Waterstone's Guide to Books ,1989 **Invisible Generation** Elle Truth,2017-10-12 This novel is inspired by the true facts of working for thirty years as a cleaning lady This is an unusual case of two women high society and deviant sexual desire The two women and denial make it unconventional fiction What humanity would consider being the perfect white boomer couple that marries for all the right reasons with the intent of reaching and surpassing the American Dream However over the years they become jaded by their own selfish aspirations The prominent upper Darlingtonheartland doctor destroys his own life by beating and cheating on his wife She has her own sexual desires This doctors beautiful wife turns to her young cleaning lady for sexual gratification Even though she is flattered by the attractive boss the happy girl refuses the high society ladys affection which fuels repeated mental abuse for the naive woman Her own past of mental cruelty keeps the employee trapped in a world of slander and defamation The good doctor turns to his group of white men in the world called the Euro Club They leave no stone unturned to reestablish the Caucasian race including the betrayal of the American public by rigging two presidential elections all due to threat and insecurity of this happening to them Daisy Chain Evie Robb,2015-11-16 As a young girl author Evie Robb experienced childhood abuse of many kinds She experienced damaging relationships and heart wrenching grief and yet managed to overcome her past and make her way to a brighter future In Daisy Chain Evie tells the true story of how she triumphed over the suffering that marked her youth This narrative follows her from childhood to old age and from trauma to healing and transformation Early events shaped her and became the

blueprint for her future the many mountains she scaled strengthened her mind and spirit and her new climbing equipment brought her peace Evie finds love and humour in the never ending golden circle that is at the heart of all healing and she hopes her story highlighting what helps what can be recovered and what may be hidden gifts in a life like hers will help the many women of the world who have followed parallel paths This memoir tells the story of a resilient woman who endured childhood abuse and found a way to heal and prevail transforming her life and offering help for others in similar situations
