At the age of twenty-three, modern-day shaman and inspirational speaker Anne Berube's life was interrupted by a near-fatal car accident and mystical experience. Trapped in the car, unable to breathe, she had a vision that forever realigned her life's trajectory. The following years were marked by chronic pain, emotional turmoil, and malaise through which her journey of introspection and personal transformation would eventually lead to profound insights around self-healing, inner peace, and soul realization. In her inspirational memoir, Berube explores her journey of learning how to prioritize being and feeling in order to experience life richly, fully, and true to her soul's calling. Berube opens her heart and her mind to the universe's wisdom, providing guidance and comfort to those who feel at the precipice of change and awakening.
