Love Of Her Own:

A Love of Her Own (Heart of the West Book #3) Maggie Brendan, 2010-06-01 April McBride has suffered a broken engagement once before and fully intends to guard her heart when she travels to Lewistown Montana to attend her brother's wedding. One look around the small mining town convinces April that this won't be difficult just a bunch of dusty shops, bad service and ill-bred cowboys. But a run-in with a horse trainer named Wes Owen opens up vast possibilities for frustration, embarrassment, friendship and love. Can April and Wes see past their differences in order to envision a future together? Readers will love going on this adventurous, spark-filled ride through turn-of-the-century Montana. Praise for Maggie Brendan: Brendan's gentle style of prairie romance is reminiscent of Janette Oke, capturing the heart of the old West with romance that will make you sigh. Julie Lessman, author of the *Daughters of Boston* series. Brendan blends colorful characters, lively dialogue and intriguing historical details. Amanda Cabot, author of *Paper Roses* and *Scattered Petals*. **A Love of Their Own** Kim Louise, 2004-02-01 Marrying widower Ross Hayward in order to keep custody of her late friend's three children, Amara Fairchild soon finds herself longing to turn their marriage of convenience into a passionate reality. Original. **Love Is Crazy Lessons In Love: Creating Your Own Happy Ever After** Love Guru Uma, 2018-01-24 Michael Bernard Beckwith says Uma is not merely a seeker of love; a writer about love, she IS Love. And that's what makes this a trustworthy guide through the labyrinth of love with its twists and turns. A beautiful, quirky, love-weary single mom is mugged in South Central LA, chased down and wonders how she got there; an unbelievable fictional tale based on a true story. Our heroine follows her heart from Sedona to Seattle with two sons in tow. Her fiancé suffers from an incurable disease, seriously. She learns invaluable love lessons while singing her heart out in this riotous, topsy-turvy adventure in love. She deals with a pathological liar, her fiancé on hallucinogenic prescription drugs and his teenage brat and survives Sexaholics Anonymous and powerfully positive self-help groups while doing whatever it takes to find and keep love, but is it enough? Love From Heaven Lorna Byrne, 2017-02-14 Bestselling author and mystic Lorna Byrne teaches us how to have more compassion for both ourselves and others and to see all the love around us in this powerful and moving book, perfect for fans of Louise Hay and Doreen Virtue. Lorna Byrne, an Irish mystic, has been seeing angels since she was a baby, but she sees even more than that. In *Love from Heaven*, she reveals for the first time that she sees love as a physical force. Lorna first became conscious that the angels were teaching her about love when she was five years old, and today she can see how love manifests in each of us. She sees that newborn babies are full of pure love and that many teenagers and adults seem surrounded at the heart level by a transparent but ironlike band which restricts that love. We are all pure love, but nine out of ten of us have locked away most of this love within ourselves. This love remains there, though indestructible and ready to be released if only we can learn to love ourselves first. *Love from Heaven* will transform the way you think about love, stir up the love within and make you more compassionate, leading to a happier life for you and those around you. **"The" British Drama**, 1829 *In Love for Life*

Punished by His Love Suzie, She was a destitute woman whose life was dependent on others She was forced to be a scapegoat and traded herself which resulted in her pregnancy He considered that she was the ultimate embodiment of evil as she was greed and deceitful She tried all her efforts to win his heart but failed Her departure made him so furious that he searched through the ends of the world and managed to recapture her The whole city knew that she would be shredded into a million pieces She asked him in desperation I left our marriage with nothing so why won t you let me go In a domineering tone he answered You ve stolen my heart and given birth to my child and you wish to escape from me **The Analogy of Love** Gary Chartier,2015-11-09 This book offers an overview of Christian theology organized around the twin themes of divine and human love The book covers the traditional theological topics as well as basic questions of theological method It

seeks to integrate a focus on love throughout While love is regularly canvassed as a dominant theme in Christian thought it has rarely been the focus of Christian theological construction or a constraint on theological formulation The book seeks to suggest chapter by chapter how a given topic relates to the broad theme of love The book is written in a way designed to make it accessible to university students and educated laypersons At the same time it takes positions on controverted scholarly issues and the methodological approach outlined at the beginning will be of interest to academic theologians

Love as Common Ground Paul S. Fiddes, 2021-09-23 This book explores the way in which the study and practice of love creates a common ground for different faiths and different traditions within the same faith For the contributors common ground in this context is not a minimal core of belief or a lowest common denominator of faith but a space or area in which to live together consider together the meaning of the love to which various faiths witness and work together to enable human flourishing Such a space the contributors believe is possible because it is the place of encounter with the divine This book is the fruit of a Project for the Study of Love in Religion which aims to create this space in which different traditions of love converge from Islam Judaism and the Christianity of both East and West Tools employed by the contributors in exploring this space of love include exegesis of ancient texts theology accounts of mystical experience philosophy and evolutionary science of the human Insights about human and divine love that emerge include its nature as a form of knowing its sacrificial and erotic dimensions its inclination towards beauty its making of community and its importance for a just political and economic life
