he brings our past to life as never before There is Thorn a shaman himself He lives to pass down his wisdom and his stories to teach those who would follow in his footsteps There is Heather the healer who in many ways holds the clan together There is Elga an outsider and the bringer of change And then there is Loon the next shaman who is determined to find his own path But in a world so treacherous that journey is never simple and where it may lead is never certain Shaman is a powerful thrilling and heartbreaking story of one young man s journey into adulthood and an awe inspiring vision of how we lived thirty thousand years ago
