New South Women Twentieth Century Women Of Charlotte North Carolina:

New South Women Mary Norton Kratt, 2001-01-01 *North American Women Artists of the Twentieth Century* Jules Heller, Nancy G. Heller, 2013-12-19 First Published in 1997 Routledge is an imprint of Taylor Francis an informa company

North Carolina Women Michele Gillespie, Sally G. McMillen, 2014 This first of two volumes on North Carolina women chronicles the influence and accomplishments of individual women from the pre Revolutionary period through the early 20th century They represent a range of social and economic backgrounds political stances areas of influence and geographical regions within the state Even though North Carolina remained mostly rural until well into the twentieth century and the lives of most women centered on farm family and church Gillespie and McMillen note that the state s people exhibited a progressive streak that positively influenced women Public funds were set aside to advance statewide education private efforts after the Civil War led to the founding of numerous black schools and colleges and in 1891 the General Assembly chartered the State Normal and Industrial School later UNC G as one of the first publicly funded colleges for white women By the late 19th century as several essays in this volume reveal education played a pivotal role in the lives of many white and black women It inspired their activism and involvement in a world beyond their traditional domestic sphere **Charlotte,**

North Carolina Mary Kratt, 2009-04-28 Founded in 1768 at the crossing of two Indian trails Charlotte has a rich heritage to match its age Hear the personal voices of discovery hardship wars privation segregation and achievement from village to boomtown In this extensively researched volume accomplished author and historian Mary Kratt chronicles the history of Charlotte from the earliest Catawba inhabitants to the development of finance culture and transportation still centered on those ancient crossroads Whether detailing the cotton fields and textile mills of yesterday or the banking center of tomorrow Kratt s account is a fascinating history of the people who have made Charlotte a queen among southern cities **The Power of Femininity in the New South** Anastatia Sims, 1997 The Power of Femininity in the New South demonstrates how the legendary strength and moral authority of the South s steel magnolias inspired turn of the century women to move from the parlor to the political arena With a comprehensive examination of the women s voluntary associations that proliferated in North Carolina between 1880 and 1930 Anastatia Sims chronicles the emergence of women both black and white in a political terrain torn between the tyranny of white supremacy and the promise of Progressive reform She tells how organized women as they called themselves came to terms with a sacred cultural icon of the antebellum South the complex often contradictory ideal of southern femininity and how they explored the ideal s possibilities discovered its limitations and ultimately transformed it by their own actions *Eminent Charlotteans* Scott Syfert, 2018-04-09 Inspired by the 2010 Spirit of Mecklenburg a bronze statue of Captain James Jack the South s Paul Revere in downtown Charlotte North Carolina this history details the lives of 12 Charlotteans who made important contributions to the Queen City from the early Colonial period to the 20th century Subjects include Catawba Indian chief King Haigler Founding Father Thomas Polk freed slave

Ishmael Titus African American celebrity barber Thad Tate and North Carolina's first woman physician Annie Alexander
Charlotte and Mecklenburg County Police Ryan L. Sumner, Charlotte-Mecklenburg Police

Department, Charlotte-Mecklenburg Police Benevolent Fund, 2010-03-01 For nearly a century and a half police in Charlotte and Mecklenburg County have displayed tremendous courage and sacrifice in the execution of their duty adapted to social and cultural changes within the American South and increasingly embraced sophisticated methods and revolutionary advances in technology to meet the challenges posed by criminals and a violent culture Images of America Charlotte and Mecklenburg County Police highlights the rich history of two departments that consolidated in 1993 as the Charlotte Mecklenburg Police Department **The North Carolina Historical Review**, 2019 **The Life of Madie Hall Xuma**

