Croone,2011-03-21 All was perverted in the earth from man to beast under Satans totalitarian rule men who were novices to wickedness now breathe it with proficiency with the iniquitous philosophies of Lucifer and the undergirding of his celestial subordinates The pre Adamites became Satans calamitous disembodied spirits God would unreservedly destroy the world with a flood His creation has become mutinous a decadence of men and a hosts of celestial subordinates Satan has weakened the nations Now the Architect of Darkness has schematically designed in his heart to dethrone God in an insurgence like no other In this scholarly exploration of the mysteries of our past and present world Dr Angela Croone considers the topics of history paleontology science physics climatic change and accurate theology as they relate to the Genesis Gap This term refers to the world before the present time that existed between Genesis 1 1 and Genesis 1 2 whereby the world that then was being overflowed with water perished Croone examines related biblical texts and their implications in controversial issues regarding both our past and our present Meticulously researched and thoroughly presented Galgaliel Angels and D a emons provides a better understanding of our historyits light and its darkness

Carpenter D.D.S,2025-08-11 In God Saw You Dr Carpenter takes the reader through a fascinating journey that focuses on the modern sciences of genetics and biochemistry uniting them with the mysteries of the kingdom of God Over 1 400 footnotes are presented on the page referring to them so the reader has immediate access to the truths presented Modern science and the Holy Scriptures conflict with each other On these pages the battle lines are reduced unapologetically from assumptions possibilities hypotheses and theories to raw truths many of which you might find to be inconvenient The author finds an amazing number of scriptures that deal with

genetics ranging from simple concepts such as seeds and conception to complex references to DNA and the human genome The book's real payoff is when he reveals the beautiful spiritual truths that are metaphorically parallel to these physical sciences This is the true sense of the word apocalypse meaning an unveiling The entire Bible is an apocalypse an unveiling of who God is His kingdom His expectations and all of history past present and future This book does just that lifting the veil off of familiar scriptures and revealing the rich and thrilling images previously hidden in the mysteries of God's Word Get ready to see into the mind of God as He planned and programmed your genome As King David said in Psalm 139 Your eyes saw my substance being yet unformed and in Your book they all were written when as yet there were none of them How precious also are Your thoughts to me O God How great is the sum of them Yes God actually Saw You And when you see that you will never be the same again
