Macmillan 1894 1956:

Macmillan, 1894-1956 Alistair Horne,1990 *Macmillan* Alistair Horne,1988 **Macmillan: 1894-1956** Alistair Horne,1988 In writing this biography the author had the unique advantage of extensive interviews with Supermac together with exclusive access to his copious and unpublished diaries letters and private papers He reveals the real man behind the showman soldier scholar publisher bonviveur and devout high churchman a complex and fascinating political figure

Harold Macmillan: 1894-1956 Alistair Horne,1989 SCOTT copy 1 v 1 From the John Holmes Library collection **The Economic Diplomacy of the Suez Crisis** Diane B. Kunz, Esq.,2000-11-09 Diane Kunz describes here how the United States employed economic diplomacy to affect relations among states during the Suez Crisis of 1956 57 Using political and financial archival material from the United States and Great Britain and drawing from personal interviews with many of the key players Kunz focuses on how economic diplomacy determined the course of events during the crisis from start to finish In doing so she provides both an excellent case study of the role of economic sanctions in international relations and a solid treatment of the American use of such sanctions against a Middle Eastern country The crisis was prompted by the Eisenhower administration s decision not to fund the Aswan High Dam triggering the takeover of the Suez Canal Company by Egyptian President Gamal Abdel Nasser Responding to events the American government imposed economic sanctions against Great Britain France Egypt and Israel with varying degrees of success Because of its weakened financial position and misguided decisions Kunz says the government of British Prime Minister Anthony Eden proved most vulnerable to these tactics Indeed American economic pressure caused the British government to withdraw its troops ignominiously from Egypt France on the other hand had borrowed sufficiently prior to the crisis to be able to withstand American pressure For Israel Kunz says the threat of sanctions symbolized the Eisenhower administration s wrath Israel could forego American funds but dependent on the goodwill of a great power for survival it could not take a stand that would completely alienate the United States Only Egypt proved immune to financial warfare Kunz also illuminates the general diplomacy of the Suez crisis The American government was determined neither to alienate moderate Arab opinion nor to become too closely intertwined with Israel As such this account has significant lessons for American policy Originally published in 1991 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value Macmillan Alistair Horne,1988 **Prime Ministers and Whitehall 1960-74** Jon Davis,2007-10-05 The study of prime ministers and the reforms of British central government in any era are fascinating The interaction between the temporary often inexperienced but largely elected ministers and the experienced but theoretically subservient senior civil servants provides enormous interest It is a matter that relates directly to many of the battles going on in British politics today This book concentrates on

the Harold Macmillan Harold Wilson Alec Douglas Home and Edward Heath years when the battle between the Civil Service and the Government was at its most intense What makes this book even more compelling is that many of the key players have given their own published accounts since leaving office including Richard Crossman Barbara Castle and Tony Benn Dr Jon Davis book is based on years of meticulous research and it will be essential reading for any historian or student of British politics during the post war years **Mountbatten, Cold War and Empire, 1945-79** Adrian Smith,2022-11-17

