Longing For Love:

Longing Love Poems Chanele TheRockStar, TheRockStar Books Etc, Sam Sund, 2013-05-19 poems about a guy loving a girl and not telling her so he spends his days loving her ink and paper **Longing for Love** Justice Saint Rain, 2013-02 The problem with most relationship guides is that they assume that we are rational people and then give us rational advice as to how to attract another rational person But we aren't rational If we were life would be much easier but our behavior doesn't often proceed from our logical minds no matter how much we may want to believe that it does This is book three in the series Love Lust and the Longing for God In the first book of this series The Secret of Emotions I explain that emotions are sensations that tell us about the attributes of God or virtues that we experience in our environment and that love in particular is an attraction to these virtues An understanding of these two ideas especially the second is critical to any attempt to find true love and have healthy relationships The goal of this third book is to expand our ability to recognize and become attracted to virtues so that we fall in love with people who are ready to have healthy nurturing relationships We will take a look at what these ideas look like when applied to finding and building healthy relationships in the real world How does our understanding of the relationship between emotions and virtues help us find healthy people to be friends with How does understanding the difference between love and lust change the way we enter into sexual relationships How do we tell the difference between the sensation of love and all of the other sensations that are generated by relationships How do we maintain healthy relationships once we commit to them How do we avoid temptations that can destroy the relationship we have These are the questions that we will be exploring in this third book If you are unsure of the answers then this book is a good place to start This series can be used by therapists and treatment centers to build a foundation for a wide range of recovery programs **Love and Longing in the American Imagination** Pasquale De Marco, 2025-08-08 In Love and Longing in the American Imagination we embark on a captivating journey through the rich tapestry of American literature exploring the enduring themes of love and longing that have shaped the nation's identity From the earliest Puritan settlers to the modern digital age American writers have delved into the complexities of love and longing in their works reflecting the hopes dreams and struggles of a diverse and ever-changing society This book offers a comprehensive examination of how love and longing have been expressed and interpreted across different eras and genres in American literature We delve into the works of iconic American authors from Nathaniel Hawthorne and Herman Melville to F Scott Fitzgerald and Toni Morrison exploring how they have captured the essence of love and longing in their stories and novels Through the lens of literature we gain a deeper understanding of the American character and the unique challenges and opportunities that have shaped the nation's identity We see how love and longing have inspired writers to create some of the most enduring and beloved works of American literature capturing the nation's spirit and aspirations This book explores the many ways in which love and longing have manifested in American literature We examine how love has been depicted as a source of joy

heartbreak and redemption We also explore the longing for home for a better life and for a more just and equitable society Love and Longing in the American Imagination is an essential read for anyone interested in American literature history or culture It offers a fresh perspective on the nation s literary heritage and provides a deeper understanding of the American experience If you like this book write a review [Longing Love and Coming Home, A Story of True Love and Passion, Erotica Romance Story](#) Ronald Hudkins,2014-08-24 Coming home to Savannah Georgia was not really in Caitlin Riggins immediate plans She was the proverbial student in Oxford and did not want to be in the shadow of her mother again She also did not want to get her hopes up and long for a love that she was not even sure could be reciprocated But it was summer and she figured that she could use a little time off Plus she s leaving again soon anyway But Caitlin figured out that you can never really come home the same way anymore and that life truly is full of surprises Life brings her back the man she once left for a life in rainy Oxford Greg the man she always loved and had no idea loved her back the man she grew up with and the man she always wanted to be with Greg was the one who could make her moan like crazy and take off her clothes in a heartbeat Greg the person whom she left and tried to forget Greg always loved Caitlin but never really got to tell her Or did he [The Implicit Theology of the Lord's Prayer](#) Jan Muis,2021-01-15 The postmodern and secular culture of the West requires a new reflection on God The Implicit Theology of the Lord s Prayer A Biblical and Theological Investigation reflects on God on the basis of an original and central expression of the Christian faith the Lord s Prayer First Jan Muis interprets the divine names central to this prayer in their biblical contexts Next Muis understands the divine attributes implied by these names from the biblical narrative of God s self revealing actions and explains them in a contemporary framework God s Name indicates his particular personal presence and encounter with human beings The holiness of God s Name and the justice of his Kingship are more than just aspects of the love of the Father the Son and the Spirit The Creator is not a human blown large in his companionship with humans he remains the Exalted who lives both within and beyond created temporal reality In the context of a secular age Muis discusses in what sense this God exists **Longing and Letting Go** Holly Hillgardner,2017 Can we love God and others without our desires eclipsing the very beauty integrity and diversity toward which we are drawn that is can we love without trying to possess Spanning centuries continents and religious traditions Longing and Letting Go looks to Christian writer Hadewijch and Hindu songstress Mirabai to explore their inextricable practices of longing and letting go and more particularly the interreligious possibilities of passionate non attachment for an interconnected pluralistic world

