The Secret Science Behind Miracles Max Freedom,2024-05-21 This edition is unique The translation is completely original and was carried out for the Ale Mar SAS All rights reserved The Secret Science Behind Miracles is a book by New Age author Max Freedom Long first published in 1948 Purported to be a book about the religious beliefs and practices of the ancient Hawaiian kahunas Long apparently never spoke to any of the ceremonial people whilst he was working in Hawaii as a teacher After leaving the country convinced that he would never learn these secrets he woke one day with a revelation that the secrets were encoded into the Hawaiian language itself He called the religious system he developed from this revelation Huna the Hawaiian word for secret and wrote his first book in 1936 to chronicle his beliefs However it is worth noting that contemporary scholars consider the system to be his invention designed through a mixture of a variety of spiritual practices from various cultures with roots in New Thought and Theosophy rather than in traditional Hawaiian beliefs

The Secret of Instant Healing Dominic Alexander,2023-01-14 Man has a hidden power that allows him to accomplish more and better things Just as the mountain towers over the plain there is a greater Self within man that transcends the finite self of the sense man This small book aims to assist men and women in discovering their wondrous Self which is their real self and when discovered reveals that they are literally and truly sons and daughters of God and the Most High It also aims to help them build character and express their inner powers of mind and spirit in a way that is wise and in harmony with universal law Under no circumstances can we avoid the discipline of life There is no way to trick fate and there is no way to get around the vast cosmic plan Each life must go through its own struggles each soul must cross its own treacherous seas and each heart must feel sorrow and grief However someone who has discovered the great secret of their identity with the Universal life and power lives in an impregnable city that is built upon and into the Rock of Truth and is immune to the effects of life s storms This work teaches the reader how to avoid making his life more difficult than it needs to be even though it does not falsely promise an easy life because if this were possible it would be the worst of disasters Instead it seeks to show how to become so strong that life seems almost easy by comparison the life or fate does not change or become easier but the individual changes and becomes stronger If people approached life with the right attitude and behaved in accordance with Universal Law most people s lives would be less troubled and painful It is hoped that this small book will assist many people in finding the Greater Self within whose realization brings with it a realization of absolute security in expressing and using their inner spiritual and mental

forces and in doing so entering a life of almost limitless power This will hopefully prevent much unnecessary suffering
