**Phyllis Wint, Freda Sangster**

## **Lovers Leap:**

*Ghosts of Southeast Kansas* Cheryl Carvajal, 2007-03 Explore the history the haunted history of many towns and cities in southeast Kansas These stories mix folklore eyewitness testimony and historical fact into gently woven tales which show current paranormal activity speculate about who might be haunting and even suggest why the activity occurs This collection includes friendly ghosts like Charley who has saved the lives of his Independence family more than once and more haunted figures like the Lady in Black who wandered the streets of Caney more than a century ago looking for her baby's grave They tell of well known haunted places such as Coffeyville's Tavern on the Plaza William Inge's childhood home and The Old Haunted House of Fredonia but they also reveal secret places that even witnesses themselves are reluctant to discuss These tales from funny to frightening are perfect for reading alone or aloud except on dark nights when the Kansas wind is howling About the Author Cheryl Carvajal has been writing since she learned how beginning her first play at the age of six She lived in Kansas and Oklahoma for several years and she recently moved from southeast Kansas to Bothell Washington with her husband Richard her two young children and her black tabby She earned her bachelor's degree in English at East Central University in Ada Oklahoma her master's in Literature at Southern Illinois University at Carbondale and her doctorate in English at the University of South Carolina in Columbia She spent two years researching this book and one more writing and publishing it Dr Carvajal is a playwright and several of her plays have been performed at the William Inge Center for the Arts She also writes fiction and poetry sings draws paints juggles teaches English and theatre and works actively to inspire others to enrich their lives through involvement in the arts **Danville, Montour County, Pennsylvania** D. H. B. Brower, 1881

Along the Wissahickon Creek Andrew Mark Herman, 2004 Originally called Wisauksicken and Wisamickon by the Lenape tribe of southeastern Pennsylvania the creek was renamed Wissahickon by European settlers in the late 1600s The Wissahickon beginning as a small stream fed by underground springs in central Montgomery County winds its way down into a breathtaking valley in Philadelphia's Fairmount Park before entering the Schuylkill River Rich in history and scenic beauty the creek has played a major part in the development of the area Early mills were established along its banks and during the American Revolution Washington's army set up encampments in the creek valley Since becoming part of Fairmount Park in 1868 the Wissahickon has continued to be the focus of land preservation and is now part of the Wissahickon Green Ribbon Preserve The Riverkeeper's Guide to the Chattahoochee Fred Brown, Sherri M. L. Smith, Richard Stenger, 2007 The Chattahoochee is a prototypical American river from its headwaters in the Blue Ridge Mountains to where it flows into Apalachicola Bay one of the most productive estuaries in North America This entertaining fact filled guide covers the Chattahoochee's entire 500 mile course and 8 000 square mile watershed The guide divides the river into ten sections each of which includes a brief natural history and information on camping hiking fishing boating and other recreational pursuits bodies of water that feed into the river cities and towns with river frontage manmade structures such as bridges dams and

historic ruins environmental threats and preservation efforts Entertaining sidebars throughout highlight the people history culture wildlife and geography of the entire river valley Understand the Hooch say those dedicated to its conservation and you will know more about all of our country s waterways This guide is the place to begin     **German New River Settlement, Virginia** U. S. A. Heaveney,1976 This work surveys the history of the German New River Settlement and succeeds in identifying all or nearly all German New River settlers in chapters devoted to pioneer families baptisms marriage records and court records     **Eocene Biodiversity** Gregg F. Gunnell,2001-09-30 Initially this work was designed to document and study the diversification of modern mammalian groups and was quite successful and satisfying However as field and laboratory work continued there began to develop a suspicion that not all of the Eocene story was being told It became apparent that most fossil samples especially those from the American West were derived from similar preservational circumstances and similar depositional settings A program was initiated to look for other potential sources of fossil samples either from non traditional lithologies or from geographic areas that were not typically sampled As this program of research grew it began to demonstrate that different lithologies and different geographic areas told different stories from those that had been developed based on more typical faunal assemblages This book is conceived as an introduction to non traditional Eocene fossils samples and as a place to document and discuss features of these fossil assemblages that are rare or that come from rarely represented habitats     **Real Places** Grady Clay,1998-05-22 Focusing on the romantic lure of place such as Fall Color Country or Lover s Lane urban planner Grady Clay describes a unique cross section of America emphasizing the beauty and intrigue of hidden landscape gems Depicting the everyday as well as the bizarre Clay s entertaining travel guide allows us to see in a new way what has always been right before our eyes 100 photos 16 line drawings     **Hiking Nebraska** Seth Brooks,2023-07-15 Hiking Nebraska features detailed hike descriptions miles and directions trailhead GPS coordinates and informative maps for 45 of the greatest hikes in the cornhusker state Hikes will take readers through the wide open grasslands rugged cliffs and canyons and towering buttes that comprise the diverse natural beauty of Nebraska From the wooded bluffs near the Missouri River to the badlands of the western half of the state discover the plethora of hiking trails that might just be Nebraska s best kept secret     **Best Outdoor Adventures Asheville** Johnny Molloy,2020-11-01 Who says you have to travel far from home to go on a great hike paddle or bike ride Best Outdoor Adventures Asheville details forty of the best hikes paddles and bike routes within an hour s drive of the Land of the Sky along with extra information on climbing and camping adventures perfect for the urban dweller and suburbanite who may be hard pressed to find great outdoor activities close to home     **Chattanooga** Elena Irish Zimmerman,1998 Located near the Georgia and Alabama state lines on the sharp Moccasin Bend of the Tennessee River Chattanooga is steeped in history The town has served as an important junction for river traffic a stronghold of Native American culture the site of several noteworthy Civil War battles and a popular destination for tourists from all over the country     **Tennessee's Dixie Highway** Lisa R. Ramsay,Tammy L.

