Handbook of Singapore — Malaysian Corporate Finance Tan Chwee Huat, Kwan Kuen-Chor, 2014-05-20 Handbook of Singapore Malaysian Corporate Finance discusses topics that are relevant to the acquisition of funds by Singaporean and Malaysian corporations. The book is comprised of 19 chapters that cover the domestic sources of corporate funding and various aspects of international finance. The coverage of the text includes financial institutions and markets, exchange rate systems and policies, and the role of Singaporean and Malaysian stock exchanges. The book also deals with the taxation aspects of corporate finance, the futures market, and financing from overseas. The text will be of great use to financial managers, bankers, and professional investors who want to be more aware of the Singaporean and Malaysian corporate finance.

Major Companies of The Far East and Australasia 1993/94 Jennifer L. Carr, 2013-12-01 This book represents the tenth edition of what has become an established reference work. MAJOR COMPANIES OF THE FAR EAST AUSTRALASIA. This volume has been carefully researched and updated since publication of the previous arrangement of the book. The edition provides more company data on the most important companies in the region. The information in this book has been arranged in order to allow the reader to find any entry rapidly and accurately, completely free of charge. Company entries are listed alphabetically. Within each section, the companies listed have been selected on the grounds of their sales volume or balance sheet or their importance to the business environment of the country in which they are based. The alphabetical index to companies throughout South East Asia lists all companies having entries in the book. Irrespective of their main country of operation, any company that considers it eligible for inclusion in the next edition of MAJOR COMPANIES OF THE FAR EAST AUSTRALASIA should write to the publishers. No charge whatsoever is made. South East Asia lists companies by their country of operation for publishing details about a company. The business activity index lists companies by their various.

Financial Management and Corporate Governance from the Feminist Ethics of Care Perspective Desi Adhariani, Nick Sciulli, Robert Clift, 2017-01-06 This book investigates how businesses can adapt their executive and fiscal practices to adopt an ethical, equal opportunity approach. The authors demonstrate how corporations can create sustainable work environments that embrace feminist care ethics and ground their research in a strong theoretical discussion of this relatively new framework. The discussion has a multidisciplinary outlook and explores how the concept of care ethics might be successfully applied to various professional contexts. Later chapters present findings from an empirical case study conducted in Australia and use both qualitative and quantitative methods to analyse the potential power of a feminist care of ethics approach within commercial and corporate management.
