**Critical Keywords in Literary and Cultural Theory** Julian Wolfreys, 2017-03-14 This book is an invaluable reference guide for students of literary and cultural studies which introduces over forty of the complex terms motifs and concepts in literary and cultural theory today Critical Keywords in Literary and Cultural Theory Gives students a brief introduction to each concept together with short quotations from the work of key thinkers and critics to stimulate discussion and guide genuine comprehension Supplies helpful glosses and annotations for each term concept or keyword which is discussed Offers reflective practical questions at the end of each entry to direct the student to consider a particular aspect of the quotations and the concept they address Provides explanatory notes and bibliographies to aid further research This essential volume is ideal as both a dip in reference book and a guide to literary theory for practical classroom use **John Barth and Postmodernism** Berndt Clavier, 2007 John Barth's eminence as a postmodernist is indisputable However much of the criticism dealing with his work is prompted by his own theories of exhaustion and subsequent replenishment leaving his writing relatively untouched by theories of postmodernism in general This book changes that by focusing on the relationship between Barth's aesthetic and the ideology critique of the historical avant gardes which were the first to mobilize art against itself and its institutional practices and demands Examining Barth's metafictional parodies in the light of theories of space and subjectivity Clavier engages the question of ideology critique in postmodernism by offering the montage as a possible model for understanding Barth's fiction In such a light postmodernism may well be perceived as a mimesis of reality particularly a recognition of the collective nature of self and the world Postcolonial Perspectives on Postcommunism in Central and Eastern Europe Dorota Kołodziejczyk, Cristina Șandru, 2017-10-02 A quarter of a century after the fall of the Berlin Wall and from the vantage point of a post Cold War globalised world there is a need to address the relative neglect of postcommunism in analysis of postcolonial and neo colonial configurations of power and influence This book proposes new critical perspectives on several themes and concepts that have emerged within or been propagated by postcolonial studies These themes include structures of exclusion inclusion formations of nationalism structures of othering and representations of difference forms and historical realisations of anti colonial anti imperial struggle the experience of trauma involving issues of collective memory amnesia and the re writing of history resistance as a complex of cultural practices and concepts such as alterity ambivalence self colonisation dislocation hegemonic discourse minority and subaltern cultures Taken together this volume suggests that some of the methodological instruments of postcolonial criticism can be fruitfully applied to the study of postcommunist cultures and conversely that the experience of the Soviet brand of imperialist rule in the form of communism in East Central Europe can function as an ideological moderator in Third World oriented Marxist inspired postcolonial discourses This book was originally published as a special issue of the Journal of Postcolonial Writing **Feminisms and**

**Internationalism** Mrinalini Sinha, Donna Guy, Angela Woollacott, 1999-08-25 This book addresses the theme of the history of internationalism in feminist theory and praxis covering such topics as the historical concept of internationalism within feminism and women's movements the nature of historical shifts within feminist movements and challenges to internationalism within feminism by women of colour and by women from colonised or formerly colonised countries

Who's Afraid of Women's Studies? Mary Frances Rogers, C. D. Garrett, 2002 In *Who's Afraid of Women's Studies* the authors ask why there persists a fear of feminism and women's studies in the academy Rogers and Garrett remind us that this field came into being as the result of women's practical efforts of advocacy and activism to represent marginalized excluded and silenced voices They explain the complex relationship between feminism women's studies and their deradicalized offspring gender studies Six broad topics that have dominated the field over the past twenty five years are examined in individual chapters girls and women's bodies anger and desires sexuality identity politics insider backlash and feminist methods The authors challenge women and men alike to reevaluate the concepts and analytical tools available in women's studies that are so uniquely oriented to understanding women's everyday lived experiences They demonstrate how its rich historical and social analyses are the basis for a passionate scholarship one that builds bridges between theory and practice to transform communities women's organizations and social movements This new book will be a stimulating overview of women's studies gender studies and feminist theory as well as a concise introduction to supplement standard texts or anthologies

