Lane, 1975 A synthesis of current thinking on Christology The American Catalog , 1896 **Theology** , 1970 **Christianity After the War** Frank Ballard, 1916 The Hibbert Journal Lawrence Pearsall Jacks, George Dawes Hicks, George Stephens Spinks, Lancelot Austin Garrard, H. Flaming Center Carl E. Braaten, 2016-10-19 **Personhood and Christianity** Oliver Forshaw, 2010-12-31 Making clear the Christian position that God's self-revelation is through human nature the author gives an account of the way a person is formed as an individual in community from the moment of conception onward The research and teaching of Dr Frank Lake are explained drawing out the distinction between Lake's kind of psychodynamic therapy and psychoanalytical practices whether Freudian or Jungian The book is aimed at showing that Christian living and spirituality are properly focused on the non-religious activity of God in the world and that the Church's mission requires the formation of worshipping congregations that are increasingly free of the defensive behaviours commonly encouraged by religion In *Personhood and Christianity* Forshaw makes a three-fold approach Arguing that many of the practices and attitudes of the divided churches still make it difficult for people to understand Christianity Taking up proposals of leading theologians and therapists he discusses the kind of holiness in the midst of ordinary life that can lead to practical reform in parishes and contribute towards radical change in community life more widely The discussion focuses on emotional healing as a primary element in the Church's work and on the New Testament theology of the corporate Christ as key to the recovery of faith in the 21st century Stress is laid on the world-directed purpose of the Eucharist through the ascended Jesus who is present everywhere *Personhood and Christianity* will be of great interest to all involved in Christian leadership and in the caring services of Church and society generally to those training for ministry and to everyone engaged in pastoral counselling and therapy *The Christian Century*, 1921

Mormonism in Dialogue with Contemporary Christian Theologies David Lamont Paulsen, Donald W. Musser, 2007 This volume brings together for the first time a broad range of scholars from Mormon and other Christian traditions Replacing polemics and apologetics with dialogue these exchanges show how the full spectrum of contemporary theologies can be informed by uniquely Mormon ideas and correlatively how Mormon thought can be illuminated through the study of key ideas of the foremost theologians of the twentieth and twenty-first centuries **Christian Standard**, 1909 **Rethinking**

Constantine Edward L. Smith, 2014-08-28 Constantine's life his career faith and relationship to the church raises questions for Christians and for historians that cannot be ignored Scholars continue to be intrigued with Constantine the man the influence he wielded over the church and the paradigm that he introduced for church-state relations Seventeen hundred years after Constantine's victory at Milvian Bridge *Rethinking Constantine* reinvigorates the conversation and examines the historical sources that inform our picture of Constantine the theological developments that occurred in the wake of his rise to power and the aspects of Constantine's legacy that have shaped church history *Rethinking Constantine* reassesses our picture of Constantine through careful historical enquiry within the scope of the early Christian period **Christian**
