

Looking Through A Mirror Darkly

CL Gary

Looking Through A Mirror Darkly:

Looking Through a Mirror Darkly Christopher Lynn Autmon, 2001-01-21 This small collection of poems and short stories has been almost twelve years in the making from writing and revising to its publication The poetry salutes God and Jesus Christ along with the celebration of love and life The poetry reminds us also that we are human with human emotions sensations desires and feelings It is hoped that the poetry will strike a chord with readers spirit and stir his soul to think of love faith and hope The short works are written with an attempt to examine the unpredictability of life and have people face the unknown when confronted with it There are elements of romance drama mystery plus horror in the stories you will read hence the title of the work In any given moment we have the unknown and unexpected sometimes to our delight while at other times to our horror Pray that you discover delight and fascination in reading this book *Now Through a Glass Darkly* Edward Peter Nolan, 1990 Nolan explores the way Roman and medieval authors used the mirror as both instrument and metaphor *A View from the Cosmic Mirror* Gary Gemmill, 2010-10-26 All of us have hidden parts within us These are the things about ourselves that we do not see our haunting darkness and our illuminating light We often hide from our own flaws But we also can hide from our own undeveloped talents and vital spirit Most of us would like to discover a more whole and complete self To do this we must clearly see the accurate reflection of ourselves in the people and objects around us What it takes is to discover our unseen but true reflection in the cosmic mirror Come join us Begin your journey down a new path In this fascinating self empowerment guide coauthors Gary Gemmill Ph D and George Kraus Ph D provide a template for our transformation and growth One of the most important books of our generation In a word powerful Clearly illustrates the profundity and absurdity of our relationships with others Takes the reader beyond the polarities of our conflicts with others to a place of renewal and hope for a more unified and peaceful world Philip Lichtenberg Ph D Director of the Gestalt Therapy Institute of Philadelphia and author of *Encountering Bigotry Befriending Projecting Persons in Everyday Life* **The National Magazine ...** , 1915 **Like Willows on a Riverbank** Cristy Fox, 2018-09-25 Like Willows on a Riverbank is a collection of short stories and devotionals meant to encourage uplift and inspire the reader It will hit all the right notes and chords filling your heart and playing its strings like an orchestra **Paul the Mystic** James Mann Campbell, 1908 Quo Vadis? Manfred F. R. Kets de Vries, 2021-03-11 Written at a time of global pandemic when we have been forced to confront age old existential questions Why are we here Where are we going perhaps for the first time Quo Vadis is extraordinarily relevant to leaders managers and anyone who wants to bring meaning and authenticity into their work and life Manfred Kets de Vries argues that we need to address these fundamental and disturbing questions if we are to live fully and meaningfully Too many people wake up on a Monday morning and do the same things they have done every Monday They go to work and function on autopilot without questioning their purpose But how can we make sure our lives are rich and fulfilling How do we know we are on the right track This is a book about death and the fear of death about angst and absurdity but it is also about

endurance honesty well being responsibility living with hard truths creating meaning and happiness Quo Vadis makes us look full on at the things we prefer not to see It is a short book that pulls no punches but is far from bleak Instead Kets de Vries shows that our life is enriched and our ability to make meaning and find happiness is increased when we acknowledge the inevitable price we have to pay for knowing our own mind and understanding our inevitable end **Mirrors and Mirroring**

from Antiquity to the Early Modern Period Maria Gerolemou,Lilia Diamantopoulou,2020-01-09 This volume examines mirrors and mirroring through a series of multidisciplinary essays especially focusing on the intersection between technological and cultural dynamics of mirrors The international scholars brought together here explore critical questions around the mirror as artefact and the phenomenon of mirroring Beside the common visual registration of an action or inaction in a two dimensional and reversed form various types of mirrors often possess special abilities which can produce a distorted picture of reality serving in this way illusion and falsehood Part I looks at a selection of theory from ancient writers demonstrating the concern to explore these same questions in antiquity Part II considers the role reflections can play in forming ideas of gender and identity Beyond the everyday we see in Part III how oracular mirrors and magical mirrors reveal the invisible divine prosthetics that allow us to look where the eye cannot reach Finally Part IV considers mirrors roles in displaying the visible and invisible in antiquity and since What I Drew in Church Rebecca McKillip

