Secret Orchard of Roger Ackerley Diana Petre, 1993-06 This book discusses not only the fictional myths fairy tales folk tales but also the sagas and legends which have some historical basis These myths are as important as their history for us to understand their beliefs Queer Domesticities M. Cook, 2014-04-29 Sissy home boys or domestic outlaws Through a series

of vivid case studies taken from across the late nineteenth and twentieth centuries Matt Cook explores the emergence of these trenchant stereotypes and looks at how they play out in the home and family lives of queer men *Family Secrets*

Deborah Cohen, 2017 What did families hide in the past and why By delving into the familial dynamics of shame and guilt *Family Secrets* investigates the part that families so often regarded as the agents of repression have played in the

transformation of social mores from the Victorian era to the present day **The Long Sexual Revolution** Hera

Cook, 2004-02-05 In this book Hera Cook traces the path of sexuality in England and shows how its route was determined by the gradual exertion of control over fertility Most sexual activity had major economic and social costs the most fundamental of which was the physical cost of children upon women s bodies Around 1800 birth rates reached historical heights Using a combination of demographic and qualitative sources Dr Cook examines the connection between the struggle to lower fertility and the increasing repression of sexuality throughout the nineteenth century Contraception became a viable option in the early twentieth century The book charts the resulting slow relaxation of attitudes to sexuality and the remaking of

heterosexual physical behaviour culminating in the sexual revolution of the 1960s Marginal Men Piers Gray, 1991-06-18 In prose and poetry the selections contained here reveal the personal experiences feelings and angst of three English writers who lived through World War I

Family Affairs Mary Abbott, 2003-09-02 The decades between the close of World War I and the end of the Thatcher era have changed and challenged family life in England dramatically The Depression and World War II shifted priorities and behaviour as did the Welfare State the Pill and Women s Lib later on What threatened a family s respectability in the 1920s is often commonplace today abortion contraception the single parent family or gay relationships *Family Affairs* explores the secret life of English families from 1920 to 1990 Mary Abbott takes the reader into her subjects homes and hearts and provokes readers to reflect on families past and speculate on families future A product of intense original research of primary and secondary sources this volume is a useful contribution to the history of the family

Marketing - The Retro Revolution Stephen Brown, 2001-08-21 The rise of retro has led many to conclude that it represents the end of marketing that it is indicative of inertia ossification and the waning of creativity Marketing The Retro Revolution explains why the opposite is the case demonstrating that retro orientation is a harbinger of change and a revolution in marketing thinking In his engaging and lively style Stephen Brown shows that the implications of today s retro revolution are much more profound than the existing literature suggests He argues that just as retro marketing practitioners

are looking to the past for inspiration so too students consultants and academics should seek to do likewise [Flick of the Fingers](#) Michael Burns,2015-01-03 Thanks to his discovery of a collection of scrapbooks and memorabilia writer and filmmaker Michael Burns is able to relate for the first time the remarkable story of Surrey and England cricketer Jack Crawford A schoolboy prodigy who took Edwardian cricket by storm the amateur all rounder became Surrey s youngest ever centurion and at 19 years and 32 days England s youngest Test player However a row over captaining a weakened team against the Australians led to a spectacular fallout and a life ban by his county Emigration to Australia ensued where Crawford established himself as one of the world s great all rounders yet controversy dogged him on and off the pitch Having married and deserted an Adelaide teenage beauty Crawford then dodged involvement in World War I He returned to England to divorce remarry and fade into middle aged obscurity but not before playing two of the most remarkable innings of his life

by the intensely human drama of secrecy and deception played out for all to see Porter explores the phenomenon in great depth In *Bureau of Missing Persons* he examines a large number of these works eighteen in all placing them in a wide literary and cultural context and considering the ethical quandaries writers face when they reveal secrets so long and closely held Among the books Porter treats are Paul Auster's *The Invention of Solitude* Alison Bechdel's graphic memoir *Fun Home* Essie Mae Washington Williams's *Dear Senator* on her father Strom Thurmond Bliss Broyard's *One Drop* Mary Gordon's *The Shadow Man* and Geoffrey Wolff's *The Duke of Deception* He also discusses Nathaniel Kahn's documentary film *My Architect* These narratives inevitably look inward to the writer as well as outward to the parent The autobiographical children are compelled if not consumed by a desire to know They become detectives piecing together clues to fill memory voids assembling material and archival evidence public and private documents letters photographs and iconic physical objects to track down the parent
