## **Love Without Pretense:**

Love Without Pretense Walter T. Wilson, 1991 Revision of the author's thesis University of Chicago 1990 *Romans* Brendan Byrne, 1996 This commentary adopts a literary rhetorical approach viewing the letter as an instrument of persuasion designed to transform readers through a celebratory presentation of the Gospel Reflecting upon the fate of Jews and Gentiles Paul wins his audience to a vision of a God who always acts inclusively The God who in the person of Israel's Messiah Jesus has acted faithfully to include the Gentile peoples within the community of salvation will not fail to see to the eventual inclusion of Israel as well In the victory of grace displayed already in the risen humanity of Jesus the original design of the Creator for human communities and for the world begins to come true The interpretation of Paul's letter to Rome has accompanied and stimulated the path of Christian theology down to today *Romans* touches upon virtually all main issues of Christian theology as well as presenting a rewarding introduction to Paul Byrne facilitates full access to Paul and his Gospel through the letter allowing Christians today to hear his voice as intelligibly and powerfully as it has spoken to past generations

Constructing the Self Valérie Nicolet-Anderson, 2012 Using some of the works of Michel Foucault 1926 1984 as a conversation partner Valerie Nicolet Anderson focuses on the manner in which Paul constructs the identity of his audience in his letter to the Romans In particular she analyzes how the notions of autonomy and self agency function for both authors In this dialogue Valerie Nicolet Anderson examines whether Paul can still play a relevant part in contemporary discussions around the notion of identity The approach to Paul presents a narrative reading of *Romans* and displays an interdisciplinary hermeneutics which brings together New Testament exegesis and post modern philosophy The author constructs a dynamic picture of Paul as engaged in the shaping of the ethos of his communities through various strategies She highlights Paul's actuality reflecting the current use of Paul by continental philosophers and invites more interdisciplinary reflection between exegesis and philosophy

the ancient church in Corinth Do you not recognize that Jesus Christ is in and among you 2 Cor 13 5 remains a critical question for the church today This commentary by Mark Seifrid seeks to hear Paul s message afresh and communicate it to our time Seifrid offers a unified reading of 2 Corinthians which has often been regarded as a composite of excerpts and fragments He argues that Paul s message is directed at the practical atheism of the Corinthian church the hidden heresy that assumes God s saving work in the world may be measured by outward standards of success and achievement Like all of the Pillar volumes Seifrid s commentary on 2 Corinthians offers careful grammatical analysis and exegesis with clear pastoral application

**Ancient Letters and the Purpose of Romans** Aaron Ricker,2020-09-17 Aaron Ricker locates the purpose of Romans in its function as a tool of community identity definition Ricker employs a comparative analysis of the ways in which community identity definition is performed in first century association culture including several ancient network letters comparable to Romans Ricker s examination of the community advice found in Rom 12 15 reveals in this new context an ancient example of the ways in which an inscribed addressee community can be invited in a letter to see and comport itself as a proper association network community The ideal community addressed in the letter to the Romans is defined as properly unified and orderly as well accommodating to and clearly distinct from cultures outside Finally it is defined as linked to a proper network with recognised leadership i e the inscribed Paul of the letter and his network Paul s letter to the Romans is in many ways a baffling and extraordinary document In terms of its community defining functions and strategies however Ricker shows its purpose to be perfectly clear and understandable

**Interpreting Paul** Luke Timothy Johnson,2021-05-20 For me Paul has always been the most difficult and therefore also most delightful advocate and interpreter of the Lord Jesus Christ and of the human experience of God s transforming power through Christ In Paul s letters above all I have found the quality of mind and the depth of conviction that could arouse in me both excitement and passion And it is Paul s letters above all that show how important and difficult is life together in the church from the preface With the contextual framework in place from volume one of The Canonical Paul Luke Timothy Johnson now probes each of the thirteen biblical letters traditionally attributed to the apostle Paul in a way that balances respect for historical integrity with attention to present day realities In doing so Johnson reforges the connection between biblical studies and the life of the church seeking to establish once again the foundational and generative role that the thirteen letters of Paul have had among Christians for centuries Far from being a definitive theology of Paul or an oversimplified synthesis Interpreting Paul provides glimpses into various moments of Paul s thinking and

teaching that we find in Scripture modeling how one might read his letters closely for fresh creative interpretations now and into the future Approached in this way both in minute detail and as a whole canon Paul s letters yield rich insights and his voice becomes accessible to all readers of the Bible      **A Rereading of Romans** Stanley Kent Stowers,1994-01-01 Paul s Letter to the Romans is one of the most influential writings of Christian theology In this reinterpretation the author provides a new reading that places Romans within the sociocultural historical and rhetorical contexts of Paul s world      **New Criticism and Pedagogical Directions for Contemporary Black Women Writers** LaToya Jefferson-James,2022-03-03 New Criticism and Pedagogical Directions for Contemporary Black Women Writers is a collection of critical and pedagogical essays that shed new light on the creative depths of Black women writers On the one hand some Black women writers have been heavily anthologized they have more often than not been restricted by critical metanarratives Some of their works have been lionized while others remain neglected On the other hand some Black women writers have been ignored and understudied This collection corrects the gaps in our critical thinking about Black women writers by introducing them to a new generation of undergraduate and graduate students and by presenting pedagogical essays to our colleagues currently working in the field      **Fantasies of Female Evil** Cristina León Alfar,2003 Focuses on Romeo and Juliet King Lear Macbeth Antony and Cleopatra and The winter s tale UkBU      **Heart to Heart** Douglas Monk,2002-09
