She emphasizes Georg Simmel's thesis that sociality and subjectivity are impossible without secrecy and Erving Goffman's claim that sociality can be understood in terms of performativity the presentation of the self in everyday life and his revelation that performance always involves disguise hence secrecy May s study offers convincing evidence that secrecy and duplicity in contrast to the Victorian period's emphasis on honesty and earnestness emerged in response to the social pressures of class gender monarchy and empire and were key factors in producing both the subjectivity and the sociality that we now recognize as Victorian Case of the Bleus: A Cheese Shop Mystery Korina Moss, 2023-09-26 What in the bleu blazes is happening in Yarrow Glen now An Agatha Nominee for Best Contemporary Mystery Novel Cheesemongers from across the Northwest have come to the Sonoma Valley for the Northwest Cheese Invitational As owner of the local cheese shop Curds Whey Willa Bauer loves it The event showcases custom cheese creations and it s the perfect time to gather with old colleagues to honor her former boss the late and grate cheese legend Max Dumas He was famous for journeying into the wild bleu yonder to where he aged his award winning custom Church Bleu Only Max knew the recipe and location to his beloved cheese and many are eager to have these revealed at his will reading But instead of naming someone to inherit his cheese and its secrets Max stuns everyone with one cryptic clue When a fellow cheesemonger dies under mysterious circumstances the woman they all thought would get the secrets to Max s prized possession everyone falls under suspicion Willa adores Church Bleu as much as the next cheese connoisseur but it s not to die for Is a killer trying to get away with murder and the cheese The **Essential Mystery Lists** Roger M Sobin, 2011-09-30 For the first time in one place Roger M Sobin has compiled a list of nominees and award winners of virtually every mystery award ever presented He has also included many of the best of lists
