Love And Longing In The Near North:

Love and Longing in the Near North John Peter Kooistra, 2000 *In Love with the World* Yongey Mingyur Rinpoche, Helen Tworckov, 2019-05-07 A rare intimate account of a world renowned Buddhist monk's near death experience and the life changing wisdom he gained from it One of the most inspiring books I have ever read Pema Chodron author of *When Things Fall Apart* This book has the potential to change the reader's life forever George Saunders author of *Lincoln in the Bardo* At thirty six years old Yongey Mingyur Rinpoche was a rising star within his generation of Tibetan masters and the respected abbot of three monasteries Then one night telling no one he slipped out of his monastery in India with the intention of spending the next four years on a wandering retreat following the ancient practice of holy mendicants His goal was to throw off his titles and roles in order to explore the deepest aspects of his being He immediately discovered that a lifetime of Buddhist education and practice had not prepared him to deal with dirty fellow travelers or the screeching of a railway car He found he was too attached to his identity as a monk to remove his robes right away or to sleep on the Varanasi station floor and instead paid for a bed in a cheap hostel But when he ran out of money he began his life as an itinerant beggar in earnest Soon he became deathly ill from food poisoning and his journey took a startling turn His meditation practice had prepared him to face death and now he had the opportunity to test the strength of his training In this powerful and unusually candid account of the inner life of a Buddhist master Yongey Mingyur Rinpoche offers us the invaluable lessons he learned from his near death experience By sharing with readers the meditation practices that sustain him he shows us how we can transform our fear of dying into joyful living Praise for *In Love with the World* Vivid compelling This book is a rarity in spiritual literature Reading the intimate story of this wise and devoted Buddhist monk directly infuses our own transformational journey with fresh meaning luminosity and life Tara Brach author of *Radical Acceptance* and *True Refuge* *In Love with the World* is a magnificent story moving and inspiring profound and utterly human It will certainly be a dharma classic Jack Kornfield author of *A Path with Heart* This book makes me think enlightenment is possible Russell Brand

The Middle English Mystics

Wolfgang Riehle, 2019-06-26 Originally published as an English translation in 1981 The Middle English Mystics is a crucial contribution to the study of the literature of English mysticism This book surveys and analyses the language of metaphor in the writings of such mystics as Richard Rolle Walter Hilton Julian of Norwich and in such anonymous works as The Cloud of Unknowing and the Ancrene Wisse The main emphasis of this comparative and stylistic study is not theological but rather the

means by which theological concepts are communicated through language The book sets the English mystics in perspective by establishing their place in the European mystical movement of the Middle Ages It shows how intricate the relationship between English and continental mysticism really is The book suggests that there is clear links between English and German female mysticism yet the mysticism is in the main due not so much to specific influences as to the common background of Christian theology and mysticism *North-west Passage* ,2008 [Catalog of Copyright Entries](#) ,1928 **The Routledge Companion to Romantic Love** Ann Brooks,2021-11-29 The Routledge Companion to Romantic Love is a multidisciplinary and interdisciplinary reference work essential for students and researchers interested in the field of love romance and popular romance fiction This first of its kind volume illustrates the broad and interdisciplinary nature of love studies International contributors including leaders in their field reflect a range of perspectives from cultural studies history literature popular romance studies American studies sociology and gender studies Comprising over 30 chapters by a team of international contributors the Companion is divided into 12 parts Love romance and historical and social change Love and feminist discourses Love and popular romance fiction Love gender and sexuality Romancing Australia South and Southeast Asian romance communities Nation place and identity in US popular romance novels Romantic love and national identity in Chinese and Taiwanese discourses of love Muslim and Middle Eastern romances Discourses of romance fiction and technologies of power Writing love and romance Legal and theological fiction and sexual politics This is an important and unique collection aimed at researchers and students across cultural studies women and gender studies literature studies and sociology **Poetical Works** Francis Adams,1887 **The Collected Works of William Morris: Three northern love stories.
