## **Loyalists In The American Revolution The:**

**The Loyalists in the American Revolution** Claude Halstead Van Tyne,1929      **Biographical Sketches of Loyalists of the American Revolution** Lorenzo Sabine,1864      **The Loyalists in the American Revolution** Claude Halstead Van Tyne,1929      The Good Americans Wallace Brown,1973      **Maryland Loyalists in the American Revolution** M. Christopher New,1996 Rare and previously unpublished documents portray these forgotten loyalists bringing to light their struggles and hardships      LOYALISTS IN THE AMERICAN REVOLUTION CLAUDE HALSTEAD VAN. TYNE,2018

*Loyalists in the American Revolution* Claude Halstead Van Tyne,1999-02      The Loyalists of Massachusetts and the Other Side of the American Revolution James Henry Stark,1910      **"the New Jersey Volunteers" (loyalists) In The Revolutionary War** William Scudder Stryker,2023-07-18 This compelling history book tells the story of the role of the loyalist New Jersey Volunteers in the American Revolution Drawing on extensive primary sources including letters journals and official records the author paints a vivid picture of the complex political and personal factors that led many ordinary colonists to remain loyal to the British crown Along the way the book provides detailed accounts of key battles and military campaigns as well as insights into the lives of both the loyalists and their opponents This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      *South Carolina Loyalists in the American Revolution* Robert Stansbury Lambert,1987 Puts into perspective the choices people faced because of the changing fortunes of the two sides the civil war that raged in the backcountry and how it affected those who lived through it and the decisions thrust upon families to flee to new lives in other parts of the empire or to make peace with the state government in hopes of remaining in South Carolina Book jacket      **LOYALISTS IN THE AMER REVOLUTI** Claude Halstead 1869-1930 Van Tyne,2016-08-27      **Our First Civil War** H. W. Brands,2021-11-09 A fast paced often riveting account of the military and political events leading up to the Declaration of Independence and those that followed during the war Brands does his readers a service by reminding them that division as much as unity is central to the founding of our nation The Washington Post From best selling historian and Pulitzer Prize finalist H W Brands comes a gripping page turning narrative of the American Revolution that shows it to be more than a fight against the British it was also a violent battle among neighbors forced to choose sides Loyalist or Patriot What causes people to forsake their country and take arms against it What prompts their neighbors hardly distinguishable in station or success to defend that country against the rebels That is the question H W Brands answers in his powerful new history of the American Revolution George Washington and

Benjamin Franklin were the unlikeliest of rebels Washington in the 1770s stood at the apex of Virginia society Franklin was more successful still having risen from humble origins to world fame John Adams might have seemed a more obvious candidate for rebellion being of cantankerous temperament Even so he revered the law Yet all three men became rebels against the British Empire that fostered their success Others in the same circle of family and friends chose differently William Franklin might have been expected to join his father Benjamin in rebellion but remained loyal to the British So did Thomas Hutchinson a royal governor and friend of the Franklins and Joseph Galloway an early challenger to the Crown They soon heard themselves denounced as traitors for not having betrayed the country where they grew up Native Americans and the enslaved were also forced to choose sides as civil war broke out around them After the Revolution the Patriots were cast as heroes and founding fathers while the Loyalists were relegated to bit parts best forgotten Our First Civil War reminds us that before America could win its revolution against Britain the Patriots had to win a bitter civil war against family neighbors and friends

*The Loyalists in the American Revolution* Claude Halstead Van Tyne, 1902 This book traces the history of those who remained loyal to the crown of Great Britain during the American Revolution The book delves into the reasons behind loyalism the political implications of loyalists and the condition of life as a loyalist in the transition out of the United States

*The Loyalists of Massachusetts and the Other Side of the American Revolution* James H. Stark, 2014-04 Loyalists the American colonists who remained loyal to the British Empire during the American Revolutionary War have long suffered under the pervasive belief that the American Revolution was due solely to the oppression and tyranny of the British and that George Washington Franklin Adams Hancock and the host of other Revolutionary patriots possessed all the admirable qualities ever exhibited by men in their respective spheres and that the Tories or Loyalists such as Hutchinson the Olivers Saltonstalls Winslows Quincys and others were to be detested and their memory execrated for their abominable and unpatriotic actions This near universal view led the author to inquire and to examine whether there might not be two sides to the controversy which led to the Revolutionary War This volume represents his conclusions for the Loyalists in Massachusetts The book basically contains two parts The first part of the book describes the causes of the American Revolution treatment of Massachusetts Loyalists and confiscation of their property their emigration to Canada and much more Part II contains Biographical Sketches of the Loyalists of Massachusetts including family histories for many and their lives following the War This volume is profusely illustrated with more than 50 engravings paintings and drawings and at the collusion of the book two Indices 1 An Index of names including the names of identified Loyalists whose biography does not appear in this work and 2 an Index of Subjects

***The Loyalists in the American Revolution (Classic Reprint)*** Claude Halstead Van Tyne, 2015-07-06 Excerpt from *The Loyalists in the American Revolution* The formation of the Tory or Loyalist party in the American Revolution its persecution by the Whigs during a long and fratricidal war and the banishment or death of over one hundred thousand of these most conservative and respectable Americans is a tragedy but rarely paralleled in the history of

the world The consequences of their banishment are not so easily seen as were the results of the expulsion of the Moors from Spain or the exile of the Huguenots from France but that there were penalties and perhaps rewards consequent upon their removal is a conclusion hardly to be denied In the case of the Moors and of the Huguenots the loss to their abandoned fatherland was economic and tangible but in the case of the Loyalists the speculations of the historian are made more dangerous because the probable political and social results are of so much subtler a nature About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**Biographical Sketches of Loyalists of the American Revolution** Gregory Palmer,1984-12-01 This enlarged and revised edition of Lorenzo Sabine s *Biographical Sketches of Loyalists of the American Revolution* 1864 adds new and valuable research information on over 1 000 loyalists who appeared before the Loyalist Claims Commission between 1783 and 1815

**Biographical Sketches of Loyalists of the American Revolution, with an Historical Essay** Lorenzo Sabine,1979

*Loyalism in New York During the American Revolution* Alexander Clarence Flick,1901

**The Loyalists in the American Revolution - Scholar's Choice Edition** Claude Halstead Van Tyne,2015-02-13 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

**The Party of the Loyalists in the American Revolution** Moses Coit Tyler,2024-02-23 The Party of the Loyalists in the American Revolution by Moses Coit Tyler originally published in the American Historical Review magazine October 1895 discusses events of early American history and in the particular the Revolutionary War
