interest are the contrasts he draws between the opposing presidents and generals What traits he asks made Lincoln superior to Davis as a war leader How were Union military leaders able to forge a more effective fighting force a more comprehensive strategy than their opponents Roland's thoughtful answers and his recognition of the contradictions of human nature and the interplay of intention and chance raise this book above a mere recounting of military events The story of the Civil War is the epic of the American people Never has it been told more movingly

Kearny's Own Bradley M. Gottfried, 2005 From the first battle at Bull Run to the surrender of Lee's army at Appomattox four years later only one federal infantry brigade experienced the entire Civil War as a cohesive unit While most units were composed of regiments from different states that were disbanded after three years the First New Jersey Brigade was the enduring exception Despite the group's remarkable coherency it started as many military units did during the early stages of the war a disorganized ragtag outfit that was poorly trained and ill prepared for battle This quickly changed however with the appointment of General Philip Kearny in the fall of 1861 Kearny transformed the troops making them among the most disciplined and effective commands in the Army of the Potomac A series of notable victories earned the soldiers an impressive reputation and with it thousands of others voluntarily came forward to enlist Even when they suffered heavy losses the New Jersey regiments fought exceptionally well and served key roles in dozens of battles including the Peninsula Seven Days Second Bull Run Antietam Chancellorsville Wilderness Spotsylvania Cold Harbor Early's Valley and the Petersburg Campaigns In *Kearny's Own* Bradley M Gottfried weaves together compelling accounts of battles

fought with a wealth of letters and diaries to tell the story of this famous brigade from a uniquely personal perspective The hopes fears and sorrows of the men come through vividly as accounts reveal how civilians were physically and emotionally transformed into soldiers Primary sources also provide insight to what the war meant to the men who fought for the Union Fourteen maps illustrate the battles and marches while detailed appendices include statistical breakdowns of losses and outline the fates of the men whose letters and diaries are used as sources In this first book published on the subject Gottfried not only provides a long overdue history of the First New Jersey Brigade he offers a human window into the turbulent and trying experiences of war **The American Nation: The appeal to arms, 1861-1863** Albert Bushnell Hart,1907

When people should go to the book stores, search inauguration by shop, shelf by shelf, it is truly problematic. This is why we present the book compilations in this website. It will completely ease you to look guide **Second Bull Run Campaign July August 186** as you such as.

By searching the title, publisher, or authors of guide you in point of fact want, you can discover them rapidly.
