New Penguin Handbook Of Living Religions:

The New Penguin Handbook of Living Religions John R. Hinnells, 1998 The New Penguin Handbook of Living Religions John Hinnells, 2004-05-24 A New Handbook of Living Religions John R. Hinnells, 1997-01-31 Discusses the history beliefs practices and festivals of Christianity Judaism Islam Buddhism Hinduism and the other major world religions

The Penguin Handbook of the World's Living Religions John R. Hinnells, 2010-03-25 Comprehensive informative and authoritative The Penguin Handbook of the World's Living Religions is compiled by a team of leading international scholars and is the definitive guide to the religious belief systems and practices of the world today This in depth survey of active religions has now been fully updated to include modern developments and the most recent scholarship It explains the sources and history of the world's religions includes material on the phenomenon of Black African and Asian diaspora religions around the world and explores the role of gender in modern religion **Essays to a Degree** David Fuller, 2015-10-22 A

compendium of academic essays written by a part time distance learning student in pursuit of an Honours Degree in Theology at the University of Aberdeen 2002-09 **West Indian Pentecostals** Janice A. McLean-Farrell, 2016-02-11 This is a significant in depth study that explores the cultural context of the religious experience of West Indian immigrant communities Whereas most studies to date have focussed on how immigrants settle in their new home contexts Janice A McLean Farrell argues for a more comprehensive perspective that takes into account the importance of religion and the role of both home and the host contexts in shaping immigrant lives in the Diaspora West Indian Pentecostals Living Their Faith in New York and London explores how these three elements religion the home and host contexts influence the ethnic religious identification processes of generations of West Indian immigrants Using case studies from the cities of New York and London the book offers a critical cross national comparison into the complex and indirect ways the historical socio economic and political realities in diaspora contribute to both the identification processes and the missional practices of immigrants Its focus on Pentecostalism also provides a unique opportunity to test existing theories and concepts on the interface of religion and immigration and makes important contributions to the study of Pentecostalism *Islam in Africa South of the Sahara* Pade Badru, Brigid M. Sackey, 2013-05-23 *Islam in Africa South of the Sahara* Essays in Gender Relations and Political Reform draws together contributions from scholars that focus on changes taking place in the practice of the religion and their effects on the political terrain and civil society Contributors explore the dramatic changes in gender relations within Islam on the continent occasioned in part by the events of 9 11 and the response of various Islamic states to growing negative media coverage These explorations of the dynamics of religious change reconfigured gender relations and political reform consider not only the role of state authorities but the impact of ordinary Muslim women who have taken to challenging the subordinate role assigned to them in Islam Essays are far ranging in their scope as the future of Islam in sub Saharan Africa falls under the microscope with contributors addressing such topics as the Islamic view of the historic Arab enslavement of

Africans and colonialist ventures studies of gender politics in Gambia northern Nigeria and Ghana surveys of the impact of Sharia law in Nigeria and Sudan the political role of Islam in Somalia South Africa and African diaspora communities Islam in Africa South of the Sahara is an ideal reader for students and scholars of international politics comparative theology race and ethnicity comparative sociology African and Islamic studies Religion: The Basics Malory Nye,2008-05-12 From the local to the global level religion is more than ever an important and hotly debated part of modern life in the twenty first century From silver rings to ringtones and from clubs to headscarves we often find the cultural role and discussion of religion in unexpected ways Now in its second edition Religion The Basics remains the best introduction to religion and contemporary culture available The new edition has been fully revised and updated and includes new discussions of the study of religion and culture in the twenty first century texts films and rituals cognitive approaches to religion globalization and multiculturalism spirituality in the West popular religion With new case studies linking cultural theory to real world religious experience and practice and guides to further reading Religion The Basics is an essential buy for students wanting to get to grips with this hotly debated topic Religion Malory Nye,2003 This unique guide provides a comprehensive and jargon free introduction to the world of religion It is the ideal first step in understanding the subject suitable for both the interested reader and the new student Spirituality: A Guide for the Perplexed Philip Sheldrake,2014-09-25 Spirituality is a word that is used increasingly these days yet it is often ill defined What exactly is spirituality Is it distinct from religion and can we separate it from beliefs and traditions Does spirituality mainly focus on spiritual experiences and practices or is it something more This book suggests that while there may be common features in the use of the word spirituality is not a single reality Different spiritualities reflect particular religious or philosophical viewpoints as well as the cultural contexts in which they arise and develop Spirituality A Guide for the Perplexed provides students and general readers with a reliable and comprehensive guide to spirituality as an area of study religiously historically philosophically and in the social sciences It explores the tools that are used to study the subject and to interpret spiritual classics whether these are written texts or other forms such as art from different times and cultures Attention is paid to spirituality in a variety of religious and non religious forms in their own terms and comparatively However for the sake of simplicity greatest attention is given to the study of spirituality within a religious perspective with illustrations drawn from texts personalities and themes associated with five major world religions Judaism Christianity Islam Hinduism and Buddhism The book concludes with an exploration of spirituality in contemporary perspective in particular how spirituality is currently employed in areas such as health care education and business among other examples **The Biology of Religious Behavior** Jay R. Feierman,2009-06-08 Offers a fresh and detailed take on the evolution of religious behavior from a biobehavioral perspective promoting a new understanding that may help build bridges across the religious divide There has been much recent interest in the study of religion from the perspective of Darwinian evolution The Biology of Religious Behavior The Evolutionary Origins of Faith and

