Worley, 2017-01-06 Love letters during the Napoleonic wars were largely framed by concepts of love which were promoted through novels and philosophy The standard texts so to speak which were written by major authors who inherited this Enlightenment bearing responded to the emerging concepts of love found in novels and philosophical essays Love among this Napoleonic coterie is unique because it demonstrates the reciprocal relationship between the love letter and the romantic novel Germaine de Sta l Juliette R camier Chateaubriand Benjamin Constant Lady Emma Hamilton Napoleon Bonaparte and

his brother Lucien Bonaparte were the authors and recipients of some of the most passionate love letters of this period. They were also avid readers of the newly emerging genre of the romantic novel and many of them were also authors of such works where they projected their personal romances onto the characterization of their fictional heroes and heroines. In addition, these authors had lived through the recent French Revolution and the Terror. Imprisoned during the Revolution or branded as emigrants upon their return to Paris, their mature adult lives were spent in the shadows of the Napoleonic wars in which they shifted political loyalties as the specter of Napoleon's powers grew from First Consul to Emperor of Europe. The looming threat of war ignited the depths of their passions and inspired their intellectual analysis of love, happiness, and suicide. Their evolving concept of love was a romantic, all-consuming passion which gripped the lovers in fatal embraces. This book's analysis of their love letters and romantic novels reveals the emerging political landscape of the period through extended metaphors of love and patriotism.

LOVE LETTERS FROM THE BATTLE OF OKINAWA Everett Ware Smith, 2024-09-18. A Marine Corps Officer, Everett Smith served overseas for nearly three years, including 1944 and 1945, in the Pacific Theater. Eighty years after the unconditional surrender of Imperial Japan ended WW II, the massive conflict that engulfed every corner of the planet is increasingly a distant memory. Its toll on an entire generation in lost and maimed lives and destruction of entire cities has faded into the history books. While the conclusion of the European war was being celebrated with VE Day on May 8, 1945, U.S. armed forces were still engaged in a vicious battle against Japanese combatants on Okinawa Island. By early August, preparations code-named Operation Downfall were well underway for a massive invasion of Japan's mainland islands. Everett expected to participate in that final campaign and privately believed he would not survive it. For military personnel serving overseas, letters from loved ones were critical lifelines. This book is a compilation of letters Everett wrote to his wife. In them, he describes the battle's progression, censured his dreams for their future together, and especially his love for Ruth during their many months of separation.