Mountbatten Cold War and Empire 1945 79 focuses upon Admiral Lord Mountbatten as a commanding if controversial figure in the history of Britain and its empire from Churchill s wartime coalition through to the Labour governments of the 1960s and forms a sequel to Mountbatten Apprentice War Lord Written in three parts focusing on the premierships of Churchill and Attlee Eden Macmillan Douglas Home and Wilson this book examines the debates over Mountbatten s record in Southern Asia in 1943 6 and 1947 8 Additional chapters focus on Mountbatten s position at the heart of the British state and his pivotal role at key moments in the immediate post war era most notably the partition of India the Suez Crisis and the renewal of an ostensibly independent nuclear deterrent This book also considers Mountbatten s relationship with Anthony Eden both during and following the Suez Crisis as well as detailing Mountbatten s achievements as First Sea Lord and Chief of the Defence Staff under Harold Macmillan and his immediate successors Smith acknowledges Mountbatten s centrality to the history of Britain and its empire in the immediate post war era and in doing so presents a fascinating picture of one of the most prominent figures of the 20th century Smith s scrupulous examination of primary sources including those available in the Broadlands Archives results in a thorough examination of a controversial figure by eschewing often baseless speculation about Mountbatten s personal life Smith creates the first comprehensive overview of Admiral Lord Mountbatten s career from 1943 to the mid sixties **Seeking a Role** Brian Harrison,2009-03-26 An impressively detailed but also unusually wide ranging analysis of post war Britain in the 1950s and 60s covering everything from international relations to family life the countryside to manufacturing religion to race cultural life to political structures **British Policy in Aden and the Protectorates 1955-67** Spencer Mawby,2006-05-18 This book provides the first detailed account of the confrontation which took place between Britain and Nasser in the Colony of Aden and the surrounding states prior to British withdrawal in 1967

British Cabinet Government Simon James,2002-01-04 Fully revised and up dated this new edition of Simon James comprehensive and accessible text continues to provide an excellent insight into this central topic of British politics It draws on the wealth of new material that has become available in recent years to shed light on the mechanisms structure and realities of the Cabinet system in Britain from 1945 to the present 1945 Its coverage includes ministers and their departments collective decision making the role of the Prime Minister the strengths and weaknesses of the Cabinet system the future of the Cabinet system British Cabinet Government will give both A level students and undergraduates a clear understanding of the realities of this central aspect of British politics **British Political History, 1867-2001** Malcolm

Pearce, Geoffrey Stewart, 2013-09-13 This third edition of *British Political History 1867-2001* is an accessible summary of major political developments in British history over the last 140 years. Analyzing the changing nature of British society and Britain's role on the world stage, Malcolm Pearce and Geoffrey Stewart also outline the growth of democracy and the growth in the power of the state against a background of party politics. New coverage includes domestic affairs from 1992 to 2001, John Major's Government, the creation of New Labour and the Third Way, Blair's first ministry, developments in Northern Ireland from 1995 through the Easter Peace Deal into 2001, the 2001 General Election results and implications. Students of British politics and history will find this the perfect resource for their studies. *God In Number 10* Mark

Vickers, 2022-10-20 Mark Vickers has given us a wonderful new reference book of the beliefs and non-beliefs of 20th century PMs, a meaty volume that can also be consumed as a social history of British religion. *THE TELEGRAPH* This carefully researched and well-written study reveals the religious faith of our Prime Ministers or lack of it in vivid colours. Prepare to be shocked and surprised as the author lays bare their souls. *SIR ANTHONY SELDON* Mark Vickers' acclaimed volume on the faith of the twentieth-century Prime Ministers casts a new perspective on these holders of the highest political office in the realm. While there are biographies aplenty on the 18 men and 1 woman who took up residence behind the famous black door, it is notable that many of these works fail to reflect an important, sometimes the most important, aspect of the life of their subject: God. *Number 10* rectifies this omission, offering intriguing insights into Margaret Thatcher's legendary Sermon on the Mound, Tony Blair's perception of Jesus as a modernizer, Arthur Balfour's recourse to spiritualism, Stanley Baldwin's mystical experiences, and Winston Churchill's involvement with astrology. The book considers the role of religion generally in the political classes of the period, the reasons for the declining influence of faith in the public forum, and the relationship between Church and State. The families of H. H. Asquith, Bonar Law, Ramsay MacDonald, Neville Chamberlain, Harold Macmillan, Alec Douglas-Home, and Harold Wilson have all expressed their support for *Number 10*, and where able helped in the research, while John Major has assisted fully. **Having it So Good** Peter Hennessy, 2007-05-03 Winner of the