Religion offers a broad overview of the topic written by internationally recognized experts In addition to its primary focus on religious behavior the book addresses other important aspects of religion such as values beliefs and emotions as they affect behavior The contributors approach the evolution of religion by examining the behavior of individuals in their everyday lives After describing various religious behaviors the contributors consider the behaviors with reference to their evolutionary history development during the lifetime of the individual proximate causes and adaptive value Happily this foray into understanding religion from a biobehavioral perspective demonstrates that at the biological and behavioral levels what unites the different religions of the world is far greater than what divides them *Sufism in the West* Jamal Malik, John

Hinnells, 2006-04-18 With the increasing Muslim diaspora in post modern Western societies Sufism intellectually as well as sociologically may eventually become Islam itself due to its versatile potential Although Sufism has always provoked considerable interest in the West no volume has so far been written which discusses this aspect of Islam in terms of how it is practised in Western societies Bringing together leading international authorities to survey the history of Islamic mysticism in North America and Europe this book elaborates the ideas and institutions which organize Sufism and folk religious practices The chapters cover the orders and movements their social base organization and institutionalization recruitment patterns in new environments channels of disseminating ideas such as ritual charisma and organization reasons for their popularity among certain social groups the nature of their affiliation with the countries of their origin Providing a fascinating insight into how Sufism operates within different spheres of society Sufism in the West is essential reading for students and academics with research interests in Islam Islamic history and social anthropology **Creative Approaches to Teaching**

Primary RE Maggie Webster, 2014-06-11 As an increasingly significant aspect of primary teaching Creative Approaches to Teaching Primary RE is the essential companion to help bring creativity to life in the classroom The text begins with a discussion of creative education and the value of Religious Education moving on to reflect on the cross curricular nature of the subject exploring ways of introducing creativity to the classroom through the medium of Religious Education Each chapter provides ideas and activities demonstrating how pedagogy and theory can be applied in practice within a school setting The inclusion of case studies will help you consider how to develop creative approaches in all curriculum areas This book invites you to ask questions such as What is Creative Education Why should RE be included in the ever changing curriculum How can I use Religious Education to generate a more creative environment in the classroom **Christian**

Movements in Southeast Asia Michael Nai-Chiu Poon, 2010 **The God Franchise** Alan Dawe, 2011-12 The God franchise is a book about God and the universe we live in It is also a book about YOU your loves your triumphs your good and not so good actions your fears and your pain You will uncover truths about who you are and the purpose of your life In fact it is a theory of everything Back cover *Get Set for Religious Studies* Dominic Corrywright, 2006-04-13 The transition from RE A level or from entirely alternate roots many RS students have not taken previous RS related courses to Religious Studies

at university requires some careful shepherding The field is huge This introductory book will provide a clear map for the key features of the terrain The two main strands shaping the book define what religions are and explain how Religious Studies approaches the religions The language is clear at the same time as introducing some of the key terminology used in the study of religions The study of religions and the academic discipline of Religious Studies are growing areas in tertiary education in the UK The continued interest in RE AS and A level as well as the growth in cognate humanities and social sciences such as Psychology Sociology Philosophy at AS A level and GNVQ level indicates the significant interest amongst students on matters that pertain to culture and humanity in general Students realise that religion is a driving force in contemporary culture and the study of it is central to understanding the contemporary world The statistics on religious belief bear out their interest four billion out of the six billion people who inhabit the world profess religious belief even in the secular societies of the Western world religiosity is growing and changing a recent BBC poll stated that 70% of people in the UK believe in a higher being or spiritual force The Georgetown Companion to Interreligious Studies Lucinda Mosher,2022 The Georgetown Companion to Interreligious Studies is a comprehensive authoritative creative and cutting edge anthology of fifty essays that taken as a group provide insight into and food for further thought about sub categories of a field of academic inquiry that has developed rapidly in recent decades Interreligious Studies is an academic field in which scholars deliberately draw on at least one other religion in addition to their home tradition when reflecting on worldview questions an arena in which at least one religious discourse is involved with some other discourse Hence Interreligious Studies is inherently multi disciplinary bringing together the study of religion s with methodologies from the fields of anthropology sociology psychology political science history women s studies ecology and more Interreligious Studies gives pride of place to relational intersectional and dialogical approaches as it seeks theoretical and practical insights through the examination of how religions relate to each other to their own internal diversity to various social systems to society at large A recent assessment of Interreligious Studies programs in universities and theological schools indicates that they make wide but not exclusive use of comparative and critical methods that their purposes include cultivation of religious literacy promotion of dialogue fostering of citizenship and professional preparation for leadership in multireligious contexts Power and Pilgrimage Sanne Derks,2009 Power and Pilgrimage is an in depth anthropological study of life at a Bolivian pilgrimage site It focuses on the experiences of pilgrims and how in their Marian devotion they express and learn to live with the various inequalities they experience in everyday life Issues of poverty and class inequality lead them to approach the Virgin of Urkupina to support them in their quest for economic betterment Another social inequality that comes to the fore is based on gender in particular Bolivian women seek Mary s support to deal with violence and oppression in their homes Finally ethnic inequalities are discussed by analysing the dance processions in honour of the Virgin since these reflect contested ethnic identities **The Routledge Companion to the Study of Religion , A Companion to Diaspora and Transnationalism** Ato Quayson,Girish Daswani,2013-07-03 A

Companion to Diaspora and Transnationalism offers a ground breaking combined discussion of the concepts of diaspora and transnationalism Newly commissioned essays by leading scholars provide interdisciplinary perspectives that link together the concepts in new and important ways A wide ranging collection which reviews the most significant developments and provides valuable insights into current key debates in transnational and diaspora studies Contains newly commissioned essays by leading scholars which will both influence the field and stimulate further insight and discussion in the future Provides interdisciplinary perspectives on diaspora and transnationalism which link the two concepts in new and important ways Combines theoretical discussion with specific examples and case studies
