**James B. Jacobs**

## **New Perspectives On Prisons And Imprisonment:**

**New Perspectives on Prisons and Imprisonment** James B. Jacobs, 1983 *New Perspectives on Prisons and Imprisonment* James B. Jacobs, 1983 **The Oxford Handbook of Prisons and Imprisonment** John D. Wooldredge, Paula Smith, 2018-03-09 Research on prisons prior to the prison boom of the 1980s and 1990s focused mainly on inmate subcultures inmate rights and sociological interpretations of inmate and guard adaptations to their environment with qualitative studies and ethnographic methods the norm In recent years research has expanded considerably to issues related to inmates mental health suicide managing special types of offenders risk assessment and evidence based treatment programs The Oxford Handbook of Prisons and Imprisonment provides the only single source that bridges social scientific and behavioral perspectives providing graduate students with a more comprehensive understanding of the topic academics with a body of knowledge that will more effectively inform their own research and practitioners with an overview of evidence based best practices Across thirty chapters leading contributors offer new ideas critical treatments of substantive topics with theoretical and policy implications and comprehensive literature reviews that reflect cumulative knowledge on what works and what doesn't The Handbook covers critical topics in the field some of which include recent trends in imprisonment prison gangs inmate victimization the use and impact of restrictive housing unique problems faced by women in prison special offender populations risk assessment and treatment effectiveness prisoner re entry and privatization The Oxford Handbook of Prisons and Imprisonment offers a rich source of information on the current state of institutional corrections around the world on issues facing both inmates and prison staff and on how those issues may impede or facilitate the various goals of incarceration First Available Cell Chad R. Trulson, James W. Marquart, 2010-01-01 Decades after the U S Supreme Court and certain governmental actions struck down racial segregation in the larger society American prison administrators still boldly adhered to discriminatory practices Not until 1975 did legislation prohibit racial segregation and discrimination in Texas prisons However vestiges of this practice endured behind prison walls Charting the transformation from segregation to desegregation in Texas prisons which resulted in Texas prisons becoming one of the most desegregated places in America First Available Cell chronicles the pivotal steps in the process including prison director George J. Beto's 1965 decision to allow inmates of different races to co exist in the same prison setting defying Southern norms The authors also clarify the significant impetus for change that emerged in 1972 when a Texas inmate filed a lawsuit alleging racial segregation and discrimination in the Texas Department of Corrections Perhaps surprisingly a multiracial group of prisoners sided with the TDC fearing that desegregated housing would unleash racial violence Members of the security staff also feared and predicted severe racial violence Nearly two decades after the 1972 lawsuit one vestige of segregation remained in place the double cell Revealing the aftermath of racial desegregation within that 9 x 5 foot space First Available Cell tells the story of one of the greatest social experiments with racial desegregation in American history **Capital Punishment: New Perspectives**

Peter Hodgkinson, 2016-04-08 This collection asks questions about the received wisdom of the debate about capital punishment Woven through the book questions are asked of and remedies proposed for a raft of issues identified as having been overlooked in the traditional discourse It provides a long overdue review of the disparate groups and strategies that lay claim to abolitionism The authors argue that capital litigators should use their skills challenging the abuses not just of process but of the conditions in which the condemned await their fate namely prison conditions education leisure visits medical services etc In the aftermath of successful constitutional challenges it is the beneficiaries arguably those who are considered successes having been saved from the death penalty and now serving living death penalties of one sort or another who are suffering the cruel and inhumane alternative Part I of the book offers a selection of diverse nuanced examinations of death penalty phenomena scrutinizing complexities frequently omitted from the narrative of academics and activists It offers a challenging and comprehensive analysis of issues critical to the abolition debate Part II offers examinations of countries usually absent from academic analysis to provide an understanding of the status of the debate locally with opportunities for wider application

*Handbook on Prisons* Yvonne Jewkes, 2012-08-21 Focusing on prisons this title is a useful reference for practitioners working in prisons and other parts of the criminal justice system It explores a range of historical and contemporary issues relating to prisons imprisonment and prison management

*International Handbook of Penology and Criminal Justice* Shlomo Giora Shoham, Ori Beck, Martin Kett, 2007-10-08 At the outset of the twenty first century more than 9 million people are held in custody in over 200 countries around the world from the essay Prisons and Jails by Ron King The first comparative study of this increasingly integral social subject International Handbook of Penology and Criminal Justice provides a comprehensive and balanced review