**Eros and Revolution** Javier Sethness Castro, 2016-06-10 In *Eros and Revolution* Javier Sethness Castro presents a comprehensive intellectual and political biography of the world renowned critical theorist Herbert Marcuse 1898-1979 Investigating the origins and development of Marcuse's dialectical approach vis vis Hegel Marx Fourier Heidegger and Freud as well as the central figures of the Frankfurt School Horkheimer Adorno Neumann Fromm and Benjamin Sethness Castro chronicles the radical philosopher's lifelong activism in favor of anti capitalism anti fascism and anti authoritarianism together with Marcuse's defiant revindication of global libertarian socialist revolution as the precondition for the realization of reason freedom and human happiness Beyond examining Marcuse's revolutionary life and contributions moreover the author contemplates the philosopher's relevance to contemporary struggle especially with regard to ecology feminism anarchism and the general cause of worldwide social transformation

Women, Body, Illness Pamela Moss, Isabel Dyck, 2003-04-14 This provocative and moving work explores concepts of body and space to better understand the daily lives and struggles of women with chronic illness Moss and Dyck show how such women coping with associated notions of illness health and being female restructure their physical and social environments through the strategies they choose to accommodate disabling illnesses such as chronic fatigue syndrome multiple sclerosis or rheumatoid arthritis Strategies might include disclosing or concealing illness from employers and friends seeking or rejecting emotional support through old friends and new contacts and pursuing or resisting specific diagnoses from the biomedical community Featuring

a wealth of original research and personal stories *Women Body Illness* tells the tales of chronically ill women forging networks of support redefining themselves and challenging what it is to be ill

*A Research Agenda for Intellectual Property Law and Gender* Jessica C Lai, Kathy Bowrey, 2024-11-08 *A Research Agenda for Intellectual Property Law and Gender* expertly examines patent copyright and trade mark law bringing to light hidden gender biases and narratives that impact intellectual property law and practice today Exploring how gender discrimination and inequality are often built into the way the law functions it assesses the possibilities and limits of existing strategies to improve gender inclusion and equality and paves a research agenda for the future

*Bodies at Work* Carol Wolkowitz, 2006-07-10 After reading this book it will be more difficult to do the sociology of work and the sociology of the body in the absence of the other In some quite exquisite ways it throws down a challenge which practitioners in both fields will find difficult to ignore Paul Stewart former editor of *Work Employment and Society* University of the West of England *Bodies at Work* provides the first full length accessible account of the body work relation in contemporary western societies Bringing together fields of sociology that have hitherto developed mainly along separate lines the book demonstrates the relevance of concepts developed in the sociology of the body for enriching our understanding of changing patterns of work and employment *Bodies at Work* begins by establishing key concerns in both the sociology of the body and the sociology of work Drawing on existing research the author proceeds to examine a wide range of employment sectors industrial employment customer relations health practice care work the beauty industry and sex work The contribution of feminist theory and research is highlighted throughout and analyses of photographs help the reader conceptualise the changing nature of the body work relationship over time *Bodies at Work* helps readers think more clearly and creatively about how work relations shape bodily experience

**The Palgrave Handbook of Critical International Political Economy** Alan Cafruny, Leila Simona Talani, Gonzalo Pozo Martin, 2016-07-05 Challenging the assumptions of mainstream International Political Economy IPE this Handbook demonstrates the considerable value of critical theory to the discipline through a series of cutting edge studies The field of IPE has always had an inbuilt vocation within Historical Materialism with an explicit ambition to make sense from a critical standpoint of the capitalist mode of production as a world system of sometimes paradoxically and sometimes smoothly overlapping states and markets Having spearheaded the growth of a vigorous critical scholarship in the 1960s and 1970s however Marxism and neo Gramscian approaches became increasingly marginalized over the course of the 1980s The authors respond to the exposure of limits to mainstream contemporary scholarship in the wake of the onset of the Global Financial Crisis and provide a comprehensive overview of the field of Critical International Political Economy Problematising socioeconomic and political structures and considering these as potentially transitory and subject to change the contributors aim not simply to understand a world of conflict but furthermore to uncover the ways in which purportedly objective analyses reflect the interests of those in positions of privilege and power

