Looking Out For Lindy:

Looking Out David Gere, 1995 *Looking Out* is the first collection of writings to address the impact of multiculturalism on the dance world. It is unique in offering various perspectives enlisting leading dance critics, performers, choreographers, and academics in a wide-ranging discussion of how dance from around the world can be better understood. Inspired by a groundbreaking 1990 conference of the Dance Critics Association, the book consists of a series of essays each addressing a different facet of the problems and possibilities of multiculturalism. *The Rene Gutteridge Suspense Collection: Listen / Possession / Misery Loves Company* Rene Gutteridge, 2019-11-05 This collection bundles three of Rene Gutteridge's suspense novels into one e-book for a great value. *Listen* Nothing ever happens in the small town of Marlo until the residents begin seeing their private conversations posted online for everyone to read. Then it's neighbor against neighbor, friend against friend as paranoia and violence escalate. The police scramble to identify the person responsible for the posts and pull the plug on the Website before it destroys the town. But what responsibility do the people of the town have for the words they say when they think no one is listening? *Life and death are in the power of the tongue.* *Possession* In the aftermath of investigating the D.C. sniper case, police detective Vance Graegan is burned out on life and love. Hoping to save his marriage, he quits the force and moves his wife and son to the other side of the country. But when the movers decide to hold his belongings for ransom, Vance is determined to ensure that his family's new beginning is not ruined. Soon, though, losing his possessions becomes the least of his problems as everything they are fighting for begins to unravel in the hands of Vance's past. In an unforgettable climax, a little boy's innocent faith brings a group of desperate people to their knees. What is at stake counts for everything, but nothing can prepare Vance for who is behind it. *Misery Loves Company* Don't tell me it's terrifying. Terrify me. Filled with grief, Jules Belleno rarely leaves the house since her husband's death while on duty as a police officer. Other than the reviews, Jules writes on her blog; she has little contact with the outside world. But one day when she ventures out to the local grocery store, Jules bumps into a fellow customer and recognizes him as her favorite author, Patrick Reagan. Jules gushes and thoroughly embarrasses herself before Reagan graciously talks with her. And that's the last thing she remembers until she wakes up in a strange room with a splitting headache. She's been kidnapped. And what she discovers will change everything she believed about her husband's death, her career, and her faith. **The Hidden Sovereign 1** Ethan, 2024-12-24
