E. I. Falconar, 1991 Many Sufi books are written by academics from a technical standpoint this one however is different It is written by a mystic who has been inspired since a boy by his love of poetry which has made his life a search for beauty this search culminating in his long study of Sufi Mysticism considered by him to be the acme of all mystic poetry This book has in it many inspiring passages both poetry and prose Short biographies are included with examples of the work of the main Sufi Mystics as well as brief commentaries for the reader who will also gain on overall knowledge of Sufi Literature **The Moslem World**, 1926 *Biographical Encyclopaedia of Sufis* N. Hanif, 2002 **Moslem World**, 1927 Yusuf's Fragrance Mahmud Gaami; tr. Mufti Mudasir, 2022-12-05 It can be said of the 19th century Kashmiri poet Mahmud Ga mi that he was a pioneer in introducing the Persian genres of the ghazal nazm masnavi and na t into Kashmiri Mahmud Gami s contribution to Kashmiri poetry is unique in both scope and depth Not only is he the first truly prolific poet who has written entirely in the Kashmiri language but much of his poetry also stands out for its beauty of expression and depth of thought such as in the lyrical romance of Shireen Khusrau Yusuf Zulaikha and Layla Majnun Yusuf s *Fragrance* is both a celebration as well as an homage to Gami s oeuvre Through these beautiful verses we explore themes of love both physical and metaphysical philosophy folklore and tradition through different narrative devices such as nazms masnavis and vatsuns **Reliving Karbala** Syed Akbar Hyder, 2008-09-01 In 680 C E a small band of the Prophet Muhammads family and their followers led by his grandson Husain rose up in a rebellion against the ruling caliph Yazid The family and its supporters hopelessly outnumbered were massacred at Karbala in modern day Iraq The story of Karbala is the cornerstone of institutionalized devotion and mourning for millions of Shii Muslims Apart from its appeal to the Shii community invocations of Karbala have also come to govern mystical and reformist discourses in the larger Muslim world Indeed Karbala even serves as the archetypal resistance and devotional symbol for many non Muslims Until now though little scholarly attention has been given to the widespread and varied employment of the Karbala event In *Reliving Karbala* Syed Akbar Hyder examines the myriad ways that the Karbala symbol has provided inspiration in South Asia home to the worlds largest Muslim population Rather than a unified reading of Islam Hyder reveals multiple sometimes conflicting understandings of the meaning of Islamic religious symbols like Karbala He ventures beyond traditional scriptural interpretations to discuss the ways in which millions of very human adherents express and practice their beliefs By using a panoramic array of sources including musical performances interviews nationalist drama and other literary forms Hyder traces the evolution of this story from its earliest historical origins to the beginning of the twenty first century Today Karbala serves as a celebration of martyrdom a source of personal and communal identity and even a tool for political protest and struggle Hyder explores how issues related to gender genre popular culture class and

migrancy bear on the cultivation of religious symbols He assesses the manner in which religious language and identities are negotiated across contexts and continents At a time when words like martyrdom jihad and Shiism are being used and misused for political reasons this book provides much needed scholarly redress Through his multifaceted examination of this seminal event in Islamic history Hyder offers an original complex and nuanced view of religious symbols An Account of the Khoja Sunnat Jamat, Bombay Khoja Sunnat Jamat, Bombay,1969 **The Islamic Review** ,1971 **Encyclopaedia of Sufism: Early Sufi literature** Masood Ali Khan,S. Ram,2003 In Search of Oneness Moosa Raza,2012-09-15 This free flowing narrative illuminates the journey of the author a devout Muslim through sacred books and holy men of all religions starting with his own in search of a personal god and faith and his coming upon the Bhagavad G t Examining commentaries on this text from Sankara to Abdur Rahman Chishti alongside some renderings of the Quran here Moosa Raza finds many common threads summoning God through s dhan or dhikr reaching God through daan or giving and the service of the destitute and seeking ecstasy through self mastery detachment and surrender These original observations are complemented by his encounters with people practising these values like his ailing school teacher who felt God was always behind him or his friend a senior civil servant who trusting in Allah s providence kept an open home for the poor and the homeless Through these experiences and his own striving Raza celebrates the oneness and power of faith and spirituality showing a path for other seekers Madhumalati Simon Manjhan,2000 The mystical romance Madhumalati tells the story of a prince Manohar and his love for the beautiful princess Madhumalati When they are separated they have to endure suffering adventure and transformation before they can be reunited and experience true happiness A delightful love story the poem is also rich in mystical symbolism and the story of the two lovers represents the stages on the spiritual path to enlightenment Madhumalati was written in the sixteenth century and it is an outstanding example of Sufi literature in the Indian Islamic tradition Originally written in a dialect of Eastern Hindi it is here translated for the first time into English verse with an introduction and notes that explain the poem s religious significance **ADAKAH REINKARNASI** dr.