**Gender, Prison and Reentry Experiences** Silvia Gomes, Dixie Rocker, 2024-04-30 This book explores the unique reentry experiences of incarcerated men and women who are about to be released from prisons in Portugal By analysing gendered reentry experiences through the narratives of men and women Gender Prison and Reentry Experiences sheds light on current practices and strategies adopted in prisons regarding reentry and examines the structural institutional and personal barriers that influence the reentry outcome Gender Prison and Reentry Experiences examines the narratives built around an individual's prison experiences their perception of the prison's impact on reentry and their expectations after release It reveals how men and women narrate and attribute meaning to their time in prison and how they navigate their prisoner and gendered identities In doing so this book demonstrates the importance of these identities in relation to recidivism and desistance while also questioning the role incarceration has in further criminalising and obstructing an individual's reentry process It puts forward recommendations that aim to improve the lives of all incarcerated individuals within the current system in addition to advocating for decarceration and prison abolition It presents a novel contribution to the internationalisation of knowledge across multiple disciplinary subfields namely critical reentry studies and feminist criminology filling a gap in the current knowledge as few studies focus on prison

experiences as a core aspect of understanding the reentry process An accessible and compelling read this book will appeal to students and scholars of criminology sociology law desistance studies and those interested in gaining a unique insight into the experience of incarcerated individuals *The Oxford Handbook of Criminology* Rod Morgan, Mike Maguire, Robert Reiner, 2012-04-12 The approach of the year 2000 has made the study of apocalyptic movements trendy But groups anticipating the end of the world will continue to predict Armageddon even after the calendar clicks to triple Os **Prisons and Patriots** Cherstin Lyon, 2012 *Prisons and Patriots* provides a detailed account of forty one Nisei second generation Japanese Americans known as the Tucsonians who were imprisoned for resisting the draft during WWII Cherstin Lyon parallels their courage as resisters with that of civil rights hero Gordon Hirabayashi well known for his legal battle against curfew and internment who also resisted the draft These dual stories highlight the intrinsic relationship between the rights and the obligations of citizenship particularly salient in times of war Lyon considers how wartime civil disobedience has been remembered through history how soldiers have been celebrated for their valor while resisters have been demonized as unpatriotic Using archival research and interviews she presents a complex picture of loyalty and conflict among first generation Issei and Nisei Lyon contends that the success of the redress movement has made room for a narrative that neither reduces the wartime confinement to a source of shame nor proffers an uncritical account of heroic individuals

*Encyclopedia of Prisons and Correctional Facilities* Mary Bosworth, 2004-12-15 Click Additional Materials for downloadable samples The two volume Encyclopedia of Prisons and Correctional Facilities aims to provide a critical overview of penal institutions within a historical and contemporary framework The United States has the highest incarceration rate in the world a fact that has caused lawmakers advocates and legal professionals to rethink punishment policies as well as develop new policies on prisoner education and rehabilitation Issues of race gender and class are fully integrated throughout in order to demonstrate the complexity of the implementation and intended results of incarceration The Encyclopedia contains biographies articles describing important legal statutes and detailed and authoritative descriptions of the major prisons in the United States Comparative data and examples are employed to analyze the American system within an international context The Encyclopedia's 400 entries are all written by recognized authorities The appendix contains a comprehensive listing of every federal prison in the U S complete with facility details and service information Key Themes Juvenile Justice Labor Prison Architecture Prison Populations Prison Reform Privatization Race Gender Class Security and Classification Sentencing Policy and Laws Staff Theories of Punishment Treatment Programs Editorial Board Stephanie Bush Baskette National Council on Crime and Delinquency NCCD Jeanne Flavin Fordham University Esther Heffernan Edgewood College Jim Thomas Northern Illinois University **Historical Geographies of Prisons** Karen Morin, Dominique Moran, 2015-06-12 This is the first book to provide a comprehensive historical geographical lens to the development and evolution of correctional institutions as a specific subset of carceral geographies This book analyzes and critiques global

practices of incarceration regimes of punishment and their corresponding spaces of corrections from the eighteenth to twenty first centuries It examines individuals experiences within various regulatory regimes and spaces of punishment and offers an interpretation of spaces of incarceration as cultural historical artifacts The book also analyzes the spatial distributional geographies of incarceration particularly with respect to their historical impact on community political economic development and local geographies Contributions within this book examine a range of prison sites and the practices that take place within them to help us understand how regimes of punishment are experienced and are constructed in different kinds of ways across space and time for very different ends The overall aim of this book is to help understand the legacies of carceral geographies in the present The resonances across space and time tell a profound story of social and spatial legacies and as such offer important insights into the prison crisis we see in many parts of the world today

