McGuffey's Sixth Eclectic Reader William Holmes McGuffey, 1921 A traditional reader including stories poems and new word drills The sixth reader in the set revised and enlarged Approximately one hundred leading authors are represented in the readings *McGuffey's Third Eclectic Reader* McGuffey, 1997-11-25 Since 1836 children have been delighted by these volumes filled with exotic adventures exciting stories beautiful poems and funny fables The Third Eclectic Reader includes The Boy Who Cried Wolf The Wind and the Sun and We Are Seven *Old School Still Matters* Brian L. Fife, 2013-08-12 Can public schools in America be saved This book considers theory current practice and the common school ideal through a historical lens to arrive at practical suggestions for reforming contemporary public education Despite dramatic sweeping changes in recent decades a strong case can be made for guiding the reformation of contemporary public education in the United States on common school ideology of the nineteenth century The author argues that the common school remains a public institution capable of preparing America's youth to contribute to the community in a positive manner and that education must be treated as a public good where all children regardless of social class have a right to a quality education The work includes a thorough overview of Horace Mann's writings on K-12 public education that support the common school ideal concepts that are over 150 years old yet still highly relevant today McGuffey's Sixth Eclectic Reader , 1974

**Among Our Books** Carnegie Library of Pittsburgh, 1926      **Monster theory [electronic resource]** Jeffrey Jerome Cohen, 1996-11-15 The contributors to Monster Theory consider beasts demons freaks and fiends as symbolic expressions of cultural unease that pervade a society and shape its collective behavior Through a historical sampling of monsters these essays argue that our fascination for the monstrous testifies to our continued desire to explore difference and prohibition

**McGuffey's Sixth Eclectic Reader** William McGuffey, 2021-10-24      **The Victorian Homefront** Louise L. Stevenson, 1991 Examines the cultural and intellectual life of Americans during the years 1860 1880 looking at the institutions of the day and the spokespeople and key issues of the period      **McGuffey's Second Eclectic Reader** William Holmes McGuffey, 2020-04-21 The McGuffey Readers were America's primary school books for over a century This edition of the Second Eclectic Reader features the complete original text from the 1879 edition including dramatic stories vintage illustrations phonics based reading instruction and more      **This Land Was Mexican Once** Linda Heidenreich, 2009-02-17 The territory of Napa County California contains more than grapevines The deepest roots belong to Wappo speaking peoples a group whose history has since been buried by the stories of Spanish colonizers Californios today's Latinos African Americans Chinese immigrants and Euro Americans Napa's history clearly is one of co-existence yet its schoolbooks tell a linear story that climaxes with the arrival of Euro Americans In This Land Was Mexican Once Linda Heidenreich excavates Napa's subaltern voices and histories to tell a complex textured local history with important implications for the larger American West as well Heidenreich is part of a new generation of scholars who are challenging not only the old Euro American depiction of California but also the linear method of historical storytelling a method that inevitably favors the last man writing She first maps the overlapping histories that comprise Napa's past then examines how the current version came to dominate or even erase earlier events So while history in Heidenreich's words may be the stuff of nation building it can also be the stuff of resistance Chapters are interspersed with source breaks raw primary sources that speak for themselves and interrupt the linear Euro American telling of Napa's history Such an inclusive approach inherently acknowledges the connections Napa's peoples have to the rest of the region for the linear history that marginalizes minorities is not unique to Napa Latinos for instance have populated the American West for centuries and are still shaping its future In the end This Land Was Mexican Once is more than the story of Napa it is a multidimensional model for reflecting a multicultural past

**Fighting with the Past** Aaron Sheehan-Dean, 2025-08-19 Civil War Americans like people today used the past to understand and traverse their turbulent present As Aaron Sheehan Dean reveals in this fascinating work of comparative intellectual history nineteenth century Americans were especially conversant with narratives of the English Civil Wars of the 1600s Northerners and Southerners alike drew from histories of the English past to make sense of their own conflict interpreting the events of the past in drastically different ways Confederates for example likened themselves to England's

Royalists also known as Cavaliers hoping to preserve a social order built on hierarchy and claiming the right to resist what they perceived as radicals assaults on tradition Meanwhile conservative Northerners painted President Lincoln as a tyrant in the mold of English Lord Protector Oliver Cromwell while radical abolitionists drew inspiration from Cromwell and sought to rebuild the South as Cromwell had attempted with Ireland Surveying two centuries of history making and everyday engagement with historical thought Sheehan Dean convincingly argues that history itself was a battlefield of the American Civil War with narratives of the past exercising surprising agency in interpretations of the nineteenth century present Sheehan Dean s discoveries provide an entirely fresh perspective on the role of historical memory in the Civil War era and offer a broader meditation on the construction and uses of history itself      **McGuffey's Readers** McGuffey,2014-03-30 This Is A New Release Of The Original 1879 Edition      *McGuffey's Sixth Eclectic Reader* McGuffey William Holmes,2016-06-23 *McGuffey's First-[sixth] Eclectic Reader* William Holmes McGuffey,1907
