An Instinct for Truth Robert T. Pennock,2019-08-13 An exploration of the scientific mindset such character virtues as curiosity veracity attentiveness and humility to evidence and its importance for science democracy and human flourishing Exemplary scientists have a characteristic way of viewing the world and their work their mindset and methods all aim at discovering truths about nature In *An Instinct for Truth* Robert Pennock explores this scientific mindset and argues that what Charles Darwin called an instinct for truth knowledge and discovery has a tacit moral structure that it is important not only for scientific excellence and integrity but also for democracy and human flourishing In an era of post truth the scientific drive to discover empirical truths has a special value Taking a virtue theoretic perspective Pennock explores curiosity veracity skepticism humility to evidence and other scientific virtues and vices He explains that curiosity is the most distinctive element of the scientific character by which other norms are shaped discusses the passionate nature of scientific attentiveness and calls for science education not only to teach scientific findings and methods but also to nurture the scientific mindset and its core values Drawing on historical sources as well as a sociological study of more than a thousand scientists Pennock s philosophical account is grounded in values that scientists themselves recognize they should aspire to Pennock argues that epistemic and ethical values are normatively interconnected and that for science and society to flourish we need not just a philosophy of science but a philosophy of the scientist

The Urban Pirate Reader and Idle Chatter Stitch Frizbin,2011-08-26 *The Urban Pirate Reader And Idle Chatter* was written as a therapeutic non violent outlet

explaining individual daily behaviors often witnessed social outbursts prose poetry dreams white lies and realities as I remember them or as others rattle them off in stupors caused by any number of physical or mental indulgences Or merely the echoes of other urban pirates lost in the sea of humanity treading the waters of life and just trying to survive Age is the rider of forgetfulness wearing sagging armor while trying to fight the inner demons of self control with a pocketful of ice cubes