Vaughn,2011 The Dixie Highway Association met in 1915 to plan a highway route from Chicago to Miami later extending it to Canada Tennessee s Dixie Highway The Cline Postcards traces the path of the Dixie Highway along its western and eastern branches through the state showcasing the works of photographers Walter M Cline Sr and Jr The journey begins in Nashville and travels south to Chattanooga Chattanooga served as both headquarters of the Dixie Highway Association and home to the Cline family Moving north of the city the eastern route arrives near the Kentucky border in Jellico Many of the places that fascinated the Clines during the 1930s and 1940s are still popular destinations today

**Accidents in North American Mountaineering 1999** , *On Zion's Mount* Jared Farmer,2010-04-10 Shrouded in the lore of legendary Indians Mt Timpanogos beckons the urban populace of Utah And yet no Indian legend graced the mount until Mormon settlers conjured it once they had displaced the local Indians the Utes from their actual landmark Utah Lake On Zion s Mount tells the story of this curious shift It is a quintessentially American story about the fraught process of making oneself native in a strange land But it is also a complex tale of how cultures confer meaning on the environment how they create homelands Only in Utah did Euro American settlers conceive of having a homeland in the Native American sense an endemic spiritual geography They called it Zion Mormonism a religion indigenous to the United States originally embraced Indians as Lamanites or spiritual kin On Zion s Mount shows how paradoxically the Mormons created their homeland at the expense of the local Indians and how they expressed their sense of belonging by investing Timpanogos with Indian meaning This same pattern was repeated across the United States Jared Farmer reveals how settlers and their descendants the new natives bestowed Indian place names and recited pseudo Indian legends about those places cultural acts that still affect the way we think about American Indians and American landscapes

**California Geographic Names Information System (GNIS)** ,1986 [Best Hikes Asheville, North Carolina](#) Johnny Molloy,2024-02-06 This fully revised guidebook covers 40 family friendly hikes within 100 miles or about 1 hour from the Asheville North Carolina area Colorful and full of easy and moderate hikes it s perfect for families and novice hikers Detailed hike descriptions at a glance specs and GPS coordinates for every trailhead make this a go to guide for the area

**Downstate New York Rock Walks** C. Russell Dunn,2023-11-01 Downstate New York Rock Walks is both a hiking guidebook and a history book calling attention to some of downstate New York s most spectacular and historic rocks balanced rocks perched rocks rock shelters talus caves glacial potholes split rocks rock profiles historic rocks and massive larger than life boulders Many large glacial erratics have a history going back thousands of years to when they were moved to their present location by advancing glaciers Many served as points of navigational reference at a time when the landscape was featureless and heavily forested and still others were ceremonial sites for Native Americans Rock shelters and talus caves have also been used for thousands of years by Native Americans and Europeans seeking refuge from the elements It is important that these amazing natural wonders of stone be remembered and recorded before they are lost to collective memory or destroyed by the encroachment of civilization Providing precise GPS location information along with

length and degree of difficulty for each hike Downstate New York Rock Walks will appeal to casual hikers serious rock explorers historians geologists and anyone wishing to explore some of nature s greatest wonders within the reach of the lower Hudson River valley      *Starved Rock State Park* Nancy Hill Barta,2007 Starved Rock State Park is located midway between Ottawa and LaSalle The park has more than 2 630 acres that include 18 beautiful canyons and waterfalls One of the largest Native American encampments the Grand Village of the Kaskaskia was located near Starved Rock Fr Jacques Marquette and Louis Joliet are believed to be the first white men to have set eyes upon the rock Ren Robert Cavelier Sieur de La Salle built Fort St Louis on the rock Legend has it that a band of Illinois Indians starved to death while seeking refuge from its enemies on the rock hence the name Starved Rock Starved Rock State Park has remained virtually unchanged through the years as its history is told through the authors vintage postcards      **Into the Twilight, Endlessly Grousing** Patrick F. McManus,2010-05-11 Like Twain or more contemporary humorists Dave Barry and Garrison Keillor Patrick McManus shares the belief that life s eternal verities exist primarily to be overturned In McManus s world all steaks should be chicken fried strong coffee is drunk by the light of a campfire and fishing trips consist of men acting like boys and boys behaving like the small animals we ve always assumed they were In this the tenth hilarious collection of his adventures wry observations and curmudgeonly calls for bigger and bigger fish stories McManus takes on everything from an Idaho crime wave to his friend Dolph s atomic powered huckleberry picker to the uncertain joys of standing waist deep in icy water watching the fish go by      Complete Multiple Choice Tests for Common Entrance Phyllis Wint,Freda Sangster,1997-04 This single volume book combines useful tests in Mathematics English and Mental Ability Four tests are provided in each subject which are equally suitable for use in class or individual study      **American Folklore** Jan Harold Brunvand,2006-05-24 Contains over 500 articles Ranging over foodways and folksongs quiltmaking and computer lore Pecos Bill Butch Cassidy and Elvis sightings more than 500 articles spotlight folk literature music and crafts sports and holidays tall tales and legendary figures genres and forms scholarly approaches and theories regions and ethnic groups performers and collectors writers and scholars religious beliefs and practices The alphabetically arranged entries vary from concise definitions to detailed surveys each accompanied by a brief up to date bibliography Special features More than 2000 contributors Over 500 articles spotlight folk literature music crafts and more Alphabetically arranged Entries accompanied by up to date bibliographies Edited by America s best known folklore authority

Ignite the flame of optimism with is motivational masterpiece, **Lovers Leap** . In a downloadable PDF format ( PDF Size: \*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
