its best if you like your historical fiction to be an education as well as a fun read this is the book for you An outstanding and compelling novel I would add this author to some of the great historical writers such as Conn Iggulden Simon Scarrow and David Gemmell The characters were described in such a way that it was easy to picture them as if they were real and have lived in the past the book flowed with an ease that any reader novice to advanced can enjoy and become fully immersed Goodreads a very entertaining read Haviaras has both a fluid writing style and a good eye for historical detail and explores in far more detail the faith of the average Roman than do most authors *The Cross and the Emperor* Gregory A Sweeting,2017-06-20 This historical novel purports to take place shortly after the crucifixion of Jesus Christ by Pontius Pilate the Roman Governor of Judea somewhere around 33 AD after Jesus had sent His disciples into the world He instructed them to preach the Good News of Salvation to everyone they met Dedicated and sincere men and women rose to the occasion and often at great risk to themselves took the Gospel all over the Roman world Drawing liberally from British folklore actual historical legend and using some of the familiar names from The Bible this story suggests one way that God might have ensured that the Gospel was brought to Wales and its people As in any good novel there are heroes and adversaries which weave the threads of the story together The Welsh warrior Caradog ap Bran is our hero It is imagined that he might have been joined by a couple of familiar people from the Biblical record to bring the Good News to Wales Interposing an element of the supernatural into the story adds a layer of intrigue to the novel and proposes that we have been in an invisible spiritual battle ever since Time began It is my prayer that The Spirit of God will then take the seed that has been planted though this story of fiction sprinkled with doses of reality and use it for His glory creating in the reader an interest to find out more from the Source and The Message of the Holy Bible **The Smart Set** ,1920 **Bulletin of the Johns Hopkins Hospital** Johns Hopkins Hospital,1901 Bound with v 52 55 1933 34 is the hospital s supplement Bulletin of the Institute of the History of Medicine Johns Hopkins University v 1 2 *Strange Bodies* Marcel Theroux,2014-02-04 A dizzying novel of deception and metempsychosis by the author of the National Book Award finalist Far North Whatever this is it started when Nicholas Slopen came back from the dead In a locked ward of a notorious psychiatric hospital sits a man who insists that he is Dr Nicholas Slopen failed husband and impoverished Samuel Johnson scholar Slopen has been dead for months yet nothing can make this man change his story What begins as a tale of apparent forgery involving unknown letters by the great Dr Johnson grows to encompass a conspiracy between a Silicon Valley mogul and his Russian allies to exploit the darkest secret of Soviet technology the Malevin Procedure Marcel Theroux s *Strange Bodies* takes the reader on a dizzying speculative journey that poses questions about identity authenticity and what it means to be truly human *The Strand Magazine* Herbert Greenhough Smith,1905 **Wings of Vengeance The Complete Series** Catherine Banks, The complete duet in one book This set contains *Of Dragons* she s a Vengeance and she s out for blood Fighting sex comrades food and drink these are the things that the warrior women known as Vengeances enjoy While locked away for a minor crime Jenecca s kin are attacked