Orwell Prize for Political Writing, Peter Hennessy's *Having it So Good: Britain in the Fifties* captures Britain in an extraordinary decade emerging from the shadow of war into growing affluence. The 1950s was the decade in which Roger Bannister ran the four-minute mile, Bill Haley released *Rock Around the Clock*, rationing ended, and Britain embarked on the traumatic, disastrous Suez War. In this highly enjoyable original book, Peter Hennessy takes his readers into front rooms, classrooms, cabinet rooms, and the new high-street coffee bars of Britain to recapture as no previous history has the feel, the flavour, and the politics of this extraordinary time of change. Utterly engaging, a treat. It breathes exhilaration. Libby Purves, *The Times*. If the gods gossip, this is how it would sound. Philip Ziegler, *Spectator*. Books of the Year. A particular treat, fine, wise, and meticulously researched. Andrew Marr, *Standards*. Clear of the field as our best narrative history of this decisive decade. Peter Clarke, *Sunday Times*. A compelling narrative. Hennessy's love of the flesh and blood of politics breathes on every page. Tim

Gardam Observer The late Ben Pimlott once described Hennessy as something of a national institution You can forget the first two of those five words Guardian **The Cuban Missile Crisis** Len Scott,2023-11-23 It is sixty years since the events of October 1962 brought the world close to nuclear catastrophe The Cuban missile crisis has long been recognized as the moment of greatest danger in the life and near death of humanity In those sixty years our knowledge and understanding of events have undergone significant change There are some reasons to be encouraged inasmuch as we have learned how both President John F Kennedy and Premier Nikita Khrushchev sought to avoid nuclear war More ominously we have learned of incidents and events that suggest nuclear weapons might have been used by subordinate military commanders in circumstances frequently unknown to their political leaders Decisions whether to use nuclear weapons lay in the hands of often junior military commanders some of whom were perilously close to crossing the nuclear threshold This does not mean as often assumed that if some nuclear weapons were used escalation to all out war was inevitable Yet the undoubted risk of thermonuclear war in these circumstances threatened the very survival of civilization Hundreds if not thousands of millions of people would have died from immediate and short term effects while the longer term prospect of a Nuclear Winter portended the virtual extinction of humanity Drawing lessons from sixty years ago faces significant challenges If we draw lessons only to discover our understanding was mistaken we might well have drawn the wrong lessons Many received wisdoms about the crisis have been shown to be misleading What is striking is how after forty or fifty or even sixty years new evidence has emerged to challenge previously accepted explanations It is for the reader to reach their own verdicts on the history of the crisis and how much we owe to political leaders who averted catastrophe as well as how their words and deeds helped create the crisis in the first place It is for the reader to conclude how close we came to nuclear war Whatever conclusions are reached one overriding lesson looms large However we judge the actions of political and military leaders one factor was crucial in why we avoided nuclear war in 1962 It was luck In October 1962 humanity was very lucky Will we be so lucky next time **Britain, Germany and the Cold War** R. Gerald Hughes,2007-06-11 This well researched book details the ambiguity in British policy towards Europe in the Cold War as it sought to pursue détente with the Soviet Union whilst upholding its commitments to its NATO allies From the early 1950s Britain pursued a dual policy of strengthening the West whilst seeking détente with the Soviet Union British statesmen realized that only through compromise with Moscow over the German question could the elusive East West be achieved Against this the West German hard line towards the East endorsed by the United States was seen by the British as perpetuating tension between the two blocs This cast British policy onto an insoluble dilemma as it was caught between its alliance obligations to the West German state and its search for compromise with the Soviet bloc Charting Britain's attempts to reconcile this contradiction this book argues that Britain successfully adapted to the new realities and made hitherto unknown contributions towards détente in the early 1960s whilst drawing towards Western Europe and applying for membership of the EEC in 1961 Drawing on unpublished US and UK archives

Britain Germany and the Cold War casts new light on the Cold War the history of détente and the evolution of European integration This book will appeal to students of Cold War history British foreign policy German politics and international history

