Lu And The Swamp Ghost:

Lu and the Swamp Ghost James Carville, 2008-08 Meet a girl with lots of pluck and plenty of courage in this Depression era tale that's based on an episode in the childhood of James Carville's mother. Mama always said, "You're never poor if you have a loving family and one good friend." Well, Lu has a family but no friend, so maybe she is just a little poor. How it all changes one day down on the Louisiana bayou when Lu comes face to face with a for real live swamp ghost. It is at the heart of this flavorful, funny, and compassionate story. Includes a CD read by James Carville. Guaranteed reinforced library binding. For ages 4-8. Full color illustrations.

Underworld Detective Lu Xiang Zi Longqingchuan, 2020-04-03 Lu Xiang, a freshman. Because of his negligence, his girlfriend was easily met with an accident. When he was regretting his decision, a mysterious trench coat wearing man appeared and told Lu Xiang that as long as he agreed to become an Underworld Detective, Yi Lu could be resurrected. Lu Xiang accepted. The man in the windbreaker placed a clock on Yi Lu's body, but the clock was turned upside down. As the clock turned, Yi Lu recovered. The man in the windbreaker promised that as long as he could keep track of the things that had been passed on in the underworld, he would be able to provide him with special energy. For the sake of his girlfriend, Lu Xiang had no choice but to agree to track down items from the Underworld. For the sake of handling cases, he had been bestowed with a special sensing ability by the mysterious trench coat wearing man. Moreover, only after the case has been resolved can the professional Soul Devouring Orb be used to retrieve the items from the underworld.

Patricia and Fredrick McKissack Michelle Parker-Rock, 2008-07-01 A short biography of this husband and wife writing team, including their relationship, how they became authors, how they write together, and their advice for young aspiring authors. Provided by publisher.

The Great Depression in Literature for Youth Rebecca L. Berg, 2004-11-17 No area of the United States was untouched by the Great Depression, but the severity in which people experienced those significant years depended in large part on where in the nation they lived. While dust choked the life out of Americans in the plains, apples grew in abundance in the Northwest. Unemployment-driven poverty robbed urban dwellers of hearth and home, while Upper Plains farm women traded eggs and chickens like money. This bibliography describes the youth literature and relevant resources written about the Great Depression, all categorized by geographical location. Students, educators, historians, and writers can use this book to find literature specific to their state or region, gaining a greater understanding of what the Great Depression was like in their locale. The Great Depression was a pivotal period in our nation's history. This annotated bibliography guides readers to biographies, oral histories, memoirs, and recollections, photograph collections, fiction, and nonfiction books, picture books, international resources, and other reference sources. The Works Progress Administration (WPA) state guides are included, as well as literature about the federal theater, arts, and music projects. A comprehensive listing of museums and state historical societies complement this reference. For readers interested in learning about the Great Depression, this is a must-have resource.

Micro and Nano-plastics in Soil and Biosolids Sartaj Ahmad Bhat,Vineet Kumar,Fusheng Li,Sunil Kumar,2024-03-21 This book comprehensively assesses the management of micro and nano plastics in contaminated soil and biosolids highlighting recent techniques and technologies that facilitate their environmental remediation It provides up to date information on the fate occurrence monitoring and transport of micro and nano plastics in the environment aiming to determine their detrimental impact on environmental health The book also explores how risk factors associated with these particles can be identified and mitigated through sustainable means Micro and nano plastic contamination is analyzed in various contexts including agricultural soil systems urban areas and wastewater Special attention is given to the mechanisms of recent decontamination strategies such as microbial and enzyme assisted degradation and biochar The intended audience for this book includes students researchers professionals in the urban municipal wastewater treatment sector waste management and industrial practitioners as well as policymakers **Desire and Disaster in New Orleans** Lynnell L.

Thomas,2014-08-25 Most of the narratives packaged for New Orleans s many tourists cultivate a desire for black culture jazz cuisine dance while simultaneously targeting black people and their communities as sources and sites of political social and natural disaster In this timely book the Americanist and New Orleans native Lynnell L Thomas delves into the relationship between tourism cultural production and racial politics She carefully interprets the racial narratives embedded in tourism websites travel guides business periodicals and newspapers the thoughts of tour guides and owners and the stories told on bus and walking tours as they were conducted both before and after Katrina She describes how with varying degrees of

success African American tour guides tour owners and tourism industry officials have used their own black heritage tours and tourism focused businesses to challenge exclusionary tourist representations Taking readers from the Lower Ninth Ward to the White House Thomas highlights the ways that popular culture and public policy converge to create a mythology of racial harmony that masks a long history of racial inequality and structural inequity *Think of a Garden and Other Plays* John Kneubuhl,1997-04-01 By his own reckoning John Kneubuhl was the world s greatest Swiss Welsh Samoan playwright The son of a Samoan mother and an American father Kneubuhl s multicultural heritage produced a distinctive artistic vision that formed the basis of his most powerful dramatic work Born and raised in Samoa Kneubuhl attended school in Honolulu and studied under Thornton Wilder at Yale Returning to Hawai i in the mid 1940s Kneubuhl won acclaim as a playwright with the Honolulu Community Theater then moved on to Los Angeles to write for television Twenty years later he was back in Samoa lecturing on Polynesian history and culture and writing plays including the trilogy offered here Unlike much of Kneubuhl s earlier work these plays are touchingly personal in their exploration of alienation and cultural identity Think of a Garden the first play of the trilogy and the last written before the playwright s death in 1992 has been called the most Samoan of Kneubuhl s plays a candid look at the writer s bicultural upbringing that artfully weaves together family memory history and mysticism Think of a Garden makes the work of one of the Pacific s preeminent playwrights available for the first time to a wide audience of theatre enthusiasts literature specialists and others interested in Pacific themes