Kierkegaard and the Staging of Desire Carl S. Hughes,2014-07-02 Theology in the modern era often assumes that the consummate form of theological discourse is objective prose ignoring or condemning apophatic traditions and the spiritual eros that drives them For too long Kierkegaard has been read along these lines as a progenitor of twentieth century neo orthodoxy and a stern critic of the erotic in all its forms In contrast Hughes argues that Kierkegaard envisions faith fundamentally as a form of infinite insatiable eros He depicts the essential purpose of Kierkegaard s writing as to elicit ever greater spiritual desire not to provide the satisfactions of doctrine or knowledge Hughes s argument revolves around close readings of provocative disparate and in many cases little known Kierkegaardian texts The thread connecting all of these texts is that they each conjure up some sort of performative stage setting which they invite readers to enter By analyzing the theological function of these texts the book sheds new light on the role of the aesthetic in Kierkegaard s authorship his surprising affinity for liturgy and sacrament and his overarching effort to conjoin eros for God with this worldly love

Echoes of Opera in Modern Italian Poetry Mattia Acetoso,2020-06-24 Twentieth century Italian poetry is haunted by countless ghosts and shadows from opera Echoes of

Opera in Modern Italian Poetry reveals their presence and sheds light on their role in shaping that great poetic tradition This is the first work in English to analyze the influence of opera on modern Italian poetry uncovering a fundamental but neglected relationship between the two art forms A group of Italian poets from Gabriele D Annunzio to Giorgio Caproni by way of Umberto Saba and Eugenio Montale made opera a cornerstone of their artistic craft More than an occasional stylistic influence opera is rather analyzed as a fundamental facet of these poets intellectual quest to overcome the expressive limitations of lyrical poetry This book reframes modern Italian poetry in a truly interdisciplinary perspective broadening our understanding of its prominence within the humanities in the twentieth century and beyond **Dying to Self and**

Detachment James Kellenberger, 2016-04-29 Exploring the religious category of dying to self this book aims to resolve contemporary issues that relate to detachment Beginning with an examination of humility in its general notion and as a religious virtue that detachment presupposes Kellenberger draws on a range of ancient medieval modern and contemporary sources that address the main characteristics of detachment including the work of Meister Eckhart St Teresa and Simone Weil as well as writers as varied as Gregory of Nyssa Rabi al Adawiyya Sren Kierkegaard Andrew Newberg John Hick and Keiji Nishitani Kellenberger explores the key issues that arise for detachment including the place of the individual s will in detachment the relationship of detachment to desire to attachment to persons and to self love and self respect and issues of contemporary secular detachment such as inducement via chemicals This book heeds the relevance of the religious virtue of detachment for those living in the twenty first century **Erotic Love in Sociology, Philosophy and Literature** Finn

