Looking For The Worm:

Out of Service Joseph Heywood, 2024-09-17 Just when longtime Michigan conservation officer Grady Service is certain that he's seen it all he learns once again that he hasn't. After so many decades protecting his state's natural resources here he still is undercover yet again not in a case he's developed but dumped into a case by the Feds with his governor's approval. And as time passes he can't figure out if what he's buried in is truly a religious nationalist militia group set on overturning the U.S. Constitution or one man's cash cow a sort of half-assed redneck Ponzi aimed solely at fattening a single bank account. The newest Woods Cop Mystery 12 in the legendary series is another soaring brainchild of Joseph Heywood author of the Woods Cop and Lute Bapcat Mysteries both of which explore a way of life lived by Michigan game wardens over many different decades from the Bapcat mysteries of the early 1900s to Grady Service and compatriots in contemporary times.