Wanda A. Hendricks, 2022-10-25 Revered in South Africa as An African American Mother of the Nation Madie Beatrice Hall Xuma spent her extraordinary life immersed in global women's activism Wanda A Hendricks's biography follows Hall Xuma from her upbringing in the Jim Crow South to her leadership role in the African National Congress ANC and beyond Hall Xuma was already known for her social welfare work when she married South African physician and ANC activist Alfred Bitini Xuma Becoming president of the ANC Women's League put Hall Xuma at the forefront of fighting racial discrimination as South Africa moved toward apartheid Hendricks provides the long overlooked context for the events that undergirded Hall Xuma's life and work As she shows a confluence of history ideas and organizations both shaped Hall Xuma and centered her in the histories of Black women and women's activism and of South Africa and the United States *Historical Dictionary of Women's Education in the United States* Linda Eisenmann, 1998-07-17 The history of women's education in the United States presents a continuous effort to move from the periphery to the mainstream and this book examines both formal and informal opportunities for girls and women Through an introductory essay and nearly 250 alphabetically arranged entries this reference book examines institutions persons ideas events and movements in the history of women's education in the United States The volume spans the colonial era to the present exploring settings from formal institutions such as schools and colleges to informal associations such as suffrage groups and reform organizations where women gained skills and used knowledge A full picture of women's educational history presents their work in mainstream institutions sex segregated schools and informal organizations that served as alternative educational settings Educational history varies greatly for women of different races classes and ethnicities The experience of some groups has been well documented Thus entries on the Seven Sisters women's colleges and the reform organizations of the Progressive Era convey wide historical detail Other women have been studied only recently Thus entries on African American school founders or women teachers present considerable new information that scholars interpret against a wider context Finally some women's history has yet to be adequately explored Hispanic American women and Catholic teaching sisters are discussed in entries that highlight historical questions still remaining Each entry is written by an expert contributor and concludes with a brief bibliography The volume

closes with a timeline of women's educational history and a list of important general works for further reading

Sport and the Color Line Patrick B. Miller, David Kenneth Wiggins, 2004 The essays presented in this text examine the complexity of black American sports culture from the organization of semi pro baseball and athletic programs at historically black colleges and universities to the careers of individual stars such as Jack Johnson and Joe Louis

Like a Family Jacquelyn Dowd Hall, James L. Leloudis, Robert R. Korstad, Mary Murphy, Lu Ann Jones, 2012-12-30 Since its original publication in 1987 Like a Family has become a classic in the study of American labor history Basing their research on a series of extraordinary interviews letters and articles from the trade press the authors uncover the voices and experiences of workers in the Southern cotton mill industry during the 1920s and 1930s Now with a new afterword this edition stands as an invaluable contribution to American social history The genius of Like a Family lies in its effortless integration of the history of the family particularly women into the history of the cotton mill world Ira Berlin New York Times Book Review Like a Family is history folklore and storytelling all rolled into one It is a living revelatory chronicle of life rarely observed by the academe A powerhouse Studs Terkel Here is labor history in intensely human terms Neither great impersonal forces nor deadening statistics are allowed to get in the way of people If students of the New South want both the dimensions and the feel of life and labor in the textile industry this book will be immensely satisfying Choice

The Women Founders Patricia Madood Lengermann, Gillian Niebrugge, 2006-12-31 An essential volume for anyone interested in the history of sociology the development of sociological theory or the history of women in the profession this well researched compellingly argued book makes the case for the active and significant presence of women in the creation of sociology and social theory in its founding and classic periods Further Lengermann and Niebrugge explain how the women came to be erased from the history of sociology and identify the political and intellectual currents that now make their recovery both possible and important The volume focuses on 15 women in eight chapters Each chapter begins with a biographical sketch situating each thinker's ideas in a historical social and cultural context Next the authors analyze the woman's theory summarizing its underlying assumptions explicating its major themes and introducing key vocabulary The chapter concludes with excerpts from the original texts of the women founders All the theories discussed in this text share a moral commitment to the idea that sociology should and could work for the alleviation of socially produced human pain The ethical duty of the sociologist is to seek sound scientific knowledge to refuse to make the knowledge an end in itself to speak for the disempowered to advocate social reform and to never forget that the appropriate relationship between researcher and subject is one of mutuality

Club Women of New York, 1905

Good Parents, Better Homes, and Great Schools Karen Benjamin, 2025-07-15 Good Parents Better Homes and Great Schools examines how white residential developers planning consultants and their allies in government strategically replaced block level segregation with segregation at the neighborhood level in New South cities such as Atlanta Baltimore Birmingham Houston Raleigh and Winston Salem Going beyond the well known Home

