Language of Tarot Wald Amberstone, Ruth Ann Amberstone, 2008-04-01 Secret Language of Tarot sets itself apart from other tarot books by teaching readers how to translate the pictorial symbolism from one deck to another strengthening the reader's ability to recognize specific icons in any deck and in the world around them The Secret Language of Tarot can be used as both a reference book and as a series of guided meditations on the individual symbols Each of the seven chapters contain a set of symbols that share a common theme Extensive research provides readers with the lore and mythological meanings of the symbols to help foster intuitive powers The explanation of imagery is both insightful and eclectic When read from beginning to end The Secret Language of Tarot reveals a hidden current of understanding and connection between the individual cards of the deck Each chapter ends with an Integration Lesson and a special Symbol Spread to deepen the understanding of the cards The Secret Language of Tarot brings imagery and intuition into a course of study of the tarot It is a must have for any serious tarot reader that is written in accessible language for the novice as well *Secrets of the Lost Symbol* John Michael Greer, 2010-09-08 Secrets of the Lost Symbol is an essential resource for Dan Brown fans who want to know the facts behind the fiction From Abramelin the Mage to the Zohar this encyclopedic unofficial companion guide to The Lost Symbol uncovers the forgotten histories of arcane traditions that have shaped and still inhabit our modern world Discover the truth about Freemasonry a major theme in Brown's best selling novel including its rituals temples and infamous members such as the legendary Albert Pike Get the real story behind the Rosicrucians the Temple of Solomon and ancient occult rites **The Seeker's Guide to The Secret Teachings of All Ages** Mitch Horowitz, 2020-09-30 A KEY TO THE MYSTERIES No other book in history has done more to clarify the Esoteric mystical and occult traditions of the world than Manly P Hall's The Secret Teachings of All Ages Now historian Mitch Horowitz provides the first companion work to Hall's opus The Secret Teachings of All Ages helps twenty first century readers enter and experience or re experience Hall's hallowed pages and also clarifies and expands on some of the book's key themes and topics Mitch explores developments and historical discoveries since Hall published his Great Book nearly a century ago and adds fresh dimensions to subjects including The antiquity and legacy of Ancient Egypt The mystical origins of the world's major faiths Strange beasts and anomalies in history and today The origins and esotericism of Tarot Secret Societies in Myth and Fact The enduring relevance of astrology Authorized by Manly P Hall's Philosophical Research Society The Secret Teachings of All Ages is a feast of esoteric exploration on its own and a worthy companion to history's unparalleled encyclopedia arcana Mitch is a fantastic tour guide to the fringes of reason high weirdness deep esoterica secret societies and mystery religions BoingBoing Has the rare gift of making the esoteric accessible to discerning masses HuffPost **The Secret Teachings of All Ages** Manly Palmer Hall, 2020-09-28 NUMEROUS volumes have been written as commentaries upon the secret systems of philosophy existing in the ancient world but the ageless truths of life like many of the earth's greatest thinkers have usually been clothed in shabby garments The present work is an attempt to supply a tome worthy of those seers and sages whose

thoughts are the substance of its pages To bring about this coalescence of Beauty and Truth has proved most costly but I believe that the result will produce an effect upon the mind of the reader which will more than justify the expenditure Work upon the text of this volume was begun the first day of January 1926 and has continued almost uninterruptedly for over two years The greater part of the research work however was carried on prior to the writing of the manuscript The collection of reference material was begun in 1921 and three years later the plans for the book took definite form For the sake of clarity all footnotes were eliminated the various quotations and references to other authors being embodied in the text in their logical order The bibliography is appended primarily to assist those interested in selecting for future study the most authoritative and important items dealing with philosophy and symbolism To make readily accessible the abstruse information contained in the book an elaborate topical cross index is included I make no claim for either the infallibility or the originality of any statement herein contained I have studied the fragmentary writings of the ancients sufficiently to realize that dogmatic utterances concerning their tenets are worse than foolhardy Traditionalism is the curse of modern philosophy particularly that of the European schools While many of the statements contained in this treatise may appear at first wildly fantastic I have sincerely endeavored to refrain from haphazard metaphysical speculation presenting the material as far as possible in the spirit rather than the letter of the original authors By assuming responsibility only for the mistakes which may appear herein I hope to escape the accusation of plagiarism which has been directed against nearly every writer on the subject of mystical philosophy Having no particular ism of my own to promulgate I have not attempted to twist the original writings to substantiate preconceived notions nor have I distorted doctrines in any effort to reconcile the irreconcilable differences present in the various systems of religio philosophic thought The entire theory of the book is diametrically opposed to the modern method of thinking for it is concerned with subjects openly ridiculed by the sophists of the twentieth century Its true purpose is to introduce the mind of the reader to a hypothesis of living wholly beyond the pale of materialistic theology philosophy or science The mass of abstruse material between its covers is not susceptible to perfect organization but so far as possible related topics have been grouped together