**Empire in Question** Antoinette Burton, 2011-05-03

Essays written by Antoinette Burton since the mid 1990s trace her thinking about modern British history and engage debates about how to think about British imperialism in light of contemporary events      **A Reversal of Fortunes?** Rachel Alsop, 2000 German unification brought fundamental often traumatic changes for the people in eastern Germany Women as a group were arguably more deeply affected by the changes than any other and in one area in particular that of work which had far reaching effects on them and their families economic situation Rachel Alsop critically examines the processes behind women's changing relationship to the labor market in eastern Germany following the collapse of state socialism and the transition to a market economy By the 1980s women made up virtually half of the East German work force The collapse of the GDR transformed the field of work drastically diminishing the general demand for labor Yet while economic and political restructuring reduced the volume of both male and female employment it was women who bore the brunt of unemployment In the immediate transitional period a re masculinization of the workforce was evident with women constituting the large part of the unemployed Using an extensive range of both quantitative and qualitative data the author explores the gender dynamics of the social economic and political restructuring of eastern Germany thereby producing an important new context in which to examine contemporary debates on gender and work      Fractured Feminisms Laura Gray-Rosendale, Gil Harootunian, 2012-02-01 This advanced analysis of gender issues in higher education represents a significant new turn in feminist thinking Fractured Feminisms resists and reshapes boundaries by investigating how gender studies intersection with race and ethnicity class postcoloniality sexuality globalization interdisciplinarity technology studies and administration exposes the silenced other of feminisms themselves These crucial conversations about feminisms depend upon facing the perplexing rhetorical problems within feminist debates yet work within these fractures to discover newly emerging productive feminist practices This book contends that it's important to better understand the ways in which feminist rhetorics both empower and constrain and the kinds of identities feminisms afford as well as deny      *The Symbolic Scenarios of Islamism* Andrea Mura, 2016-03-09 The Symbolic Scenarios of Islamism initiates a dialogue between the discourse of three of the most discussed figures in the history of the Sunni Islamic movement Hasan al Banna Sayyid Qutb and Osama bin Laden and contemporary debates across religion and political theory providing a crucial foundation upon which to situate current developments in world politics Redressing the inefficiency of the terms in which the debate on Islam and Islamism is generally conducted the book examines the role played by tradition modernity and transmodernity as major symbolic scenarios of Islamist discourses highlighting the internal complexity and dynamism of Islamism By uncovering forms of knowledge that have hitherto gone unnoticed or have been marginalised by traditional and dominant approaches to politics accounting for central political ideas in non Western sources and in the Global South the book provides a unique contribution towards rethinking the nature of citizenship antagonism space and frontiers required today While offering valuable reading for scholars of Islamic studies religious studies and politics it provides a critical perspective for academics

with an interest in discourse theory post colonial theory political philosophy and comparative political thought *Sexuality, Gender and Power* Anna G. Jónasdóttir, Valerie Bryson, Kathleen B. Jones, 2011 Including studies of the sexual self and sexual subjectivities socio political processes of normativization and social structures of sexuality and gender in national and transnational contexts this book offers a view of sexuality as a broad and complex dimension of historically changing social cultural and human material reality EBL