Owners Loan Corporation maps of the 1930s Karen Benjamin traces segregation tactics back to the late nineteenth century when this public private partnership laid the groundwork for the nationwide segregation strategies codified by the New Deal This book links the tactics of residential and school segregation to prevailing middle class ideas about what constitutes good parenting ensuring the longevity of both practices By focusing on efforts that specifically targeted parents Benjamin not only adds a new dimension to the history of residential segregation but also helps explain why that legacy has been so difficult to undo

Reconstructions Thomas J. Brown, 2008-09-23 The pivotal era of Reconstruction has inspired an outstanding historical literature In the half century after W E B DuBois published *Black Reconstruction in America* 1935 a host of thoughtful and energetic authors helped to dismantle racist stereotypes about the aftermath of emancipation and Union victory in the Civil War The resolution of long running interpretive debates shifted the issues at stake in Reconstruction scholarship but the topic has remained a vital venue for original exploration of the American past In *Reconstructions* New Perspectives on the Postbellum United States eight rising historians survey the latest generation of work and point to promising directions for future research They show that the field is opening out to address a wider range of adjustments to the experiences and effects of Civil War Increased interest in cultural history now enriches understandings traditionally centered on social and political history Attention to gender has joined a focus on labor as a powerful strategy for analyzing negotiations over private and public authority The contributors suggest that Reconstruction historiography might further thrive by strengthening connections to such subjects as western history legal history and diplomatic history and by redefining the chronological boundaries of the postwar period The essays provide more than a variety of attractive vantage points for fresh examination of a major phase of American history By identifying the most exciting recent approaches to a theme previously studied so ably the collection illuminates the creative process in scholarly historical literature

Ambivalent Affinities Jennifer Dominique Jones, 2023-10-12 In the early twenty first century comparisons between the modern civil rights movement and the movement for marriage equality reached a fever pitch These comparisons however have a longer history During the five decades after World War II political ideas about same sex intimacy and gender nonconformity most often categorized as homosexuality appeared in the campaigns of civil rights organizations Black liberal elected officials segregationists and far right radicals Deployed in complex and at times contradictory ways political ideas about homosexuality and later lesbian gay bisexual and transgender subjects became tethered to conceptualizations of Blackness and racial equality In this interdisciplinary historical study Jennifer Dominique Jones reveals the underexamined origins of comparisons between Black and LGBT political constituencies in the modern civil rights movement and white supremacist backlash Foregrounding an intersectional framing of postwar political histories Jones demonstrates how the shared non normative status of Blackness and homosexuality facilitated comparisons between subjects and political visions associated with both Drawing upon organizational records manuscript collections newspaper accounts and visual and textual

ephemera this study traces a long conflicting relationship between Black and LGBT political identities that continues to the present day Annual Report National Association for the Advancement of Colored People,1927 **The Princeton Guide to Historical Research** Zachary Schrag,2021-04-27 The essential handbook for doing historical research in the twenty first century The Princeton Guide to Historical Research provides students scholars and professionals with the skills they need to practice the historian s craft in the digital age while never losing sight of the fundamental values and techniques that have defined historical scholarship for centuries Zachary Schrag begins by explaining how to ask good questions and then guides readers step by step through all phases of historical research from narrowing a topic and locating sources to taking notes crafting a narrative and connecting one s work to existing scholarship He shows how researchers extract knowledge from the widest range of sources such as government documents newspapers unpublished manuscripts images interviews and datasets He demonstrates how to use archives and libraries read sources critically present claims supported by evidence tell compelling stories and much more Featuring a wealth of examples that illustrate the methods used by seasoned experts The Princeton Guide to Historical Research reveals that however varied the subject matter and sources historians share basic tools in the quest to understand people and the choices they made Offers practical step by step guidance on how to do historical research taking readers from initial questions to final publication Connects new digital technologies to the traditional skills of the historian Draws on hundreds of examples from a broad range of historical topics and approaches Shares tips for researchers at every skill level Built by the People Themselves Lindsey Bestebreurtje,2024-11-07 The story of how racial segregation and suburbanization shaped lives the built environment and the law in Arlington In Built by the People Themselves Lindsey Bestebreurtje traces the history of the Black community in Arlington Virginia from the first days of emancipation through the civil rights era in the twentieth century A core insight of her account is how common people developed strategies to survive and thrive despite systems of oppression in the Jim Crow South Moving beyond the standard story of suburbanization that focuses on elite white community developers Bestebreurtje analyzes African American led community development and its effects on Arlington County
