Christina Vella,2006-01-20 On a hot summer day in Italy in 1902 the brutally stabbed body of Count Francesco Bonmartini was discovered by means of its decomposing stench inside his locked apartment He was a typical Italian provincial aristocrat in all but one way he had married into a prominent but deeply troubled family His father in law was one of the nation s most famous doctors His wife Linda a young freethinker was the apple of her father s eye Linda s brother dabbled in anarchism Linda s lover was her father s top assistant Her relations with them were illicit incestuous and murderous The scandal that erupted was a top news story in Europe and America for three consecutive years Investigators uncovered successive layers of a conspiracy that constantly twisted and changed its shape The suspects included all these men as well as their servants and lovers There was a diverse array of murder weapons including knives heavy pellets and poison There were rumors of missing accomplices Intimate relations among many suspects were uncovered through sensational letters and testimonials Witnesses died mysteriously A suspect tried to kill himself One question lingered throughout and still haunts researchers today what role did Bonmartini s widow Linda known as The Enchantress play Was she the spider at the center of the vast web or did the plot originate with the key men who loved her so desperately Scholar and writer Christina Vella combines meticulous research with a novelist s eye for a great story As she unspools the tight tense drama she offers a fascinating picture of Italian society in the early 20th century with a historian s insights into life at both the top and the bottom From sexual dysfunctions to prison conditions to the patronage systems that permeated medicine law and politics the Bonmartini murder provides a window into a rich world The result is an unforgettable story and an invaluable introduction to an Italy that is still recognizable today **THE INVENTION OF HUGO CABRET** NARAYAN CHANGDER,2023-11-24 If you need a free PDF

had been murdered At precisely nine fifteen on the evening in question Brennan had been conducting a financial presentation to the board of directors of Meridian Industries a presentation that had been recorded on video and witnessed by twelve individuals of unquestioned credibility The presentation had lasted until ten thirty providing Brennan with documentation of his whereabouts that would satisfy even the most skeptical prosecutor     Obsession 3 Treasure Hernandez,2015-03-01 Imagine a girl so in love that she s willing to serve time in jail for her man Now meet Secret Miller eighteen and pregnant being hauled off to jail while her boyfriend Lucky looks the other way The dope the police found in the car is Lucky s but since it s Secret s car and she s the one driving the police throw her in cuffs Not only does Lucky not speak up for his girl but he has his side chick come and pick him up from the scene while Secret sits watching in the back of a police car Imagine a girl so obsessed with revenge that she s willing to spend the rest of her life in jail after paying back her man for his disloyalty Now walk with Secret Miller and a boatload of other broads who have been burned by Lucky They want to see him pay for the hurt and pain he s caused in their lives In Obsessed 3 everything comes full circle as Lucky tries to maneuver through a maze of some down ass chicks and those chicks who just want to take him down     Marcia Muller and the Female Private Eye Alexander N.