Key Thinkers from Critical Theory to Post-Marxism Simon Tormey, Jules Townshend, 2006-06-19 Tormey and Townshend have succeeded not only in making accessible the notoriously evasive ideas of Post Marxist thinkers they have begun the vital work of critically examining their contribution to Marx's project of overcoming capitalism James Martin Goldsmiths University of London Excellent textbook critical challenging and thoroughly engaging Richard White Sheffield Hallam University In language which is clear without being simplistic Tormey and Townshend help readers think about ways to live with and without Marx in the wake of Marxism's historical failures as well as its continuing relevance to life under globalizing capitalism Mark Rupert Syracuse University Key Thinkers in Critical Theory to Post Marxism is a comprehensive introduction to perhaps the most key intellectual trend in contemporary critical theory In jargon free language it seeks to unpack explain and review many of the key figures behind the rethinking of the legacy of Marxism in theory and practice Key thinkers covered include Cornelius Castoriadis Jean Francois Lyotard Deleuze and Guattari Laclau and Mouffe Agnes Heller Jacques Derrida Jürgen Habermas and post Marxist feminism Each chapter covers a key thinker or contribution and thus can be read as a stand alone introduction to the principal aspects of their approach Each chapter is followed by a summary of key points with a guide to further reading Underlying the text is also the central question What is Post Marxism Instead of viewing Post Marxism as an ideology movement or tradition of theorizing the authors advocate Post Marxism as a loose appellation describing those who have problematised Marx's approach to understanding and challenging contemporary capitalism As such the book also offers an engaging commentary on some of the key political developments of our time including for example the anti globalisation movement Key Thinkers in Critical Theory to Post Marxism provides an ideal introduction to a hitherto complex subject and will be essential reading for students of contemporary social and political inquiry

**Spinning Fantasies** Miriam B. Peskowitz, 2023-04-28 Miriam Peskowitz offers a dramatic revision to our understanding of early rabbinic Judaism Using a wide range of sources archaeology legal texts grave goods technology art and writings in Hebrew Aramaic Greek and Latin she challenges traditional assumptions regarding Judaism's historical development Following the destruction of the Jerusalem Temple by Roman armies in 70 C E new incarnations of Judaism emerged Of these rabbinic Judaism was the most successful becoming the classical form of the religion Through ancient stories involving Jewish spinners and weavers Peskowitz re-examines this critical moment in Jewish history and presents a feminist interpretation in which gender takes center stage She shows how notions of female and male were developed by the rabbis of Roman Palestine and why the distinctions were so important in

the formation of their religious and legal tradition Rabbinic attention to women men sexuality and gender took place within the ordinary tedium of everyday life in acts that were both familiar and mundane While spinners and weavers performed what seemed like ordinary tasks their craft was in fact symbolic of larger gender and sexual issues which Peskowitz deftly explicates Her study of ancient spinning and her abundant source material will set new standards in the fields of gender studies Jewish studies and cultural studies This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1998 Miriam Peskowitz offers a dramatic revision to our understanding of early rabbinic Judaism Using a wide range of sources archaeology legal texts grave goods technology art and writings in Hebrew Aramaic Greek and Latin she challenges traditional

The Specter of Materialism Petrus Liu, 2022-12-09 In recent years queer theory appears to have made a materialist turn away from questions of representation and performativity to those of dispossession precarity and the differential distribution of life chances Despite this shift queer theory finds itself constantly reabsorbed into the liberal project of diversity management This theoretical and political weakness Petrus Liu argues stems from an incomplete understanding of capitalism s contemporary transformations of which China has been at the center In The Specter of Materialism Liu challenges key premises of classic queer theory and Marxism turning to an analysis of the Beijing Consensus global capitalism s latest mutation to develop a new theory of the political economy of sexuality Liu explores how relations of gender and sexuality get reconfigured to meet the needs of capital in new regimes of accumulation and dispossession demonstrating that evolving US Asian economic relations shape the emergence of new queer identities and academic theories In so doing he offers a new history of collective struggles that provides a transnational framework for understanding the nexus between queerness and material life

**Grounding Critique** Gökbörü Sarp Tanyildiz, 2024-10-28 Grounding Critique Marxism Concept Formation and Embodied Social Relations argues that marxism must have a robust understanding of embodied social relations such as race gender and sexuality in order to produce the knowledge necessary for transformative social change Tanyildiz subjects two important strands of marxist social theory marxist feminism and social reproduction theory to a methodological examination and demonstrates their shortcomings Focusing on these strands critiques of intersectionality as a moment of crystallization in concept formation Grounding Critique explores alternative ways of using Marx s method to understand contemporary human praxis
