## **Second Family Reckoning With Adolescent Power:**

*Mom, everyone else does!* Sharon Hersh, 2010-08-11 Help Your Daughter Resist Peer Pressure Even When You're Not Around A national survey in 2001 indicated that in the U.S. one fourth of the high school seniors have problems with drugs and alcohol nearly two thirds of teenagers experiment with drugs before finishing high school and fifty six percent of seventeen year olds know at least one drug dealer at school Studies also indicate that when a girl chooses to use substances peer pressure is the biggest reason why Many parents believe the best they can do is to teach their daughters right from wrong and hope for the best But there is more that you can do Because while peer pressure may be the biggest influence for girls who choose to use substances parental involvement is the single most important factor for those who decide not to The dangers of substance abuse can actually bring you and your daughter closer Whether you want to help your daughter resist the overwhelming pressures to drink smoke and use drugs have discovered or suspect that your daughter may be using substances or want to help her develop a strong and positive identity in response to negative peer pressure this book shows how the lure of today's teen party culture puts you in your most powerful position ever to connect with and influence your daughter

*The Second Family* Ron Taffel, Melinda Blau, 2001-03-07 If you have a teen or pre-teen you recognize the phenomenon already perhaps without even knowing it has a name The second family as uncompromisingly described by renowned therapist Dr. Ron Taffel is the immense collective power of the peer group and pop culture a force so pervasive it

threatens to and often succeeds in overwhelming the first family of adults at home and in school Derived from thousands of interviews with kids and adults The Second Family uses real life sometimes graphic examples to bare the truth about the world of adolescence today and to illuminate the new set of rules by which kids operate The second family can be scary to adults While many parents bury their heads insisting not my child Taffel reveals that even good children Chronically lie without a trace of guilt Have sex at astonishingly early ages Do drugs and alcohol not to be bad but simply because they are there Yet there are healthy aspects to the second family that often go unrecognized A secret moral code of peer support that will surprise you Boys and girls as best friends Boys taking care of friends in emotional need Girls becoming powerful group leaders A social structure for teens that provides a type of intimacy support communication and honesty he or she can t find anywhere else It is impossible to understand today s teens or preteens without understanding the Second Family Taffel opens a window into a closed world of frightening dangers and equally uplifting possibilities **American Book Publishing**
