**Health of the Human Spirit** Brian Luke Seaward, 2012-02 Health of the Human Spirit Second Edition Spiritual Dimensions for Personal Health is a thoughtful examination of the ageless topic of human spirituality It addresses the need to acknowledge spiritual wellness as a vital dimension of the general health and well being of the individual and examines the dynamic balance between mind body spirit health and the roadblocks and distractions on the spiritual path Dr Seaward includes many behavioral suggestions to enhance the health of the human spirit He presents the material in an approachable user friendly manner by engaging the reader and carefully distinguishing the differences between spirituality and religion The Masterpiece Within Claudia Church, Guy Scholz, 2014-12-17 Every life has a story to tell Whether or not our lives tell an intriguing and inspiring story lies in the hands of each and every one of us Creating an adventurous and meaningful life story is oftentimes difficult due to the layers of self defeating personal beliefs we accumulate through our life experiences The Masterpiece Within Five Key Life Skills To Becoming A Living Work Of Art is a comprehensive yet reader friendly life skills manual filled with motivational stories pop culture references from the film music and sports worlds alongside ageless wisdom from ancient masters that help us chip away layers of fear anger discouragement childishness shame low self esteem guilt and numerous other learned traits that blind us to our own innate beauty Life Skill 1 Choosing Wisely Life Skill 2 Becoming The Hero Of Our Own Life Story Life Skill 3 Discovering And Developing Life Bliss Life Skill 4 Balancing Emotions Spirit Mind And Body Life Skill 5 Making A Difference Using the story behind the creation of Michelangelos sculpted masterpiece The David as a metaphor The Masterpiece Within teaches there is a masterpiece waiting to be discovered in all of us We must envision the masterpiece within ourselves the same as Michelangelo could envision David beneath the flawed block of marble before he even put chisel to stone **Where Have All the Heroes Gone?** Bruce Peabody, Krista Jenkins, 2017-02-14 From the men and women associated with the American Revolution and Civil War to the seminal figures in the struggles for civil and women s rights Americans have been fascinated with icons of great achievement or at least reputation But who spins today s narratives about American heroism and to what end In Where Have All the Heroes Gone

Bruce Peabody and Krista Jenkins draw on the concept of the American hero to show an important gap between the views of political and media elites and the attitudes of the mass public. The authors contend that important changes over the past half century including the increasing scope of new media and people's deepening political distrust have drawn both politicians and producers of media content to the hero meme. However, popular reaction to this turn to heroism has been largely skeptical. As a result, the conversations and judgments of ordinary Americans, government officials, and media elites are often deeply divergent. Investigating the story of American heroes over the past five decades provides a narrative that can teach us about such issues as political socialization, institutional trust, and political communication.
