Second To None The Roberto Alomar Story:

Second to None Stephen Brunt,1993 *Roberto Alomar* David Ostrowsky,2024-02-06 A captivating look into the remarkable career and controversial life of a baseball Hall of Famer Roberto Alomar was not just a five tool Hall of Famer he was a magician on the diamond a generational talent whose defensive wizardry left teammates and opponents breathless Yet despite his twelve All Star selections and ten Gold Glove awards he has remained one of the most contentious and enigmatic characters in baseball s history Roberto Alomar The Complicated Life and Legacy of a Baseball Hall of Famer is the first complete balanced biography of arguably the greatest second baseman in the history of Major League Baseball It covers Alomar s impressive career his altercation with umpire John Hirschbeck and their eventual friendship the allegations stemming from Alomar s personal life never before heard stories about his conflicts with both minor and major league teammates and his global influence When Roberto Alomar retired in 2005 his place as one of baseball s all time greats was unquestioned But the controversies that always seem to follow him make Alomar s legacy far from clear Drawing on dozens of personal interviews with Alomar s former teammates and opponents Roberto Alomar pulls back the curtain on one of the most significant divisive and perplexing figures in baseball history **Roberto Alomar** Stew Thornley,1999 Roberto Alomar second baseman for the Baltimore Orioles has had an illustrious professional baseball career Having grown up around baseball all his life Alomar s family and professional life have always gone hand in hand Author Stew Thornley explores Alomar s talents on the ball field as well as his relationship with his father Sandy Alomar Sr and his brother Sandy Jr Presently Sandy Jr plays for the Cleveland Indians while Sandy Sr a former major league player and manager manages a Puerto Rican baseball team For the Alomars baseball is truly a family affair Tales from the Toronto Blue Jays Dugout Jim Prime,2017-04-18 From the club s inception in the late 70s to winning the division for the first time in the 80s Joe Carter s epic home run the two World Series titles in the early 90s the reign of Roy Halladay Josh Donaldson s MVP season and everything in between the Blue Jays have continued to build a storied history as one of baseball s most exciting teams In Tales from the Toronto Blue Jays Dugout Jim Prime captures all of the best moments in Blue Jays history from the most thrilling to the most humorous and so much more Stories of players and coaches from both on and off the field can be found here including tales of All Stars Dave Stieb and Carlos Delgado Hall of Famers Dave Winfield Rickey Henderson and Roberto Alomar and many more memorable Blue Jays past and present It s all here in the latest addition to the Tales From series the perfect gift for any fan of the only current Major League Baseball team playing in Canada **Searching for Bobby Orr** Stephen Brunt,2010-05-28 The book that hockey fans have been waiting for the definitive unauthorized account of the man many say was the greatest player the game has ever seen The legend of Bobby Orr is one of the most enduring in sport Even those who have never played the game of hockey know that the myth surrounding Canada s great pastime originates in places like Bobby Orr s Parry Sound In the glory years of the Original Six an era when the majority of NHLers were Canadian

hockey players seemed to emerge fully formed from our frozen rivers and backyard rinks to have found the source of their genius somehow in the landscape Like Mozart they just appeared Howie Morenz Gordie Howe Maurice Richard and Bobby Orr spun out of the elements prodigies geniuses originals to stoke the fantasy of a nation united around a puck Bobby Orr redefined the defensive style of hockey there was nothing like it before him He was the first to infuse the defenseman position with offensive juice driving up the ice setting up players and scoring some goals of his own He was the first player to win three straight MVP awards the first defenseman to score twenty or more goals in a season His most famous goal won the Boston Bruins the Stanley Cup in 1970 for the first time in twenty nine years against the St Louis Blues in overtime But history will also remember Bobby Orr as a key figure in the Alan Eagleson scandal and as the unfortunate player forced into early retirement in 1978 because of his injuries His is a story of dramatic highs and lows In Searching for Bobby Orr Canada's foremost sportswriter gives us a compelling and graceful look at the life and times of Bobby Orr that is also a revealing portrait of a game and a country in transition So Bobby Orr could skate he could stickhandle he could fight when he had to He could shoot without looking at the net without tipping a goaltender as to what was coming His slapshot came without a big windup and was deadly accurate Skating backwards defending he was all but unbeatable one on one He could poke check the puck away or muscle a forward into the boards In front of his own net stronger on his feet than his skinny frame would suggest he wouldn't be moved But there was more from Searching for Bobby Orr
