*Against the Tides* Ronald Rudin,2021-11-15 For four centuries dykes held back the largest tides in the world in the Bay of Fundy region of New Brunswick and Nova Scotia These dykes turned salt marsh into arable land and made farming possible but by the 1940s they had fallen into disrepair *Against the Tides* is the never before told story of the Maritime Marshland Rehabilitation Administration MMRA a federal agency created in 1948 to reshape the landscape Although agency engineers often borrowed from long standing dykeland practices they were so convinced of their own expertise that they sometimes disregarded local conditions marginalizing farmers in the process The engineers hubris resulted in tidal dams that compromised some of the region s rivers leaving behind environmental damage This book is a vivid richly detailed account of a distinctive landscape and its occupants revealing the push pull of local and expert knowledge and the role of the state in the postwar era **Boys' Life** ,1975-02 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting

*A Secret World* F. Pietra,2013-12-01 Underwater exploration is a fascinating activity because of the richness of sea life the beautiful colors and the contrast with terrestrial life It can be done by diving or snorkeling today there is fine equipment for diving and taking underwater pictures and apart from being a source of pleasure it forms the basis of modern ecological and behavioral marine studies Diving is an emotional activity The silence of the submarine world only interrupted by breathing has more than once evoked the monsters of the fabulous tales of my youth Maybe because although much time has elapsed since then I still have a youth s ability to evaluate everything for the fascination it conveys However no more than that can be gained from underwater watching I am not saying that this is destined to be a futile exercise Picasso watched sea urchins much in the same way while revealing their quintessence in his paintings at the Castle of Antibes What I mean is that today marine life can also be viewed from the perspective of the natural products involved This knowledge subsequent to Picasso s time adds much to the overall picture **Boys' Life Book of Outdoor Skills** Boy Scouts of America,2012-03-06 A Followup to the
