Second Commitment for Love:

Second Beginnings: Navigating Love and Commitment the Second Time Around Luther Paul, *Second Beginnings* takes a compassionate and practical approach to guiding couples through the unique challenges and joys of getting married for the second time. Delving into topics such as blending families, managing financial matters, and addressing past hurts, this insightful guide offers valuable advice and strategies for creating a strong and harmonious partnership. With a focus on communication, trust, and mutual respect, this book empowers couples to build a solid foundation for their new chapter together. Drawing on the expertise of marriage counselors, relationship experts, and real-life stories from second-time couples, *Second Beginnings* provides a roadmap for navigating the complexities of a second marriage. From managing expectations to navigating cultural differences, this book covers a wide range of topics to help couples navigate the intricacies of starting over. Whether it's dealing with ex-partners or adjusting to different lifestyles, this book offers practical tips and guidance for overcoming obstacles and building a lasting connection. *Second Beginnings* encourages couples to embrace the opportunity for growth and renewal that comes with a second marriage. By exploring questions of identity, vulnerability, and intimacy, this book helps couples deepen their connection and create a fulfilling partnership based on love, understanding, and mutual support. With a focus on self-awareness and personal growth, this book empowers couples to overcome past traumas and build a strong, resilient relationship that withstands the test of time. *The Second Commandment* Joey R. Peyton, 2024-02-07 In an increasingly broken world filled with hate and violence, God's plan from the beginning was to save and restore the world to the glory for which he had created it. This simple plan has not changed with the evolution of sin, time, or man's rejection of his creator. Rather, God's simple twofold plan of redemption included both a commandment to love the creator with all one's heart, mind, soul, and strength, and a commandment to love one's neighbor as one's self. Neither commandment stands in isolation; for one cannot fully love others without a consuming love for God, and neither can one completely love God without a love for the neighbor created by God. The answer to hate is love; the answer to war is love; the answer to violence is love; and the answer to all of societal disfunction is love. The answer is not a commandment to like God and others because one only likes others because of likeness. Rather, love is a choice. A choice to love what you don't like. A choice to love what you don't understand. A choice to love until the God you love sets everything right in eternity. *Getting the Love You Want: A Guide for Couples: Second Edition* Harville Hendrix, Ph.D., 2007-12-26 REVISED AND WITH A NEW FOREWORD ARE YOU GETTING THE LOVE YOU WANT Originally published in 1988, *Getting the Love You Want* has helped millions of couples attain more loving, supportive, and deeply satisfying relationships.
