Sharing Possessions Luke Timothy Johnson, 2011-01-24 This book is written as an exercise in theological reflection on one of the knottiest questions imaginable the connection between being a Christian and the way we own and use things When we turn to thinking about money and possessions we find ourselves in murky waters The things we own and use like our sexuality lie close to the bone of our individual and collective sense of identity So writes respected scholar Luke Timothy Johnson in his introduction to *Sharing Possessions* What Faith Demands Stepping purposefully into the murky waters of owning and sharing Johnson endeavors to clarify and define the ambiguous concept of human possession especially in relation to God's divine ownership and to discern the Bible's teaching on the mystery of human possessing and possessiveness This second edition reflecting thirty years of Johnson's further thinking on the subject features chapters expanded with fresh insights helpful new study questions for each chapter and a substantial epilogue updating the work All who found in Luke Johnson's treatment of possessions as part of the mystery of human existence a deeper and more fruitful approach to the problems of wealth and poverty will find in this new edition continued critical reflection and fresh insight Those for whom this is a first encounter will find out what made it worth reissuing after thirty years Sondra Ely Wheeler Wesley Theological Seminary

presents a compelling eyewitness account of Jesus' mission It is written in simple language but consists of a rich profusion of
ideas and themes that challenge the most learned scholars and can overwhelm the understanding of ordinary readers
Surprisingly part of this complexity arises from the observation that the text appears to be rich in chiasmic structures This
literary form is a Jewish style of writing in which a series of ideas or themes is developed and then repeated in reverse order
This pattern may be represented as for example A B C D D C B A When the reader takes cognizance of this literary
convention the multiplicity of ideas falls into a more tractable pattern This book is written by a layman for other ordinary
readers in the hope that it will facilitate understanding of this Gospel in church and home study groups Bible classes and
schools and family and personal devotions *Association Men* ,1894 **Pictorial Review Combined with Delineator**
