McLaird,2012-11-27 Forget Doris Day singing on the stagecoach Forget Robin Weigert s gritty portrayal on HBO s Deadwood The real Calamity Jane was someone the likes of whom you ve never encountered That is until now This book is a definitive biography of Martha Canary the woman popularly known as Calamity Jane Written by one of today s foremost authorities on this notorious character it is a meticulously researched account of how

an alcoholic prostitute was transformed into a Wild West heroine Always on the move across the northern plains Martha was more camp follower than the scout of legend A mother of two she often found employment as waitress laundress or dance hall girl and was more likely to be wearing a dress than buckskin But she was hard to ignore when she d had a few drinks and she exploited the aura of fame that dime novels created around her even selling her autobiography and photos to tourists Gun toting swearing hard drinking Calamity Jane was all of these to be sure But whatever her flaws or foibles James D McLaird paints a compelling portrait of an unconventional woman who more than once turned the tables on those who sought to condemn or patronize her He also includes dozens of photos many never before seen depicting Jane in her many guises His book is a long awaited biography of Martha Canary and the last word on Calamity Jane *Lone Star 04* Wesley Ellis,1982-10-01 On the dusty plains Jessie and Ki meet their old enemy and a deadly inhuman foe in the fourth Lone Star novel They call them The Lone Star Legend Jessica Starbuck a magnificent woman of the West fighting for justice on America s frontier and Ki the martial arts master sworn to protect her and the code she lived by Together they conquered the West as no other man and woman ever had **Lone Star 01** Wesley Ellis,1982-09-01 The first Lone Star novel from the creators of Longarm When the cartel murdered Jessie Starbuck s father they left behind the seed of their own destruction a young Western beauty with a deep hunger for vengeance Now word has reached Jessie that the conspirators are rustling Starbuck cattle hiring Starbuck ranchers and buying up Starbuck land in a spectacular plot to win control of the West Unless she and her partner Ki the mysterious Japanese martial artist can persuade them to stop Longarm Giant #22 Tabor Evans,2003-05-27 Longarm GIANT novels the biggest and best in Western adventure U S Marshal Custis Long realizes better than anyone how the newspapers play with the truth He knows for a fact that Clay Allison s surly hide was laid under the sod for good But he can t prove it Never exactly an outlaw Allison was inclined to kill people when he drank and he drank a lot But now tales of Clay Allison keep coming along the news wire out of Texas Someone who looks talks dresses and kills like the late shootist is on a murder spree Longarm can t believe that a homicidal drunk has come blazing back to life from out of the grave But he has to look into it especially since a Texas Ranger has been gunned down If it turns out that he was wrong about Allison s demise Longarm will admit it and then correct his mistake **Lone Star 37** Wesley Ellis,1985-09-01 The Apaches are being starved into war and Jessie and Ki are ready to fight in the thirty seventh Lone Star novel They call them The Lone Star Legend Jessica Starbuck a magnificent woman of the West fighting for justice on America s frontier and Ki the martial arts master sworn to protect her and the code she lived by Together they conquered the West as no other man and woman ever had *The Life and Legends of Calamity Jane* Richard W. Etulain,2014-09-15 Everyone knows the name Calamity Jane Scores of dime novels and movie and TV Westerns have portrayed this original Wild West woman as an adventuresome gun toting hellion Although Calamity Jane has probably been written about more than any other woman of the nineteenth century American West fiction and legend have largely obscured the facts of her life This lively concise and

exhaustively researched biography traces the real person from the Missouri farm where she was born in 1856 through the development of her notorious persona as a Wild West heroine Before Calamity Jane became a legend she was Martha Canary orphaned when she was only eleven years old From a young age she traveled fearlessly worked with men smoked chewed tobacco and drank By the time she arrived in the boomtown of Deadwood South Dakota in 1876 she had become Calamity Jane and the real Martha Canary had disappeared under a landslide of purple prose Calamity became a hostess and dancer in Deadwood s saloons and theaters She imbibed heavily and she might have been a prostitute but she had other qualities as well including those of an angel of mercy who ministered to the sick and the down and out Journalists and dime novelists couldn t get enough of either version nor in the following century could filmmakers Sorting through the stories veteran western historian Richard W Etulain s account begins with a biography that offers new information on Calamity s several husbands including one she legally married her two children and a woman who claimed to be the daughter of Wild Bill Hickok and Calamity a story Etulain discredits In the second half of the book Etulain traces the stories that have shaped Calamity Jane s reputation Some Calamity portraits he says suggest that she aspired to a quiet life with a husband and family As the 2004 2006 HBO series Deadwood makes clear well more than a century after her first appearance as a heroine in the Deadwood Dick dime novels Calamity Jane lives on raunchy unabashed contradictory and ambiguous as ever Calamity Jane Richard W. Etulain, 2015-08-25 This exhaustive bibliographical reference will be the first stop for anyone looking for Calamity Jane in print film or photograph and wanting to know how reliable those sources may be Richard W Etulain renowned western U S historian and the author of a recent biography of this charismatic figure enumerates and assesses the most valuable sources on Calamity Jane s life and legend in newspapers magazines journals books and movies as well as historical and government archives Etulain begins with a brief biography of Martha Canary aka Calamity Jane 1856 1903 then analyzes the origins and growth of her legends The sources Etulain shows reveal three versions of Calamity Jane In the most popular one she was a Wild Woman of the Old West who helped push a roaring frontier through its final stages This is the Calamity Jane who fought Indians marched with the military and took on the bad guys Early in her life she also hoped to embody the pioneer woman seeking marriage and a stable family and home A third later version made of Calamity an angel of mercy who reached out to the poor and nursed smallpox victims no one else would help The hyperbolic journalism of the Old West as well as dime novels and the stretchers Calamity herself told in her interviews and autobiography shaped her legends through much of the twentieth century Many of the sensational early accounts of Calamity s life Etulain notes were based on rumor and hearsay In illuminating the role of the Deadwood Dick dime novel series and other pulp fiction in shaping what we know or think we know of the American West Etulain underscores one of his fascinating themes the power of popular culture The product of twenty years labor sifting fact from falsehood or distortion this bibliography and reader s guide includes brief discussions of nearly every item s contents along with a terse entertaining evaluation of its reliability