Bowring, 2019-08-22 Why is love taken for granted as a part of human experience And why is sexual or romantic love in particular so important to us This book aims to find out tracing the intellectual history of sexual love from the ancient Greeks to the modern day Erotic Love in Sociology Philosophy and Literature shows how discourses of love have intersected with social and cultural trends as well as with personal events and experiences Beginning with the queering of love in Greek antiquity it looks at how sexual love has been sung about fictionalized and theorized as a cornerstone of the formation of Western culture From the courtly love of twelfth century troubadours and the rise of affective individualism in the eighteenth century to the way the novel helped catalyze and crystallize the hopes and contradictions of love and marriage these are decisive episodes in the history of romantic love Lastly the book deals with how sociologists and feminist theorists have made sense of the liberalization of sexuality over the last fifty years especially given the post romantic pragmatism of commercialized dating practices Arguing against the over rationalism of intimate life Erotic Love in Sociology Philosophy and Literature recognizes the need to liberate love from patriarchal racist and homophobic prejudices and highlights the value of literary and sociological traditions to emphasize how they dignify the rhapsodies and the sufferings of love *Hymns of the Atharva-Veda* Anonymous, The present volume of translations comprises about one third of the entire material of the Atharva veda in the text of the Saunaka school But it represents the contents and spirit of the fourth Veda in a far greater measure

than is indicated by this numerical statement The twentieth book of the Samhit with the exception of the so called kunt pas ktini hymns 127 136 seems to be a verbatim repetition of mantras contained in the Rig veda being employed in the Vait na s ra at the sastras and stotras of the soma sacrifice it is altogether foreign to the spirit of the original Atharvan The nineteenth book is a late addendum in general very corrupt its omission with the exception of hymns 26 34 35 38 39 53 and 54 does not detract much from the general impression left by the body of the collection The seventeenth book consists of a single hymn of inferior interest Again books XV and XVI the former entirely Brahmanical prose the latter almost entirely so are of doubtful quality and chronology Finally books XIV and XVIII contain respectively the wedding and funeral stanzas of the Atharvan and are largely coincident with corresponding Mantras of the tenth book of the Rig veda they are granted their intrinsic interest not specifically Atharvanic Of the rest of the Atharvan books I XIII there is presented here about one half naturally that half which seemed to the translator the most interesting and characteristic Since not a little of the collection rises scarcely above the level of mere verbiage the process of exclusion has not called for any great degree of abstemiousness These successive acts of exclusion have made it possible to present a fairly complete history of each of the hymns translated The employment of the hymns in the Atharvanic practices is in closer touch with the original purpose of the composition or compilation of the hymns than is true in the case of the other collections of Vedic hymns Many times though by no means at all times the practices connected with a given hymn present the key to the correct interpretation of the hymn itself In any case it is instructive to see what the Atharvan priests did with the hymns of their own school even if we must judge their performances to be secondary I do not consider any translation of the AV at this time as final The most difficult problem hardly as yet ripe for final solution is the original function of many mantras after they have been stripped of certain adaptive modifications imparted to them to meet the immediate purpose of the Atharvavedin Not infrequently a stanza has to be rendered in some measure of harmony with its connection when in fact a more original meaning not at all applicable to its present environment is but scantily covered up by the secondary modifications of the text This garbled tradition of the ancient texts partakes of the character of popular etymology in the course of the transmission of words New meaning is read into the mantras and any little stubbornness on their part is met with modifications of their wording The critic encounters here a very difficult situation searching investigation of the remaining Vedic collections is necessary before a bridge can be built from the more original meaning to the meaning implied and required by the situation in a given Atharvan hymn Needless to say the only correct and useful way to translate a mantra in the Atharvan is to reproduce it with the bent which it has received in the Atharvan The other Vedic collections are by no means free from the same taint The entire Vedic tradition the Rig veda not excepted presents rather the conclusion than the beginning of a long period of literary activity Conventionality of subject matter style form metre betray themselves at every step the earliest books of the RV are not exempt from the same processes of secondary grouping and adaptation of their mantras though these are less frequent and less obvious than is the case in the