Tony Benn Jad Adams,2011-10-31 Tony Benn has been portrayed as both hero and villain as a creative and as a destructive force This comprehensively revised edition of Jad Adams's classic biography is written with unparalleled access to Benn's private records and describes the long and turbulent career of one of the most charismatic politicians of the last hundred years The first biography to have been written with full access to the Benn archives chronicles the behind the scenes story of Benn's bitter battles with every leader of the Labour Party since Gaitskell It details his service in the governments of Wilson and Callaghan his role as a champion of the left during the Labour Party's long period in opposition his retirement from Parliament to spend more time involved in politics in 2001 and his subsequent emergence as a leading figure of the British opposition to the war in Iraq

Eden D R Thorpe,2011-05-31 Anthony Eden who served as both Foreign Secretary and Prime Minister was one of the central political figures of the twentieth century He had good looks charm a Military Cross from the Great War an Oxford first and a secure parliamentary constituency from his mid twenties He was Foreign Secretary at the age of 38 and the first British statesman to meet Hitler Mussolini and Stalin Eden's dramatic resignation from Neville Chamberlain's Cabinet in 1938 outlined here in the fullest detail yet made an international impact This ground breaking book examines his controversial life and tells the inside story of the Munich crisis 1938 the Geneva Conference 1954 Eden's battles with Churchill over the modernisation of the post war Conservative Party and his rivalry with Butler and Macmillan in the early 1950s culminating in a fascinating analysis of the Suez crisis

Modern British Prime Ministers from Balfour to Johnson Dick Leonard,2021-11-22 Dick Leonard's Modern British Prime Ministers from Balfour to Johnson surveys the lives and careers of all the 24 Prime Ministers from Arthur Balfour to Boris Johnson in succinct informative and entertaining chapters Bringing to life the political achievements and personal idiosyncrasies of Britain's rulers over the 20th and 21st centuries the author recounts the circumstances which took them to the pinnacle of British political life probes their political and personal strengths and weaknesses assesses their performance in office and asks what lasting influence they have had Along the way Leonard entertains and informs revealing little known facts about the private lives of each of the Prime Ministers for example which two Premiers one Tory one Labour were taught by the same governess as a child Who was thrashed at his public school for writing pornography and later donated one fifth of his wealth to the nation Who was awarded a fourth class degree at Oxford and went on to father eight children Who was described by his son as probably the greatest natural Don Juan in the history of British politics This book can also form part of a two volume set published by Routledge including the companion volume British Prime Ministers from Walpole to Salisbury The 18th and 19th Centuries This book will be of key interest to scholars students and readers of British political history the Executive government and British politics

The Postwar Legacy of Appeasement R. Gerald Hughes,2014-01-16 Focusing on the

Cold War and the post Cold War eras R Gerald Hughes explores the continuing influence of Appeasement on British foreign policy and re evaluates the relationship between British society and Appeasement both as historical memory and as a foreign policy process The Postwar Legacy of Appeasement explores the reaction of British policy makers to the legacies of the era of Appeasement the memory of Appeasement in public opinion and the media and the use of Appeasement as a motif in political debate regarding threats faced by Britain in the post war era Using many previously unpublished archival sources this book clearly demonstrates that many of the core British beliefs and cultural norms that had underpinned the Chamberlainite Appeasement of the 1930s persisted in the postwar period

Macmillan 1894 1956 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Macmillan 1894 1956 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Macmillan 1894 1956 has opened up a world of possibilities. Downloading Macmillan 1894 1956 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Macmillan 1894 1956 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Macmillan 1894 1956. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Macmillan 1894 1956. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Macmillan 1894 1956, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Macmillan 1894 1956 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF

resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Macmillan 1894 1956 Books

What is a Macmillan 1894 1956 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Macmillan 1894 1956 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Macmillan 1894 1956 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Macmillan 1894 1956 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Macmillan 1894 1956 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
