

A woman with dark hair, wearing a yellow long-sleeved shirt, is sitting on the grass and smiling. She is holding her hands up, palms facing each other, in a gesture of prayer or meditation. A young girl with long dark hair, wearing a light blue long-sleeved shirt, is sitting next to her, also with her hands up in a similar gesture. They are outdoors in a grassy field with trees in the background. The lighting is warm, suggesting late afternoon or early morning. In the background, a person is walking a dog.

survive unless the current perceptions of freedom and secularism undergo a drastic change There is freedom to promote almost everything except the Christian truth Ten Commandments are banned But yoga is promoted at all levels This kind of selective discrimination against the truth will destroy the very foundations of any society Strange motivations of the anti supernatural secularist lobby in the governmental institutions and their complicity in side lining Christian faith cannot be ruled out Thus ironically the undefeatable America tends to defeat itself In its rejection of Christian truth and values USA made truth a lie and the lie a truth If the current trends of self hatred of Christian faith by higher criticism and liberal theology and destruction of churches continue in 20 years USA will be overrun by the values and culture of Hinduism and Islam And USA will go down in history as the most powerful empire which had the best values in its custody since the days of its foundation but subjected itself to a silent death executed by its experts and enjoyed by its people who went after thrillers fantasies romances and other vain imaginations neglecting the truth Remember it was the hatred to Christian values that instigated the anti supernatural liberal theology from within and without the church which ultimately resulted in the Nazi Holocaust Beware when the Christian faith and values are suppressed the very survival of the societies at large is endangered This is the lesson of the entire world history      *Resonance Alchemy* Katherine Parker,2013-03-22 *Resonance Alchemy* takes you on a remarkable journey of discovery that will expand your consciousness and transform forever the way you view yourself and your reality Based on the authors direct experience this journey begins with a mysterious gift from a group of celestial Light Beings Their gift leads to the unveiling of ancient but long hidden techniques designed to assist humanity in the current shift of consciousness now taking place Join Katherine as this ancient knowledge unfolds from the revelation of a universal language of Sacred Syllables to the discovery of a unique healing method based on the vibrational resonance of this sacred language Learn how these Sacred Syllables can bring your body soul and spirit back into harmony with their Divine Design Transform your consciousness as you gain a profound new understanding of inner alchemy and shift your perspective from separation to unity with your Divine Nature Discover powerful methods that will open your heart and develop your intuition activate your bodys power to achieve and maintain radiant health reconnect you to your Higher Self and accelerate your spiritual evolution and help you achieve a profound inner alchemy of body soul and spirit      **The Humanities and the Dynamics of African Culture in the 21st Century** John Ayotunde Isola Bewaji,Kenneth W.
