Krahn, 2002-04 Charity Standing is the most desirable woman in Devonshire but she is jinxed with trouble following her everywhere she goes Rune Austin's upbringing in Barbados has marked him as too rough and roguish to find a wife from London's high and mighty ton But his fate changes when Charity crosses his path Danger has never been a deterrent to a man like Rune **Seasons of Love** Jack Mooney, 2021-10-20 Seasons of Love is a collection of poems centered around love God and pain that is associated with being in love All of the poems are written in the early morning hours before work under candlelight my favorite part of the day There is one central theme or element within the poems that you will identify with which is the moon I believe that when you are in love the moon changes It becomes the one that you are in love with It is something that you can both share while holding hands on a park bench or five hundred miles apart You are never alone at this time because she is always there ever present for you to see From distant doors you can both share the moon as if she is standing next to you whispering in your ear Love is about two inseparable hearts it is about her being the only one in a crowded room and the feeling you are overcome with when she touches your hand The poems are written in the first person to pull you in and bring these elements to life Cover to cover I want the reader to see love from a new perspective where God is always present and love is unabridged So when completed grab her hand and look at the moon and make it yours make it
