Beede,2012-08-06 The Small Wars of the United States 1899 2009 is the complete bibliography of works on US military intervention and irregular warfare around the world as well as efforts to quell insurgencies on behalf of American allies The text covers conflicts from 1898 to present with detailed annotations of selected sources In this second edition Benjamin R Beede revises his seminal work bringing it completely up to date including entries on the current conflicts in Iraq and Afghanistan An invaluable research tool The Small Wars of the United States 1899 2009 is a critical resource for students and scholars studying US military history *Cavalry Operations In Support Of Low Intensity Conflict* Major Patrick J.

Becker,2015-11-06 This monograph investigates the historical use of cavalry in low intensity conflict LIC This investigation is to determine the possible strengths and weaknesses of our current light infantry division s reconnaissance squadron in terms of organization equipment doctrine and techniques for employment in LIC The intent of the paper is neither to produce a paradigm on the use of reconnaissance forces in LIC nor simply to conduct a historical study but rather to see if our past actions impact on today s cavalry The structure of this monograph is to explain the nature of LIC and assess its impact on reconnaissance forces describe a comparison methodology conduct historical analysis analyze the results of the comparison and then to make conclusions and offer recommendations The information collection effort was focused on primary source reports from the Army Marine and British Army commanders involved directed research analysis and personal interviews LIC is not new to the American Army Our Army has been involved in insurgencies both in and out of country from its creation The Army has fought in numerous insurgencies however its involvements in the Philippines Mexico Dominican Republic and Grenada are studied as are the U S Marine Corps interventions in Nicaragua and Haiti and the British Army s actions in Malaya and Kenya These insurgencies were fought in different environmental settings against different types of insurgents by different intervening nations These examples are too few to provide an accurate data base for statistical analysis however they provide enough diverse information for comparative analysis by comparing the missions that were assigned to the reconnaissance units involved **Professional Journal of the United States Army** ,1986 **Military Review** ,2005

Air & Space Power Journal spr 05 , 'Non-Lethal' Weapons N. Control Technology Book Series) Book I of 7 Renee Pittman,2011-10-13 The objective today is to isolate targets through technological harassment remote viewing electronic surveillance and also focus on using everyone around them subliminally influenced The target is depicted to the community as incompetent disloyal troublesome mentally unbalanced or ill to mobilized community stalking efforts This permits an expertly crafted promotion and denial that highly advanced mind invasive technology exists The whistleblower targeted individual targeted for various reasons is then heinously maliciously secretly abused by electromagnetic systems difficult to prove because it is unseen to the human eye or detectable as extremely low frequency ELF radio and microwaves waves The objective is to push the target over the edge to suicide hurting self or others entrapped jail or be institutionalized Others watch and become frightened preventing them from speaking out against these extreme immoral and unethical injustices in the form of covert terrorism with many players and denial of Human Rights Remote Neural Monitoring testing has also thrived within the Association of Psychiatry historically The electromagnetic assaults physical psychological and verbal continue until the target is left discredited exhausted and in poor health financially crippled or his or her life is in ruins or worse And it is legal Remote Brain Targeting confirms Pittman s credibility in this five book series which details her personal experiences and others detailing how the slow kill effect is being used today as a form of physical coercion electromagnetically All five books in the Mind Control Technology book series are a must read and a wake up call to an older generation familiar with and knowledgeable of some of these programs specifically MK ULTRA mind control testing officially in the 50s 60s and 70 s and Pittman s renewed hope to stir the consciousness of a new generation through awareness of what is factually happening today to many Today the technology has erupted into an electromagnetic invasion that is unparalleled in this day and time and heinously capable of delivery through many methods and from a considerable distance This technology is no joke A MUST READ Knowledge is Power Awareness is Key TRUTH a powerful weapon Logistics and Warfighting , Combat Support... ,1993 **Tooling for War** Elwood L. White,1994 **Government Secrets and Cover-ups** John P. Hunter III,2014-07-30 GOVERNMENT COVER UPS Why on earth would I dare write a shocking book as this one The simplest explanations people ALL over the world are naive and ignorant to what conspires within their own government or of religion for that matter These two words dominate people s thoughts everywhere What it boils down to is the nature of the human race believes that what they do not know will not hurt them I have to disagree with this philosophy because it can hurt you and even kill you This is what MOST governments rely on for people to disbelieve what is the real truth Lies are more profitable and who will believe the truth anyway The truth seems to come out of a science fiction novel Propaganda rules because the public refuses to believe that this is not the ninetieth or twentieth century anymore There are new inventions of warfare that most have never heard of A large amount of ground troops and bombings are becoming obsolete because of laser cannons robots and the High Frequency Active Auroral Research Program HAARP project What better ways to exterminate the over population then blame

it on the weather so the government gets away with legalized MURDER WHY is it so hard to understand or believe when in reality people believe in sasquatches Big Foot Yeti abdominal snowman UFO s ghost or even living zombies because of panic but they deny government conspiracies More advanced countries in technology consider Oriental Countries as being expendable to be used as human guinea pigs Everybody just witnessed this from the typhoon Yolanda in the Philippines November 8 2013 before that an Indonesia earthquake followed by a large tidal wave and then a Japan catastrophe WAKE UP before you become the casualty or of your own family It is getting worse every day It is getting worse every year most do not care or are oblivious to the facts so get educated to reality **The Sling and the Stone** Thomas X. 4GW Fourth Generation Warfare is the only kind of war America has ever lost And we have done so three times in Vietnam Lebanon and Somalia This form of warfare has also defeated the French in Vietnam and Algeria and the USSR in Afghanistan As the only Goliath left in the world we should be worried that the world s Davids have found a sling and stone that work Chapter 1 The Sling and the Stone On War in the 21st Century The War in Iraq The War on Terror These types of asymmetrical warfare are the conflicts of the 21st century and show how difficult it is for the world s remaining superpower to battle insurgents and terrorists who will fight unconventionally in the face of superior military power This change in military conflict may seem sudden *Airlift Capabilities for Future U.S. Counterinsurgency Operations* Robert C. Owen,Karl P. Mueller,2007 Current and probable future United States involvement in counterinsurgencies revives a long standing debate about whether these missions call for adding specialized aircraft training or other resources to the general military airlift fleet The authors examine the use of airlift in past and present counterinsurgency operations including the Foreign Internal Defense program They conclude that general U S airlift forces can accomplish most counterinsurgency missions effectively with adjustments in employment doctrines and training However they also note that continued operations likely will require reinforcement of the general airlift fleet and perhaps acquisition of a small fleet element optimized for certain counterinsurgency missions **Monthly Catalog of United States Government Publications** ,1990 Technology and War Martin Van Creveld,2010-05-11 In this impressive work van Creveld considers man s use of technology over the past 4 000 years and its impact on military organization weaponry logistics intelligence communications transportation and command This revised paperback edition has been updated to include an account of the range of technology in the recent Gulf War
