American life in the Reconstruction and Jim Crow South Best known for his crusade against lynching in the 1880s Mitchell was also involved in a number of civil rights crusades that seem more contemporary to the 1950s and 1960s than the turn of that century He led a boycott against segregated streetcars in 1904 and fought residential segregation in Richmond in 1911 His political career included eight years on the Richmond city council which ended with disenfranchisement in 1896 As Jim Crow strengthened its hold on the South Mitchell like many African American leaders turned to creating strong financial institutions within the black community He became a bank president and urged Planet readers to comport themselves as gentlemen but a year after he ran for governor in 1921 Mitchell's fortunes suffered a drastic reversal His bank failed and he was convicted of fraud and sentenced to three years in the state penitentiary The conviction was overturned on technicalities but the so called reforms that allowed state regulation of black businesses had done their worst and Mitchell died in poverty and some disgrace Basing her portrait on thorough primary research conducted over several decades Ann Field Alexander brings Mitchell to life in all his complexity and contradiction a combative resilient figure of protest and accommodation who epitomizes the African American experience in the late nineteenth and early twentieth centuries **Index to Philippine**