**The American Prison** Francis T. Cullen, Mary K. Stohr, 2014 For the first time in four decades prison populations are declining and politicians have reached the consensus that mass imprisonment is no longer sustainable At this unique moment in the history of corrections the opportunity has emerged to discuss in meaningful ways how best to shape efforts to control crime and to intervene effectively with offenders The American Prison Imagining a Different Future by Francis T Cullen Cheryl Lero Johnson and Mary K Stohr pulls together established correctional scholars to imagine what this prison future might entail Each scholar uses his or her expertise to craft in an accessible way for students to read a blueprint for how to create a new penology along a particular theme For example one contributor writes about how to use existing research expertise to create a prison that is therapeutic and another provides insight on how to create a feminist prison In the final chapter the editors pull together the lessons learned in a cohesive comprehensive essay

**New Perspectives on Desistance** Emily Luise Hart, Esther F.J.C. van Ginneken, 2017-06-14 This book brings together a collection of emergent research that moves the debate on desistance beyond a general consideration of individual and social structural influences The authors examine empirical developments which have implications for policy surrounding resettlement and re offending but also for punishment practices Presenting thought provoking theoretical advances and critiques the editors challenge and enrich traditional understandings of desistance A wide range of chapters explore how some criminal justice interventions hinder the desistance process but also how alternative approaches may be more helpful in promoting and supporting desistance Thorough and diverse this book will be of great interest to scholars of criminology and criminal justice social policy sociology and psychology and of special interest to researchers and practitioners working with ex offenders

**Ethics in Criminal Justice** Sam S. Souryal, 2010-10-29 Introducing the fundamentals of ethical theory this text exposes the reader to the ways and means of making moral judgments by covering the teachings of the great philosophers sources of criminal justice ethics and unethical patterns in the criminal justice system It is presented from two perspectives a thematic perspective that addresses ethical principles common to all components of the discipline and an area specific perspective that addresses the

state of ethics in criminal justice in the fields of policing corrections and probation and parole What you will learn from this chapter key terms and definitions and review questions included with each chapter NEW THIS EDITION The fifth edition features expanded discussion of the formula of ethical discretion to enhance students understanding the ethics of decision making in real life situations as well as a new chapter on the ethics of loyalty and loyalties in the workplace A classical approach to the study of ethics in criminal justice Challenges the reader to emphasize and restore ethics in their part of the criminal justice field

*Migratory Stratifications. A New Perspective on Migration and Social Change through the Italian Lens* Francesco Della Puppa, Giuliana Sanò, Giulia Storato, 2024-08-20 This groundbreaking edited book offers an innovative lens to explore how migration and social change are intertwined moving beyond sensationalized media narratives and political agendas It introduces the concept of migratory stratification challenging researchers to focus on the long lasting effects of migration rather than fleeting superficial headlines By investigating immigrant labour dynamics migration policies and socio historical contexts the book delves into the structural forces that shape migration and the working class struggles that emerge Featuring in depth case studies from Italy it reveals migration s deep social impact on labour politics and urban spaces providing fresh insights into contemporary migration studies Ideal for academics policymakers and readers interested in a nuanced long term view of migration Migratory Stratifications sheds light on the stratification processes that influence both immigrants and the societies they reshape CONTENTS Migratory stratifications A New Perspective to Observe the Intersection Between Migration and Social Change Francesco Della Puppa Giuliana San and Giulia Storato SECTION 1 POLITICS INSTITUTIONS AND STRUGGLES CHAPTER 1 Walking on Fault Lines An Archaeological Discourse on the Debris of Anti Racist Struggles in Italy Andrea Caroselli and Andrea Ruben Pomella CHAPTER 2 Migratory Stratification in Prison An Overview of the Italian Context Alesandro Maculan and Luca Sterchele SECTION 2 GENDER AND GENERATION CHAPTER 3 Migratory Stratifications and Social Ageing Disentangling Change in a Tunisian Community in Italy Andrea Calabretta and Vincenzo Romenia CHAPTER 4 Periods of Educational Welfare and Migratory Stratification The City of Padua as a Case Study Giulia Maria Cavaletto and Martina Visentin CHAPTER 5 Migrant Literatures Between Italy and Argentina Susanna Regazzoni and Ricciarda Ricorda SECTION 3 LABOUR CONFLICTS AND COMPETITION CHAPTER 6 Migration Stratifications in the Italian Labour Market The Case of the Veneto Region Davide Girardi and Ilaria Rocco CHAPTER 7 The Stratification of the Frontier Perspectives from the Shipyard Town of Monfalcone Giuseppe Grimaldi SECTION 4 CITY CULTURES AND URBAN SPACES CHAPTER 8 Ethnoscape Migratory Stratifications and Multicultural Neighbourhoods Alfredo Alietti and Claudia Mantovan CHAPTER 9 Lasciatemi cantare la vita che fa un immigrato vero Images and Imagery of the Migration Experience in Italian Rap and Trap Lyrics Tommaso Sarti and Fabio Bertoni CHAPTER 10 The Taste of Home Migrants Food in the Making Between Continuity and Change Marzia Mauriello

