Women's Position in Hindu Tradition and The Novels of Shashi Deshpande** Eliana Briel, 2017-09-20 Master's Thesis from the year 2014 in the subject Didactics for the subject English Literature Works grade 1 0 University of Tübingen Englisches Seminar language English abstract The South Asian country of India immediately evokes an array of preconceptions in the Western mind be it the land of Mahatma Gandhi and Rabindranath Tagore of extreme poverty and extreme wealth of colours fragrances and spices of the holy cow and its connected cultural and spiritual richness or of Bollywood Nowadays however the media focuses more and more on one issue India's ill treatment of women This master's thesis by the title of *Struggling to Find a Voice* will be composed of two major pillars women's position in Hindu tradition and the study of two novels of Shashi Deshpande The first part will focus on the changing role of Hindu women throughout Indian history from its beginnings in the Vedic times until today The paper intends to address the most important stages in what could be called a rollercoaster of prohibitions submission and rights from a quasi equal position in ancient India to a slave like existence in the Middle Ages a dawn of hope during the British Raj and the post Independence period up until recent events and struggles As Deshpande's protagonists Saru and Jaya both belong to the Hindu middle class the historical overview will concentrate first and foremost on Hindu women The insights gained in the first part will then provide the backbone for the analysis of the novels to follow The second part will be an in depth analysis of Shashi Deshpande's novels *The Dark Holds No Terrors* 1980 and *That Long Silence* 1988 Both of the two novels protagonists Saru and Jaya form part of the educated Indian middle class and are because of their sex caught between the traditional orthodox image of a Hindu housewife and the modern Western concepts of emancipation and equality The paper intends to examine how they struggle to come to terms with this fragmentation of their selves and how they find a balance between their traditional roles as a housewife and mother and their own modern expectations The relationship of being silent to

oppressing one's own identity will be looked at more closely as well as the factors which help them to raise their voices in the end. Finally the conclusion will not only summarise the findings but also link the first part of this Masterarbeit with the second part under the heading *Struggling to Find a Voice* *Abortion Survivors Break Their Silence* Melissa Ohden, 2024-01-09. How many survivors will it take for us to see the life behind the abortion? Today's culture would have us believe that abortion is simply a choice, a right, a controversial argument and a religious and political issue of pro-life vs pro-choice. It has become easy to think of the unborn as disposable products of conception, medical waste. But all of that changes when that product of conception defies the odds and arrives into this world as a living, breathing human being. In *Abortion Survivors Break Their Silence* we hear the true stories of abortion survivors whose resilience and courage humanize this discussion of choice and life emerging from the womb. They are flesh and blood people who, against all odds, survived abortion attempts and have dramatic, touching stories of their own. These stories often begin in shame and secret but emerge to become inspiring dramas of hope, love, and forgiveness. This book includes stories of ten abortion survivors. A compassionate look into the pressures many women feel to abort. Accounts of medical personnel who worked in the abortion industry. *Abortion Survivors Break Their Silence* stirs the heart, challenges readers, and humanizes the sanctity of life in concrete and transformational ways. **Falkner Lyle; Or, The Story of Two Wives** Mark Lemon, 1866 *Catalogue and Classified List* Warder Public Library, 1882 **Women Who Wrestled with God** Irmtraud Fischer, 2017-05-05. Israel's story as a people of God is a tale of women, men, and their children. Moving past a patriarchal reading of the Bible, Fischer presents a new interpretation of neglected biblical narratives. From a gender-balanced perspective, she reveals the political dimension and narrative continuation of ancestral stories in the Book of Ruth. *Women Who Wrestled with God* demonstrates the significance of women in religious history in a way that will inspire as well as inform. Chapters are: The Fathers and the Beginnings of the People; An Introduction to Israel's Ancestors: Sarah, Hagar, and Abraham; Scenes From a Marriage Under the Promise; Rebecca: A Strong Woman With a Colorless Husband; Rachel and Leah: The Founders of the House of Israel; Dark Sides of the Family Chronicle; Subversive Women at the Beginnings of the People in Egypt; Naomi and Ruth: The Unconventional Women; Ancestors of the Royal House of David; and Women Who Wrestled with God. Irmtraud Fischer is professor of Old Testament and women's studies theology at the University of Bonn, as well as chair of Old Testament studies at the University of Graz, Austria. President of the European Society for Women's Research in Theology, Fischer was given the 2003 Bad Herrenalber Akademie Preis. *Silence and Psychology in Claude Vincendon's Golden Silence (Durrell Studies 9)* Richard Pine, 2023-10-16. The distinguished French Alexandrian novelist Claude Vincendon died in 1967, leaving unpublished her *Golden Silence* 1964, the typescript of which was recently discovered. The book focusses on the life of a mute girl who has been cursed by the Evil Eye and her life in her native Alexandria, in England and Australia. The text has been edited with commentaries by Sibylle Vincendon, the author's niece, Richard Pine, and David Green. The exploratory essays contained in the

present book address Claude Vincendon's life the background to her aristocratic family in Alexandria her marriage to Irishman Tim Forde and their life together in Ireland Australia and Israel Claude's second marriage to Lawrence Durrell and their working life together in Cyprus and France the inter connection between their literary works Claude's first three novels published in the 1960s by Faber and Faber the social and political conditions in post war Egypt Britain and Australia the construction of *Golden Silence* and the psychological character of silence itself the phenomenon of the Evil Eye and the concept of Nemesis which permeates *Golden Silence* **Silence in the Quagmire** Harriet E. H. Earle, 2025-05 In *Silence in the Quagmire* Harriet E H Earle uses silence to construct a narrative of the Vietnam War via U S comics Unlike the vast majority of cultural artifacts and scholarly works about the war which typically focus on white working class American servicemen and their experiences of combat Earle's work centers less visible players the Vietnamese on both sides of the conflict women and girls and returning veterans Earle interrogates the ways this conflict is represented in American comic books with special focus on these missing groups She discusses how and more critically why these groups are represented as they are if they're represented at all and the ways these representations have affected views of the war during and since Using Michel Foucault's understanding of silence as discourse Earle considers how both silence and silencing are mobilized in the creation of the U S centric war narrative Innovative in its structure and theoretical scaffolding *Silence in the Quagmire* deepens our understanding of how comic books have represented the violence and trauma of conflict
