Lombard Theological School **United States Code** United States,2018 *Code of Federal Regulations* ,2003 **Gender and Women's Leadership** Karen O'Connor,2010-08-18 This work within The SAGE Reference Series on Leadership provides undergraduate students with an authoritative reference resource on leadership issues specific to women and gender. Although covering historical and contemporary barriers to women's leadership and issues of gender bias and discrimination, this two volume set focuses as well on positive aspects and opportunities for leadership in various domains and is centered on the 101 most important topics, issues, questions and debates specific to women and gender. Entries provide students with more detailed information and depth of discussion than typically found in an encyclopedia entry but lack the jargon, detail and density of a journal article. Key Features: Includes contributions from a variety of renowned experts; Focuses on women and public leadership in the American context; women's global leadership; women as leaders in the business sector, the nonprofit and social service sector; religion, academia, public policy, advocacy, the media, sports and the arts; Addresses both the history of leadership within the realm of women and gender with examples from the lives of pivotal figures and the institutional settings and processes that lead to both opportunities and constraints unique to that realm; Offers an approachable, clear writing style directed at student researchers; Features more depth than encyclopedia entries with most chapters ranging between 6 000 and 8 000 words while avoiding the jargon and density often found in journal articles or research handbooks; Provides a list of further readings and references after each entry as well as a detailed index and an online version of the work to maximize accessibility for today's student audience. Small Business Sourcebook ,2005 A guide to the information services and sources provided to 100 types of small business by associations, consultants, educational programs, franchisers, government agencies, reference works, statisticians, suppliers, trade shows and venture capital firms. **Proceedings of the Public Service Commission for the First District, State of New York ...** New York (State). Quinn,2014-01-10 Though Americans spend more than 25 billion a year on sports and sporting events, this book argues that the influence of sports on our lives is even more profound than this huge figure would seem to suggest. Exploring such topics as the role of sports in the creation of mass culture, cheating, the abuse of illegal drugs, the strange and fascinating role that numbers play in sporting events and the future of spectator sport, this book surveys the outsized impact that sports have on American culture. The author draws from new work in such fields as history, economics, politics, sociology, psychology and ethics to

support his claims Instructors considering this book for use in a course may request an examination copy here **Seeing Cities Change** Jerome Krase,2016-04-01 Cities have always been dynamic social environments for visual and otherwise symbolic competition between the groups who live and work within them In contemporary urban areas all sorts of diversity are simultaneously increased and concentrated chief amongst them in recent years being the ethnic and racial transformation produced by migration and the gentrification of once socially marginal areas of the city Seeing Cities Change demonstrates the utility of a visual approach and the study of ordinary streetscapes to document and analyze how the built environment reflects the changing cultural and class identities of neighborhood residents Discussing the manner in which these changes relate to issues of local and national identities and multiculturalism it presents studies of various cities on both sides of the Atlantic to show how global forces and the competition between urban residents in contested terrains is changing the faces of cities around the globe Blending together a variety of sources from scholarly and mass media this engaging volume focuses on the importance of seeing and in its consideration of questions of migration ethnicity diversity community identity class and culture will appeal to sociologists anthropologists and geographers with interests in visual methods and urban spaces **United States Code** ,1984 **The Statesman's Yearbook 2008** B.
