Love is Contraband Barbara Cartland,1973 **In Love** Alan Hines, Lovely Love Poetry Find me on Facebook under Alan Hines Email me at alan_hines yahoo com *Queering Criminology in Theory and Praxis* Carrie L. Buist,Lindsay Kahle Semprevivo,2023-06-13 This ground breaking book explores the practical applications of queer theory for criminal justice practitioners Love, courtship and marriage Anna M Longshore- Potts,1893 *Love During Lockup* Dorothy "Dot" Plybon,2024-09-11 This book is based on love during a locked up experience that I had personally with a locked up inmate While certainly a learning curve spiritually and emotionally I wish I had read this book first as I might have rethought my journey based on my goals in life My journey started in 2015 and unfortunately ended in 2021 This experience was based in Florida so the content of this book is based on facts witnessed in the Florida prison system Thank you to all my friends and family who put up with the highs and lows of my journey Thank you for loving me through it all and the support you all gave I am in great hopes that my journey will help someone else avoid any heartache Be blessed *Love* Alan Hines,2019-07-22 Love poetry to stimulate minds to enhance the love to design to create peace for mankind **State of Illinois V. Love** ,2001 **In Love with a Handsome Sailor** Richard M. Berrong,2003-01-01 Writing at first anonymously and later under the pen name Pierre Loti French author Julien Viaud 1850 1923 produced a series of fictions that sympathetically portrayed male same sex desire and its accompanying societal conflicts Due to the constraints of the time Viaud had to develop various strategies for discussing his subject covertly his success in doing so is demonstrated by the great critical and commercial success he enjoyed during his lifetime which included his election to the French Academy at age forty one Richard Berrong presents a gay reading of the novels and novellas of Julien Viaud chronologically tracing his development of a distinct homosexual identity and the strategies that he employed to discuss it in a way that would not be obvious to the general public In so doing Berrong asserts that Viaud s development of a homosexual identity undermined and realigned dominant constructions of masculinity presented the need for gay community and elaborated the role of literature for gay men The first book length gay reading of Viaud s corpus this work will make an important contribution not only to the study of Viaud but also to the study of gay and lesbian history culture and literature **The Land We Love** ,1866 **Admiration of Love** Alan Hines,2021-04-25 The admiration of love to honor to worship to display love crafted in the form of written poems The Beauty of Love Alan Hines,2019-03-15 The Beauty of Love is a beautiful array of love poetry at its finest *The Politics of Love* Rebecca Joubin,2013-10-03 Dramatic miniseries are the primary arena for the expression of postcolonial Syrian culture and artistic talent an arena that unites diverse aspects of artisanship in a struggle over visions of the past present and future of the nation As the tour de force of the television medium blossoming amidst persisting authoritarianism these miniseries serve as a crucial and complex artistic avenue through which political and social opposition manifests Scholars have tried to come to terms with a highly critical culture produced within attempted state co optation and argue

that politically critical culture operates as a safety valve to release frustrations so that dissenters are less likely to mobilize against the government Through research fueled by a viewing of over two hundred and fifty miniseries ranging from the 1960s to the present as well as an examination of hundreds of press reports Facebook pages and extensive interviews with drama creators this book turns away from the dominant paradigm that focuses on regime intent When turning attention instead to the drama creators themselves we witness the polyphony of voices employing love and marriage metaphors and gender de constructions to explore larger issues of nationalism self identity and political critique At the heart of constructions of femininity are the complications that arise with the symbiosis of pure femininity with authentic national identity Deconstructing masculinity as political critique has been less complicated since it is not implicated in Western identity issues on the contrary illustrations of subservient masculinity serve to subtly denounce government corruption and oppression Miniseries from the 1960s demonstrate that the focus of the qabaday tough man on female sexuality comes from his own political alienation vis vis the state and is part of a vicious cycle of state violence vis vis the citizen In recent years and in particular after the uprising we can see the emerging definition of the true qabaday as one who does not suppress a woman s sexuality thereby allowing for full equality in relationships as the basis of a truly free society *Reflections of Love* Alan Hines, 2020-05-19 The greatest Joy to love the artist work The dedication of Love *The Arts of Imprisonment* Leonidas K. Cheliotis, 2016-12-05 The arts spanning the visual design performing media musical and literary genres constitute an alternative lens through which to understand state sanctioned punishment and its place in public consciousness Perhaps this is especially so in the case of imprisonment its nature its functions and the ways in which these register in public perceptions and desires have historically and to some extent inherently been intertwined with the arts But the products of this intertwinement have by no means been constant or uniform Indeed just as exploring imprisonment and its public meanings through the lens of the arts may reveal hitherto obscured instances of social control within or outside prisons so too it may uncover a rich and possibly inspirational archive of resistance to them This edited collection sheds light both on state use of the arts for the purposes of controlling prisoners and the broader public and the use made of the arts by prisoners and portions of the broader public as tools of resistance to penal states The book also includes a number of chapters that address arts in prisons programmes making distinctive contributions to the literature on their philosophy formation operation effectiveness and research evaluation as well as taking care to explore the politics surrounding and underpinning these multiple themes **Love Again** Stephie Klaire, Pine Valley spells small town charm with a capital G O S S I P World famous author Darby Grace didn t just write a bestselling series she built a franchise that landed her in the Hollywood spotlight with fame fortune and a bad case of writer s block Needing inspiration she escapes to the quirky little town where it all began Pine Valley isn t the only thing Darby left behind when her books became best sellers and Hopper O Reilly hasn t forgotten being written off Once upon a time he thought they might share forever but her story interrupted the happily ever after they
