Lucky That Way Pamela Gerhardt, 2013-10-01 I decide that from now on we should listen to him His lip may be deflated and his left side paralyzed but he knows And he has made terrible mistakes But he knows He knows We are lucky that way Lucky That Way a nuanced richly engaging memoir chronicles the joys and tribulations of a daughter who rediscovers her father as he nears the end of his life Ernie Gerhardt an artist and teacher is largely estranged from his five children but when he suffers a debilitating stroke his daughter Pamela must fly to Las Vegas to tend to him When she arrives to find Ernie newly and shockingly fragile she is hit by an unexpected wave of tenderness As she watches over him in intensive care she recalls turning points in her family history the early death of her mother and her father's turn to heavy drinking and reflects on the idiosyncrasies that make an imperfect and unique family on what it means to become old on what happens when parents are no longer the caregivers but the cared for and on how a family copes with their responsibility to the elderly Written in a crisp engaging style the story is less about the drudgery of finding the right mix of medicines at home caregivers and rehabilitation centers and more about the emotional ramifications of caring for the sick under the weight of sometimes flawed attachments People make mistakes grow old get sick and pass on from this world Lucky That Way examines the irritations and comforts of contemporary family bonds Gerhardt sifts through the complicated multi layered relationships for both wry comedy and high drama and records a string of triumphs and mishaps as Ernie and his five adult children struggle to manage his life and find meaning before their time runs out The emerging theme of imperfect humans struggling with life's great mysteries will strike a chord of recognition with the tens of thousands of Baby Boomers and Gen Xers who are currently facing similar circumstances with their elderly loved ones Pamela Gerhardt's heartfelt story about a family coming to terms with their aging father's illness and imminent death takes readers on an emotional roller coaster that highlights love loss humor and sadness

were intended to have together Her friendship with the Rat Pack especially Frank Sinatra I was comfortable and friendly being around the guys in the group because I was perceived by most of them as a mascot I was the only woman they allowed in the house but that was because there had been a kind of communal decision made that I wasn't really a girl I was a pal maybe even one of the boys The movie she made with Dean Martin and Jerry Lewis Dean not Jerry was the funny one to me His humor was subtle spontaneous a result of the moment Jerry's was brilliant but usually premeditated And much much more
