In the Secret of His

Presence George Halley Knight,2019-01-13 APART from strictly devotional books a large proportion of the practical Christian literature of the day concerns itself rather with the outer manifestations of the Christian life than with its inner experiences The Christian as he moves among men is in view rather than the Christian as he is alone with God Books of this class are invaluable helps to Christian living and can hardly be multiplied too much But along with these there may be some room for books of another class books dealing specially with the inner soul experiences which vitalise the life that is seen This volume is meant to be of such a kind to set forth in some degree the sacred privilege of secret fellowship with God and to urge the need of making that intercourse with Him more frequent and more prolonged If it helps any reader of it to realise more fully the joy to be found in the secret place of meditation and prayer its purpose will be fulfilled

away from their daily angsts to a place within where their soul can begin to heal All this plus the underlying spirituality that first gave birth to it all Fantasy Fiction Frances Sinclair,2008 Handbook of fantasy fiction for teachers librarians parents and guardians and children themselves in which to find many titles of fantasy fiction that they like or may be tempted to read Includes groups such as classic fantasy comic fantasy Arthurian dark fantasy animals and dragons *The Prayer-Meeting and Its Improvement* Lewis O. Thompson,2022-02-01 Prayer meetings are no longer held at many churches and sparsely attended at others and when held are often dry and uninteresting Why Lack of clear biblical leadership has largely been the fault It is hardly possible to over estimate the value of the prayer meeting as it stands related to the life and usefulness of the Church of Christ In fact no other service can be compared with this in importance for without a live prayer meeting the church will be spiritually cold the Sabbath services will be formal or in some cases too informal and the children will be fed with husks instead of provisions from the Master s table In this book Lewis Thompson beautifully and clearly offers solutions to the age old complaints about prayer meetings No more must prayer meetings be given a backseat in the list of priorities in churches today In the chapters of this book Thompson addresses topics such as The Importance of Prayer Meetings How to Make Prayer Meetings Interesting Helps to Speaking in Public Songs and Singing How to Secure Prayer Meeting Attendance The Need for Preparation Topics and Illustrations Bible Readings How to Keep the Prayer Meetings Hot and more