**The Crisis of Caregiving B.** Mandell, 2013-05-14 This book discusses the crisis of caregiving as it affects parents seeking to provide good care for their

children and people who care for their aged or disabled relatives Discussed are alternatives to the present welfare system a description of the current safety net programs and an analysis of the privatization of social services *Criminal*

*Disenfranchisement in an International Perspective* Alec C. Ewald, Brandon Rottinghaus, 2009-04-13 This collection of original essays by leading scholars and advocates offers the first international examination of the nature causes and effects of laws regulating voting by people with criminal convictions In deciding whether prisoners shall retain the right to vote a country faces vital questions about democratic self definition and constitutional values and increasingly about the scope of judicial power Yet in the rich and growing literature on comparative constitutionalism relatively little attention has been paid to voting rights and election law This book begins to fill that gap by showing how constitutional courts in Israel Canada South Africa and Australia as well as the European Court of Human Rights have grappled with these policies in the last decade Chapters analyze partisan politics political theory prison administration and social values showing that constitutional law is the fruit of political and historical contingency not just constitutional texts and formal legal doctrine Principles of

European Prison Law and Policy Dirk van Zyl Smit, Sonja Snacken, 2009-01-08 In recent years European prison law and policy have emerged as a force to be reckoned with This book explores its development and analyses the penological and human rights foundations on which it is based It examines the findings of the European Committee for the Prevention of Torture the recommendations of the Council of Europe and the judgments of the European Court of Human Rights From these sources it makes the general principles that underlie European prison law and policy explicit emphasising the principle of using imprisonment as a last resort and the recognition of prisoners rights The book then moves on to apply these principles to conditions of imprisonment regimes in prison contacts between prisoners and the outside world and the maintenance of good order in prisons The final chapter of the book considers how European prison law and policy could best be advanced in future The authors argue that the European Court of Human Rights should adopt a more proactive approach to ensuring that imprisonment is used only as a last resort and that a more radical interpretation of the existing provisions of the European Convention on Human Rights will allow it to do so It concludes that the growing cooperation on prison matters within Europe bodes well for the increased recognition of prisoners rights across Europe In spite of some countervailing voices Europe should increasingly be able to give an international lead in a human rights approach to prison law and policy in the same way it has done with the abolition of the death penalty **Parental Imprisonment and Children's Rights** Fiona

Donson, Aisling Parkes, 2021-03-30 This book brings together internationally renowned academics and professionals from a variety of disciplines who in a variety of ways seek to understand the legal conceptual and practical consequences of parental imprisonment through a children's rights lens Children whose parents have been incarcerated are often referred to as invisible victims of crime and the penal system It is well accepted that the imprisonment of a parent even for a short period of time not only negatively affects the lives of children but it can also result in a gross violation of their fundamental human

rights such as the right of access to their parent and the right to have an input into decision making processes affecting them the outcomes of which will without doubt affect the life of the child concerned This collection foregrounds the voice of these children as it explores transdisciplinary boundaries and examines the practice and development of the rights of both children and their families within the wider dynamic of criminal justice and penology practice The text is divided into three parts which are dedicated to 1 hearing the voices of children with parents in prison 2 understanding to what extent children s rights informs prison policy and 3 demonstrating how law in the form of children s rights can help frame both court sentencing and prison practice in a way that minimises the harm that contact with the prison system can cause The research drawn upon in this book has been conducted in a number of European countries and demonstrates both good and bad practice as far as the implementation of children s rights is concerned in the context of parental incarceration An accessible and compelling read this book will appeal to students and scholars of law children s rights criminology sociology social work psychology penology and all those interested in and working towards protecting the rights of children who have a parent in prison

### **New Perspectives On Prisons And Imprisonment Introduction**

In the digital age, access to information has become easier than ever before. The ability to download New Perspectives On Prisons And Imprisonment has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download New Perspectives On Prisons And Imprisonment has opened up a world of possibilities. Downloading New Perspectives On Prisons And Imprisonment provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading New Perspectives On Prisons And Imprisonment has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download New Perspectives On Prisons And Imprisonment. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading New Perspectives On Prisons And Imprisonment. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading New Perspectives On Prisons And Imprisonment, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download New Perspectives On Prisons And Imprisonment has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About New Perspectives On Prisons And Imprisonment Books

**What is a New Perspectives On Prisons And Imprisonment PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a New Perspectives On Prisons And Imprisonment PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a New Perspectives On Prisons And Imprisonment PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a New Perspectives On Prisons And Imprisonment PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a New Perspectives On Prisons And Imprisonment PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