Thornburgh,2015-08-06 I m a children s illustrator I sing with my church choir Every week or every week I appear in church I draw funny little pictures on my church bulletins This is a collection of almost 300 silly drawings made over eleven ish years Bunnies bees goblins fairies talking mice and walking teacups All good for a great giggle Scripture, Metaphysics, and Poetry Robert MacSwain,2016-04-01 This book offers a critical edition of arguably the greatest work of English theology in the 20th century Austin Farrer s Bampton Lectures published as The Glass of Vision in 1948 Farrer was an interdisciplinary genius who made original contributions to philosophy theology and biblical studies as well as to our understanding of the role of imagination in human thought and Christian doctrine According to Farrer the three primary themes of these lectures are scripture metaphysics and poetry individually and in relation to each other The lectures defend his famous theory of divine revelation through images rather than propositions or events a provocative account of the place of metaphysical reasoning in theology and a literary approach to the Biblical text that was decades ahead of its time and is still controversial The Glass of Vision has generated a rich and interesting interdisciplinary conversation that has lasted for decades starting with commentators such as Helen Gardner and Frank Kermode In addition to Farrer s full text this critical edition also contains an introduction to the significance and context of Farrer s thought and a selection of thirty years worth of commentary by leading British and European theologians and literary scholars David Brown Ingolf Dalferth Hans Haugh Douglas Hedley David Jasper and Gerard Loughlin Of interest to literary and biblical scholars theologians and philosophers this book holds particular value for those exploring the nature of imagination in contemporary thought and scholarship **Imagination,**

Meditation, and Cognition in the Middle Ages Michelle Karnes, 2017-12-20 In *Imagination Meditation and Cognition in the Middle Ages* Michelle Karnes revises the history of medieval imagination with a detailed analysis of its role in the period's meditations and theories of cognition. Karnes here understands imagination in its technical philosophical sense, taking her cue from Bonaventure, the thirteenth-century scholastic theologian and philosopher who provided the first sustained account of how the philosophical imagination could be transformed into a devotional one. Karnes examines Bonaventure's meditational works, the *Meditationes vitae Christi*, the *Stimulus amoris*, Piers Plowman, and Nicholas Love's *Myrrour* among others, and argues that the cognitive importance that imagination enjoyed in scholastic philosophy informed its importance in medieval meditations on the life of Christ. Emphasizing the cognitive significance of both imagination and the meditations that relied on it, she revises a long-standing association of imagination with the Middle Ages. In her account, imagination was not simply an object of suspicion but also a crucial intellectual, spiritual, and literary resource that exercised considerable authority.

Love's Oneing Kerrie Hide, 2022-11-08 Grounded in Christian love mysticism, *Love's Oneing* gives voice to the luminous consciousness that awakens from within our oneness in God in contemplation. With great sensitivity, the book offers nuanced insight into the marriage of kenosis and desire in contemplation through the rich tapestry of writings from nine mystics: Julian of Norwich, the *Cloud of Unknowing*, author Meister Eckhart, Mechthild of Magdeburg, Clare of Assisi, John of the Cross, Teilhard de Chardin, Beatrice Bruteau, and Ilia Delio. With the delicate eye of a spiritual director immersed in mystical literature, Kerrie Hide situates these mystical teachings within contemplative prayer whilst offering a scholarly exploration of contemplative practice to embody the insights. Deeply grounded in traditional and contemporary mystical classics, Hide celebrates how the Christian mystical tradition lays a foundation for the evolutionary growth of communion, consciousness, and the insights of quantum science, highlighting key moments in contemplation that when surrendered into open, divine love, born of intellectual reflection, lived experience, and contemplative wisdom, *Love's Oneing* makes a unique contribution to the existing literature on contemplation at a time when the recovery of the mystical dimension of life is crucial for the future of our planet in this climate crisis moment.
