Rebellion (Awake As A Stranger Trilogy Book 2) Diane Dresback, 2021-08-19 Could your influencing skills save your life In the second book in the AWAKE AS A STRANGER trilogy Treaz is forced to continue surviving and working from within the bodies of complete strangers many of them with existences she never could have imagined living She gains an improbable ally with which to rebel against the agonizing rules of her elusive employer Despite unexplained moments of sympathy from her boss

punishment for Treaz's rebellious acts is harsh. Grief, pain, and humiliation threaten to consume Treaz if she cannot find a way back to her own life. After establishing a secret online friendship, Omani's desire to flee from her meager existence on the compound becomes obsessive. Her stark fear of her uncle's retaliation is undeniable. Perhaps suicide is the better option. Nobody cares about her anyway. Or do they? The AWAKE AS A STRANGER trilogy follows the journey of Treaz and Omani. They reside on two different continents yet each are trapped in deplorable realities: Treaz living within other people's bodies and Omani being held captive on her uncle's compound. Both long to regain control over their lives, escape their merciless captors, and expose the haunting truths facing them and the world. Can they find freedom together? See what readers are saying about the Awake As A Stranger trilogy. Couldn't put the book down. I love her style. I feel like I know the characters. Amazon reviewer: I LOVED this series. What a crazy creative story line. I couldn't wait to start the next book and was sorry when it ended. The characters are amazing and how it all came together in the end was perfect. Loved the series. Amazon reviewer: I read this book in one go. It is very intriguing. I really enjoyed reading about the differing reflections of people in this world from those who have everything to those who only have the clothes they are wearing. Amazon reviewer: this series is fascinating. It was just enough curiosity to keep me going and unexpected twists and endearment to the characters that kept me engaged. I'm going to be thinking about this storyline and message for some time. Amazon reviewer: The author's writing style is light and easy, making it a quick read. I was especially intrigued by the author's knowledge of and incorporation of psychological constructs and by applying healthy messaging throughout. She created an upbeat and hopeful experience for the reader. Goodreads reviewer: Highly recommended. What if YOU woke up living in someone else's body? Alone and Afraid. The night of Treaz's 32nd birthday ended in a lonely, drunken stupor. An unnerving, mysterious man staring into her bedroom window and the waking up inside the body of a stranger a thousand miles from her home. How did she get there? Whose body is she in? Distraught and confused, she is admitted to a chilling psychiatric hospital. With no hope of escape, an unknown man suddenly arranges her discharge. He forces her into a new job that can only be accomplished by living in the bodies of complete strangers. Each night she falls asleep wondering whose life she will be experiencing next. Can she find a way out of this frightening nightmare? Halfway around the world, Omani involuntarily works long hours for her oppressive uncle while remaining a hostage on his remote Swiss compound. She is forbidden contact with the outside world. Desperate and isolated, she risks deadly retaliation and finds a way to make a sole online friend, but his assertions are almost too much to believe. Should she trust him? The AWAKE AS A STRANGER trilogy follows the journey of Treaz and Omani. They reside on two different continents yet each are trapped in deplorable realities: Treaz living within other people's bodies and Omani being held captive on her uncle's compound. Both long to regain control over their lives, escape their merciless captors, and expose the
